NACS 2025 OHL FINAL Draft Rankings

Rank	Name	Team	Pos.	DOB	Ht.	Wt.	Agent Info	Comments
NTDP Committed		Late Birth In Orange					Players In United States	
1	Wycisk, Jaakko	Sun County	RC/R	Mar 16/09	6.00*	175	Peter MacTavish (613) 286-4367	The most complete Player from Top to Bottom but he didn't piss a drop of effort in OHL Cup (except for 3rd period vs. Vaughan) & 1/4's which is scary. He was 'sick" but but he could/should become the best Player in this Draft
2	Warren, Camryn	Toronto Jr. Canadiens	RC/R	May 7/09	5.09*	151	Eric Faion (647) 888-4004	Owen Griffin, Mitch Marner or Connor Lockhart? I could make the case for him being close to each of them. Elite skill & vision but can he handle it at his size? Could be a 5 year & 350 point career
3	Murata, Charlie	Don Mills	RW/R	Feb 15/09	5.11*	173	Bayne Pettinger (403) 835-0204	Him & Warren are the 2 most skilled but gets perimeter and soft & avoids dirty areas. If they ALL hit their ceiling, only Wysick would be better but soft skill has a hard time in the Playoffs.
4	Lammens, Brenner	Toronto Red Wings	LC/L	Jul 1/09	5.11.5*	188	Tyler Nother (647)-284-5343	Checks EVERY box except Elite Offensive Skill but don't think he won't get his share of points and will be your Captain. Reminds me of Nathan Villeneuve without the theatrics of late
5	McGregor, Kaden	Ottawa Valley	RC/R	Jan 30/09	5.11*	170	Pat Morris (416) 562-5562	Has shown he plays hard, creates offense, is physical & smart. Probably going to Peterborough at 1 for some reason & not sure why
6	Delisle, Max	Toronto Titans	RC/R	Jul 6/09	5.11.5*	177	John Walters (416) 919-7102	Most physical Player that hits, is strong & looks like a Warrior but limited offensive upside. Will likely be a Captain & will be a physical force but don't expect big point totals. Owen Sound at #5 makes the most sense to play with his Brother OR you could take him before and Trade him there which might be a decent proposition with all the top guys having warts and unknowns
7	Laus, Noah	Toronto Jr. Canadiens	LW/L	Feb 10/09	6.00.25*	186	Charlie Graham (917) 279 2367	Captain of Champs & will drag guys into the fight. Can shoot it and initiates contact. For me, he is close to Lammens and he is another future Captain that has a lot of good traits

NACS 2025 OHL FINAL Draft Rankings

8	Chitaroni, Brock	Barrie	RW/R	Jan 27/09	5.10.25*	155	Mike Asselin (416)-427-9498	Has been able to dominate at times but also can get tunnel vision. Others Brothers have been influenced to not hit their ceiling & I know he is from the North but I LOVED his brother but wouldn't draft him because I saw what happened to the oldest brother.
9	Edgar, Ryerson	York Simcoe	RC/R	Jul 30/09	5.09.5*	152	Doug Orr (289) 380-3027	Top 5 upside but can get perimeter & avoid contact & that stuff happens in the OHL. Some have him in the Top 5 and this might be too low because of his tools but much like Murata, I see soft skill & they both remind me of Evan Vierling
10	Kulemin, Aleks	Don Mills	LC/L	Mar 20/09	6.01.5*	165	Tyler Nother (647)-284-5343	Great bloodlines and plays fast. The knock is his offensive finish but that is overstated and he was actually overshadowed on DMF but he has size, speed, bloodlines & a fire that doesn't get recognition.
11	Bergeron, Ty	Det. HoneyBaked 15	LW/L	May 26/09	6.00.5*	176	Eddie Mio (248) 933-1900	A Stud that could be higher but I hear the Program will get him but is worth waiting on because if/when he comes, he could be a Top 10 Player in the Draft but you might only get 2 years
12	Forrest, Alexander	Oakville	RD/R	Jun 11/09	5.10.25	148	Tyler Nother (647) 284-5343	Cerebral, excellent game awareness & has some sneaky skill but he certainly needs to get stronger
13	Jackman, Landon	Det. Little Caesars 15	LC/L	Jun 23/09	6.01.75*	213	Vince Pedrie (630) 518-1565	Big body that I had as a Top 10 pick after Silver Stick but every viewing since he leaves me wanting more but has a great frame & I've him dominate
14	Ardagh, Keaton	Toronto Jr. Canadiens	RW/R	Jul 8/09	6.00*	166	Jesse Cirella (905)-925-4137	All skill but can disappear at times. Has offensive upside to maybe lead League in scoring & enough questions to disappoint
15	Green, Peter	Don Mills	RD/R	Jul 29/09	5.11.5*	173	Bayne Pettinger (403)-835-0204	Arguably the best D in the age group but has had injuries. I saw him dominate bad Teams but has struggled against good Teams in my viewings. Guys I trust LOVE him but I still have questions
16	Barch, Kane	Huron Perth	LW/L	Mar 13/09	5.10.5*	174	Rob Hooper (519) 501-9069	Bloodlines & an overall game. Not as refined as some but will go around a guy or through him & he has toughness. Reminds me of Kean Washkurak in his Draft year. Word is he committed to the Program but expect LDN to take him
17	Henderson, Matthew	Huron Perth	LD/L	Mar 20/09	5.11*	163	Dave Maloney (416) 427-2244	Sneaky smart D that is determined to defend well but also moves the puck & gets up ice. Think of Lleyton Moore at 19.

NACS 2025 OHL FINAL Draft Rankings

18	McLaughlin, John	Lambton	LC/L	Aug 14/09	5.09.25*	163	Eric Faion (647) 888-4004	Season ended early with an injury that terminated his year but he played up with the 08's last year and showed in the 2nd half that not only could play there but he began to produce & would have been a Top 40 pick LAST year. He has great feet, doesn't lack confidence in making plays and has good IQ. The ONLY risk is whether what we saw 2 years ago was as real as I thought it was or will this injury derail his development like the Campbell kid we drafted in Niagara. I don't have access to his Medical info but assuming it is all good, he is EASILY a Top 20 pick!
19	Edgar, Eamon	Sun County	RC/R	Nov 5/09	5.07.5	148	Dylan Liptrap (905)-466-3492	Overshadowed by Wysick all year but has shown he will go into traffic and makes a lot of smart little plays. Plays bigger than his size
20	Daley Jr., Trevor	Florida Alliance 15	LW/L	Jul 11/09	5.10*	170	Michael Curran (610) 247-1876	Son of Trevor Daley that can skate and compete & beat up on some lesser Teams but probably Program bound as he is committed but the Soo may still be up to something
21	Roscoe, Drew	Shattuck SM 15	RD/R	Mar 5/09	6.05.5*	177	Kevin Magnuson (847) 372-0755	Huge Man-Child that could become an NHL 1st round pick & skates like he is 5'6 but still VERY raw. I think he has Saggy in his future
22	Cabral, Lyndon	Don Mills	RW/R	Aug 15/09	5.09.5*	170	Dave Maloney (416) 427-2244	Another Warrior. Not a flashy name but scores, is fearless, can shoot it and will make plays. I LOVE his game and I see similarities to Ryder Cali last year. Different Player for sure but everyone spent so much time watching Wassilyn, Cali slipped and it was a mistake.
23	Perreault, Matthew	Toronto Titans	RD/R	Jul 28/09	5.11	161	Peter MacTavish (613) 286-4367	Big thick Kid that never dazzles you but is good in D zone and doesn't try to do too much
24	Kut, Tommy	Don Mills	LD/L	Jan 5/09	6.02*	214	Joe Resnick (416) 917-2074	Big and can be mean that also has some sneaky skill. Probably won't run your PP1 but big kid that can be efficient in exits and entries
25	Kunopaski, Carter	Ottawa Valley	LD/L	Feb 14/09	6.00.5*	189	Andy Scott (613) 795-1515	Big and nasty with a long stick. His feet have to get better but he is better all around Cole Fraser. Don't hold out hope for a PP Quarterback but Ethan Del Mastro is my comparable
26	Buchman, David	Ottawa Valley	LD/L	Jul 1/09	5.11*	176	Darren Price (647) 273-1566	The kind of D that a Coach will love. Smooth skating offensive D that has exceptionally high hockey IQ. Has a good active stick defensively and really runs things from the back end. Doesn't jump off the ice in any one trait but reminds me a bit of M.Buchinger
27	Thibodeau, Cannon	Toronto Marlboros	RC/R	Dec 10/09	5.08.5*	149	Andy Scott (613) 795-1515	Polarizing Kid that has a Brother/Father that is a problem & KGN had to move but a ton of offensive skill. Sounds like he is committed to The Program (and I don't mean the Soo Greyhounds Program!

NACS 2025 OHL FINAL Draft Rankings

28	Robar, Ty	Toronto Titans	RC/R	Apr 19/09	5.11*	174	Dave Nicoletti (647) 554-9802	Sneaky Player on the Titans that isn't heralded but does a LOT of things right & is always in the thick of it
29	Reznik, Crus	Toronto Red Wings	G	Mar15/09	6.02	181	John Walters (416) 919-7102	Best Goalie in a good Goalie Year. Should start a run on Goaltenders but with him you might get a 3 or 4 year Starter is invaluable
30	Raynor, Kieran	Niagara North	RC/R	Mar 22/09	5.09.75*	181	Dylan Liptrap (905) 466-3492	Coming into year I thought Top 5 but he lacks offensive vision & creativity. He can skate and he works though. Perfect 2nd pick if you got soft skill with your 1st pick because he plays fast, wants the puck & can be a great 2nd fiddle
31	McAslan, Cooper	Ajax Pickering	RD/R	Mar 16/09	6.01*	169	Jesse Cirella (905)-925-4137	Steady and solid D that has size but won't be on any highlight reels
32	Horton, Braden	Shattuck SM 15	RW/R	Apr 17/09	6.00.75*	178	Vincent Fensore (914) 610-6439	Horton is a big body that is very strong and proved to be a triggerman for Shattuck and he did it effectively. Still has to be more consistent but has all the tools to become an NHL pick
33	Pereira, Jax	Toronto Jr. Canadiens	LW/L	May 6/09	5.09	158	Jesse Cirella (905)-925-4137	Was disappointing in Playoffs loss but made up for it at OHL Cup. Plays fast and puts pressure on the opposing D
34	Dicunzolo, Gerry	Shattuck SM 15	LW/L	Jun 16/09	5.11*	163	Scott Bartlett (585) -383-1967	Loves to have the puck & all I see when I watch him on Video is David Goyette-lite in his Draft year. Creative and smart
35	Campeau, Alexandre	East. Ont.	LC/L	Mar 23/09	6.03*	167	Rob Stewart (519)-590-1035	Big, lanky kid that doesn't take your breath away but could be a guy that ends up as a higher NHL pick than OHL pick if he goes to the right Team
36	McKinney, Oliver	Chi. Mission 15	RC/R	Feb 5/09	5.10	155	Matt Williams (248) 978-7538	Quite frankly, one of the best '09s in North America because he can absolutely fly, has excellent offensive sense and grew up around the game trying to emulate his older Brother. I'm sure he will follow his Brother to the US-NTDP
37	Roberts, Sam	Toronto Jr. Canadiens	RW/R	May 21/09	6.00.5*	176	Michael Curran (610)-247-1876	Gary's Kid is Top 5 in energy and effort but he lacks some puck skills and offensive upside but an honest Player. Sudbury at #11 is way too high but don't be surprised if the same regime is in charge
38	Scuderi, Braiden	Mt. St. Charles 15	RW/R	Mar 31/09	5.06.5*	153	Jerome Buckley (617) 645-3511	Smallish but an offensive machine. Sometimes Prep School guys beat up on bad Teams and pad Stats but Mt. SC plays a pretty rigorous schedule
39	Chizik, Nathaniel	Mt. St. Charles 15	G	Feb 15/09	6.02.75*	204	Jerome Buckley (617) 645-3511	The best '09 Goalie in the USA but I can't see the Program not taking him & making him a cornerstone
40	Tang, Michael	Toronto Titans	RW/R	Apr 15/09	5.11.75*	155	Jim Hughes (734) 276-1891	We know the Dad story but he can play. Has excellent offensive skills & can score by getting to soft spots and finishing

NACS 2025 OHL FINAL Draft Rankings

41	Shorter, Trevor	Chicago Mission 15	RD/R	Jan 20/09	6.06.5*	175	N/A	There are a lot of similarities between Shorter & Drew Roscoe. Both are massive and although Roscoe skates better, Shorter has better puck skills at this stage.
42	Freeman, Jeremy	Toronto Titans	RW/R	Jul 7/09	5.08.5*	163	John Walters (416) 919-7102	A bit undersized but smart and gets to the right spots & puts the puck in good areas
43	Murray, Jake	Huron Perth	LC/L	Feb 26/09	6.01.5*	179	Eric Faion (647) 888-4004	LOVED him at Silver Stick but he has tailed off but I still think he can be a 3 zone Centreman & I see a lot of Jonathon Melee
44	Martin, Hayden	Barrie	LD/L	Feb 27/09	6.00*	175	Joe Resnick (416) 917-2074	One of the most improved Players & is like Henderson because he can defend but he also can work a PP and has good IQ
45	Semetsis, Christian	Mt. St. Charles 15	LD/L	Oct 14/09	5.10*	153	John Osei-Tutu (516) 512-3785	Might be the best pure skater in the whole Draft. Can simply dance and if he isn't an US-NTDP commit, I'd take him. Can think the game at a solid level but his feet are the strength
46	Barbeau, Karsten	Ottawa Myers Auto	LC/L	Mar 9/09	6.02*	181	Dave Maloney (416) 427-2244	Big body that took me a while to warm up to but a Power Forward that can skate and has sneakier hands than he gets credit for
47	Debruyn, Jesse	Huron Perth	LD/L	Feb 3/09	6.00*	180	Rob Hooper (519-501-9069	Mid sized guy that helped HPL win some big games & I thought he was very good at the Silver Stick and seemed to have Barch's confidence
48	Semenstov, Alexander	Halton	LC/L	Aug 25/09	5.07*	155	John Walters (416) 919-7102	Vlad Nikiforov Part Deux without the demons that Vlad had. Vlad showed guys that small can play & this Kid oozes offense
49	Pelosi, Rocco	Mt. St. Charles 15	LC/L	Jan 28/09	5.09.75*	164	Mark Toof (484) 535-0889	Offensive machine that put up 140 points in 50 games but can be perimeter & is a Program guy. I could see him going to Ann Arbor for 2 years & then straight to School so he'd be impactful but its risky
50	Courville, Mason	Wilkes Barre	G	Oct 27/09	6.00*	175	Oliver Labelle (610)- 334-3169	Son of Timmins own, Larry Courville, Moves exceptionally well, should still grow based on Parents, High ceiling
51	Hayes, Reid	Windsor	RC/R	Jul 16/09	5.11	156	Tyler Nother (647) 284-5343	Not a lot to work with a lot of skill and finish. Can get one dimensional but its an important dimension.
52	McArthur, Broden	Dall. Stars Elite 16	RD/R	Feb 24/09	5.10.25*	168	William Kawam (201) 486-8693	Another skilled RD that has a shot at the Program after a great camp. He was on the outside looking in but I have to find out if he got one of the coveted spots but I have to believe he will get a spot
53	Lewandowski, Carter	Vaughan	LW/L	Jun 2/09	6.00.75*	165	Rob Grant (519) 277-6143	Was one of the offensive catalysts with an overachieving Vaughan team but projects as a 3rd line guy at best

NACS 2025 OHL FINAL Draft Rankings

54	Aucoin, Kaden	Chi. Mission 15	RD/R	Aug 14/09	6.03	175	Jeff Boston (217)-898-4526	Slick, smart, makes some plays & has the size to handle any opposing Forward. Should be a Program guy but I'm hearing its close.
55	Rathwell, Brian	Ottawa Valley	G	Mar 9/09	6.04.75*	221	Adrian Gedye (705) 929-6127	His performance at the OHL Cup was breathtaking. You take and combine it with his size & how raw he is an I'd be excited about getting him
56	Bennett, Brayden	Toronto Titans	LC/L	Feb 5/09	5.11.25*	184	Brad Rossen (647) 523-0594	Another of the Titans always around the puck. Caught my eye all year but nothing he does jumps out but should be a solid OHL guy
57	Gullstrand, Gunner	Det. Little Caesars 15	LC/L	Dec 11/09	5.09.75*	164	Ryan Ballard (248) 990-4602	Sneaky skilled Centreman that is better than the sum of his parts. Will score but will also doing a lot of important things to help a Team win
58	Hinde, Tyler	Toronto Red Wings	LW/L	Jun 23/09	6.01.5*	145	John Walters (416) 919-7102	Classic Power Forward that should have more points but is willing to go to the tough areas
59	Pahanich, Evan	York Simcoe	RD/R	Mar 27/09	6.02.5	192	Rob Hooper (519) 501-9069	Pahanich seems to be an Analytic darling and his size is intriguing but probably tops out as a middle pairing guy at best. Has a great shot though.
60	John, Cooper	Ohio Blue Jackets 15	LD/L	Mar 20/09	5.11*	183	Kenny Ryan (440)-343-3333	His Dad was a solid Defenseman for the Wolves and Cooper is better. Excellent instincts, offensive assertiveness and the ability to run a PP
61	Bach, Hagan	Shattuck SM 15	G	Apr 17/09	6.00.5*	190	Allan Walsh (310) 493-3316	Was one of those Goaltenders that got a lot of attention as a younger Prospect but hasn't grown a ton. I know some guys really like him but I never saw him stand on his head
62	Haffner, Connor	Upper Canada	G	Sep 4/09	6.03.5*	177	Rick Dorval (613)-282-7516	All the skills & mental makeup to be a Starter in the OHL & the top of the 2nd Tier of Goaltenders after Reznik/Chiznik
63	Deanovich, Caleb	Chi. Reapers 15	RD/R	Mar 26/09	5.10.75*	169	Pete Rutili (312) 952-1115	Deanovich is a smart, steady but not flashy 6 foot RD that moves the puck to the right guy was a steadying force for the Reapers. Watching him at the Nationals, you can see why he is in the mix for The Program
64	Lappalainen, Brayden	Sun County	LW/L	Apr 27/09	5.08.75*	158	Tyler Nother (647) 284-5343	Undersized but is a guy that makes Sun County go & was an excellent finisher
65	Timmerman, Anthony	Det. Little Caesars 15	LD/L	Oct 13/09	5.09*	165	Ryan Barnes (248) 234-2248	I've heard that the Program may come calling which surprises me a bit but if not, he is an undersized D that ran Caesars PP and has good IQ
66	Larmand, Lachlan	Barrie	RW/R	Mar 25/09	5.11*	177	Rob Grant (519) 277-6143	Larmand and Chitaroni remind me of Karmiris/Vanacker a few years ago. Goes to traffic and can score. Power forward

NACS 2025 OHL FINAL Draft Rankings

67	Winters, Eki	Fox Motors 15s	G	Mar 30/09	6.01*	170	Chris Lepkowski (440)-865-6268	Good size and has been very steady on an average Team. Sounds like the US-NTDP likes him a lot and he had a great 4 days so I expect him to go to Ann Arbor
68	Nutting, Lucas	Elgin Middlesex	RD/R	Apr 5/09	5.10.5*	174	Mike Asselin 011 46 416-427-9498	Really drove the offense in EMC & was the QB on the PP. Makes very good offensive decisions but needs o be better away from puck
69	Munnings, Blake	Quinte	LD/L	Jan 23/09	6.00*	183	Brett Valliquette (905) 392-2003	I've seen him look like a Top 15 pick and I've seen him look like a mid round Tier 2 guy. I think he is closer to the latter but be aware, there is risk. Does a lot of things good but nothing exceptionally well
70	Bell, Caden	Don Mills	RD/R	Jan 15/09	5.10.5*	164	Pat Morris (416) 562-5562	Overshadowed on a loaded DMF Team but was always steady and smart & elevated his game at times when others didn't
71	Snyder, Nolan	Pittsburgh Penguins 15	RW/R	Apr 13/09	5.10.5*	172	Vince Pedrie (630) 518-1565	Was the offensive driver on the Pens Elite squad & in my 2 live viewings, I liked him and I felt like he would be better with quality linemates.
72	Wolf, Solomon	Buffalo Jr. Sabres	RD/R	Jan 25/09	6.04.5*	185	Sam Rud (719)-648-4963	I have to confess he came out of the blue at the OHL Cup so I watched him there and then some video & I like what I saw. Raw but huge upside.
73	Konobelj, Oskar	Ottawa 67's	LD/L	May 29/09	6.03*	174	Vlad Spektor (206)-331-8833	Konobelj is a big strong Kid that I've seen play both Defense and up on the Wing. Good feet and tries to make opponents pay the price physically. Is unique in that he has already figured out how to use his frame and strength to his advantage.
74	Beauchesne, Carter	Upper Canada	LC/L	Feb 19/09	5.10*	157	Phil Lecavalier (514) 826-2820	Has bloodlines and an edge that is hard to find. Some offensive touch but his aggressiveness is his hallmark
75	Rolling, Kaden	Barrie	RD/R	Mar 31/09	5.11.5*	174	Dylan Liptrap (905) 466-3492	Might be the best Shot-blocker in the Draft & that shows that he is a complete Team guy
76	Sullivan, Charlie	Don Mills	LD/L	Mar 21/09	6.00*	183	Wade Arnott (416) 562-2161	Meat & Potatoes D that is strong on his skates, makes solid but unspectacular decisions but will play for 3 or 4 years. Reminds me of Carson Woodall a bit.
77	Buchan, James	Oakville	LD/L	Jan 31/09	6.00*	169	Darren Price (647) 273-1566	Buchan is a mobile Defenseman that is excellent in transition but his numerous injuries are a concern. Might be a Gem because he will fall due to Teams limited viewings but is a wildcard.
78	Soliman, Nick	Niagara North	G	Mar 10/09	6.01,75*	189	Blake Goulet (905) 932-1228	Unheralded Goaltender that has quietly put up a very solid year. Was phenomenal in the Wildcard game to beat Oakville.
79	Yin, Gavin	Toronto Titans	LD/L	Dec 7/09	5.11	191	Vlad Spektor (206)-331-8833	At times was the guy to generate an offensive push from the back end but has to defend better

NACS 2025 OHL FINAL Draft Rankings

80	Whang, Bradley	Shattuck SM 15	RC/R	May 6/09	5.08*	160	N/A	Every time I've seen him, he has been an offensive wizard. Excellent Distributor that finds teammates &is deadly on PP. Played a responsible game away from the puck too. I was surprised he didn't get an Under 17 invite
81	Roy, Jimmy	Ottawa Valley	RW/R	Jan 8/09	5.11*	172	Andy Scott (613) 795-1515	Overshadowed a bit on OVT, Sneaky skill, High IQ, Needs to get stronger, Needs a year of Tier 2, Can play up and down your lineup
82	Anderson, Cam	Chi. Reapers 15	RW/R	Jun 16/09	6.02.25*	207	Jeff Boston (217)-898-4526	Big strong Power Forward that gets to the top of the crease and is hard to move. Excellent at tipping pucks
83	Willard, Cole	Toronto Marlboros	RD/R	Sep 21/09	6.02	191	Joe Resnick (416) 917-2074	Another big body that won't dazzle you with skill but understands his limitations but keeps things outside the dots and is solid defensively
84	Partridge, Chase	Niagara North	RW/R	Apr 14/09	6.00.5*	176	Rob Stewart (519) 590-1035	Had injury problems all year & his season ended in January but he did do a lot of good things when he played. Was able to play up and back and could he be this years Lukas Ellinas?
85	Wood, Eric	Sun County	RD/R	Apr 2/09	5.09*	172	Shawn Hunwick (586) 822-0670	Fell off as the year progressed because I really liked him early but he left me wanting more on some nights. Has the tools but has to commit to engaging physically
86	Johnson, Jack	Toronto Marlboros	RD/R	Apr 21/09	6.02.25*	180	Rob Grant (519) 277-6143	Big strong horse that has a lot of physical tools but is limited offensively and has to get better feet when he can't overpower opponents
87	Wilson, Logan	Ottawa Valley	LC/L	Jul 14/09	5.10*	177	N/A	The little buzzsaw that really provided secondary scoring for the Titans. High motor and always around the puck.
88	Baker, Andrew	Sun County	RW/R	Jan 20/09	6.00*	166	Joe Resnick (416)-917-2074	Didn't crack our list until late but is one of the most improved Players in the Draft. Went into dirty areas and showed some offensive instincts & is obviously trending in the right direction.
89	Blythe, Brayden	York Simcoe	RW/R	Nov 21/09	5.11.5*	162	Brett Valliquette (905) 392-2003	Big raw kid that is a late birthdate & although his skills are just OK, he has a big frame & quality work ethic
90	Weiss, Charlie	Oakville	G	Jul 21/09	6.00.25	149	Dave McNamara (647) 588-9650	Thunder Bay kid that came down to start for Oakville and he had a solid year but his size is a concern. His final showing in the Wildcard game will jump him up some Draft Boards
91	Inskip, Ian	Miss. Reps	LC/L	Feb 5/09	6.00.75*	168	Ken Hornick (905) 467-9077	Played on a bad Team but never took a shift off. Understands the physical nature of the game and generated offense for them but he reminds me of Jordan Charron
92	Vreugdenhill, Cole	Halton	G	Nov 3/09	6.02.5*	196	Mike Asselin (416)-427-9498	A Late Birth/massive Goaltender that really played well for Halton at times. Can get robotic and not fluid enough but he battles & the Coach's rave about his will to get better

NACS 2025 OHL FINAL Draft Rankings

93	Harris, Kingston	Toronto Marlboros	LC/L	Feb 15/09	5.10.5*	148	Andy Scott (613) 795-1515	I could NEVER get a great read on him. At times I thought he could be a really good Player but like most of the Marlies, he left me wanting more
94	Campbell, Cade	Toronto Red Wings	LD/L	Mar 14/09	5.11.5*	157	Paul Capizzano (647) 710-5005	Was clearly the Red Wings best contributor from the back end but I liked him better earlier in the year
95	Christie, Gavin	Niagara North	RD/R	Apr 13/09	6.00.25	163	Jesse Cirella (905)-925-4137	Will need a year of Jr. B but I saw some things I like to go with his decent size.
96	Naish, Zack	North Shore	RD/R	Dec 2/09	6.06*	194	John Walters (416) 919-7102	Big body and a RD and a late birthdate. I can think of one Team that will love him with a Horse on their Jersey.
97	Smith, Parker	Waterloo	LW/L	Apr 17/09	5.08.5*	156	N/A	Was the guy that had to score in Waterloo but he was able to do it. Looks like a classic Jr. B star but if he can get a bit bigger and stronger, he has the tools
98	Underhill, AJ	Halton	RD/R	May 6/09	6.03.5*	194	Wade Arnott (416)-562-2161	One of the most underrated Players in the Draft. His size and frame catch your eye and he is certainly raw but does some good things. I see some Kaleb Deitsch or Jared Wooley in him
99	Barr, Vaughn	Huron Perth	G	Apr 17/09	5.10.75*	166	Rob Hooper (519) 501-9069	Plays with a LOT of structure and technical ability. He is usually in control and in excellent position. He has gotten better in big games and has been well coached. Reminds me a lot of Alex Nedeljkovic who we traded for in Niagara
100	Wang, Richard	Don Mills	LD/L	Jan 2/09	5.11*	186	Ken Hornick (905) 467-9077	Steady, strong and smart. Not flashy at all but will be a defensive D that will only get better. Has HIGH character will become a minute muncher.
101	Bruce, Tyler	Toronto Jr. Canadiens	LW/L	Jan 24/09	5.10.25*	138	Adrian Soun (416) 737-0716	Very light but quick to pucks and provided some secondary scoring for the OHL Cup Champs
102	Colby, Colton	Det. HoneyBaked 15	RW/R	Jan 18/09	5.11.75*	138	Chad McDonald (269) 788-5055	Showed at the OHL Cup that he has the skillset to play in the OHL. Needs to get stronger but can score
103	Scott, Carter	Ottawa Valley	RW/R	Jan 18/09	6.01*	164	Andy Scott (613) 795-1515	Sneaky player for OVT that is very thin but has some jam, will hit and will fill out his long frame but his lack oh high end hockey IQ is an issue
104	Jaworski, Sarvir	Det. Little Caesars 15	LW/L	Feb 24/09	5.10.25*	162	Chad McDonald (269) 788-5055	Excellent game instincts & does things a Coach will love like angling, smart PK work & putting pucks into safe areas
105	Cicchelli, Hudson	Toronto Jr. Canadiens	G	Jun 2/09	6.00*	169	Pat Morris (416) 562-5562	Was the classic big game Goaltender that got better in the important games, Is a Southpaw that still confuses Shooters, Not massive but is still likely to grow, Beat out Karbowski for Starters role which wasn't the plan, Sneaky good

NACS 2025 OHL FINAL Draft Rankings

106	McMahon, Thaddeus	Chi. Mission 15	LD/L	Feb 21/09	6.00*	160	Max Giese (608) 295-3725	A very solid Prospect that uses his feet to his advantage. Reminds me a bit of Zach Wilkie (minus the Niagara Bonuses) in that he can create offense and showed an ability to defend. Wilkie's defensive play never materialized in the OHL but this Kid has a shot.
107	Robertson, Brody	Toronto Titans	LW/L	Jan 6/09	6.00.5*	181	Neil Hall (401) 429-8423	A big body on the powerful Titan team that may be a piece of an OHL Team but not a star. My concern is he won't be as effective when everyone is as big and strong
108	Wolfe, Gunner	North Central	G	Apr 23/09	6.03*	180	Adrian Gedye (705) 929-6127	The great unknown Goaltender. Played on a rarely seen, average Team but his size, athleticism and work ethic are VERY intriguing
109	Clute, Pierson	Quinte	LD/L	Dec 23/09	6.01.5*	176	N/A	At times he has looked like a good Prospect and others like him more but I'm not sure he doesn't top out as a Tier 2 guy. His flashes warrant a pick.
110	Shirkey, Zach	Det. HoneyBaked 15	RD/R	May 10/09	6.02*	172	Ryan Ballard (248)-990-4602	Shirkey has quality size and had the awareness to transition the puck to the skilled forwards. Made quality exits and tops out as a middle pairing guy but he is OHL capable
111	Mahley, Jackson	Madison Caps 16	LD/L	Oct 15/09	6.02*	165	Shawn Hunwick (586) 822-0670	Mahley is a Player that a lot of Teams wanted for this year but he played in Madison which I couldn't get to the bottom of. Good size but he has been under-scouted & could be a solid mid-round steal but there needs to be investigation into why he went to Madison.
112	Gladman, AJ	Vaughan	RD/R	Jan 19/09	6.02*	185	Joseph Giannini	A big body that showed he has a chance to play in the OHL as a 3rd pairing guy. Reminds me of Evan Passmore but I haven't seen the toughness yet.
113	Miller, Nathan	Grey Bruce U16	LD/L	Jan 13/09	5.11*	162	Austyn Quarters (719)-651-5846	A solid contributor in all 3 zones for an undermanned Grey Bruce Team. He has some bite and he should get bigger based on Parental size. Underrated due to where he plays but he moves well and can make plays
114	Bergeron, Zak	Det. HoneyBaked 15	RD/R	May 26/09	5.10.5*	161	Eddie Mio (248) 933-1900	Twin brother of Ty and like most twins, one is significantly better than the other. Zak is still a quality Player but doesn't have the ultimate upside of Ty.
115	Enright, Andrew	Ottawa Valley	LD/L	Jan 7/09	6.00.5*	172	Vlad Spektor (206) 331-8833	Tall lanky LD with a long reach but s an average skater and his decision making needs work. He shows flashes of skill but not enough yet
116	Carr, Benjamin	Ottawa Myers Auto	RC/R	Mar 22/09	6.04.5*	206	Andy Scott (613) 795-1515	Huge RS Centreman that never stops working but his skills are limited. I see a lot of Zach Houben in him.

NACS 2025 OHL FINAL Draft Rankings

117	Wildfong, Max	Waterloo	LW/L	Mar 21/09	5.11*	165	Rob Grant (519)-277-6143	Max dragged the Wolves into the fight every night & despite a less than stellar Roster, they had a good year. Max is better than the sum of his parts and I can see a little Mason Zabeski
118	Del Priore, Giacomo	Oakville	RC/R	Feb 12/09	5.10.5*	174	Patrick Bedell (516)-761-5293	Top 10 skill & craftiness but Teams in that area wanted nothing to do with him & gladly let him go to Oakville. Some Teams have as a "Do Not Draft" but he can certainly make plays. Further investigation would be needed if he is a consideration because people in that area don't say good things
119	Geldart, Geneen	Vaughan	RC/R	May 5/09	5.11.75*	162	Darren Price (647) 273-1566	Geldart is a very solid 200 foot guy that does things that Coaches like. Likely a 3rx line Centre in the OHL but I see a lot of Zach Wigle in him
120	Matthews, Cooper	Chi. Mission 15	G	Mar 9/09	6.02	165	Ryan Ballard (248) 990-4602	Was the Starter for a powerful Mission Team that has a great reputation but I get concerned that he's a puck blocker
121	Malandra, Jack	Ottawa Myers Auto	LW/L	May 4/09	6.00.5*	183	Randy Robitaille 613-327-5030	He is a Power Forward with good feet and he attacks D off the rush and can be hard to contain. His brain cramps and inability to fit in with Team Structure are an issue along with his lack of consistency
122	D'Amico, Colten	Halton	RD/R	Apr 23/09	5.10*	180	Ken Hornick (905) 467-9077	A RD that handles the puck pretty well and is a consistently solid Passer of the puck. Will NOT shoot it on the PP but usually gets it to the right guys from the back end & had a strong finish to the year
123	D'Andrea, Dante	Huron Perth	LD/L	Jan 22/09	5.11*	157	Jason Harshaw (905) 980-1222	Seemed to always be in the middle of things so I'm surprised by his very modest stats. Doesn't have any glaring weaknesses
124	Edwards, Lincoln	Don Mills	LW/L	Sep 12/09	5.08.5	157	Tyler Nother (647) 284-5343	Scored some incredibly big goals throughout the year & played well in big games. Obviously has to grow but he showed he can play if he does
125	Stants, Cole	Ottawa Myers Auto	RD/R	Jun 29/09	5.11*	170	Wayne Smith (613)-608-4939	Very cerebral Defenseman that was good in every live viewing I had. Others don't see it and they may be right but he was excellent in my 6 live viewings. Great stick and transitions well.
126	Balanyk, Lucas	Toronto Marlboros	RW/R	May 25/09	5.08*	165	Ken Hornick (905) 467-9077	At times he was a key to the Marlies offense but he was shy at times and his size will make it tough. If he can't play, he will be a Tier 2 stud
127	Leonard, Owen	Toronto Titans	G	May 19/09	6.00*	165	Adam Panacci (647)-453-0703	He is 6 feet so he has hit that magic number but likely won't get bigger. He has very active hands and stays extremely upright in his Butterfly which is a key for smaller Goaltenders. He plays a very clean game and rarely gives up bad ones
128	Rowe, Xavier	Toronto Titans	RW/R	Nov 11/09	5.09*	151	John Walters (416) 919-7102	I liked him early but as the year progressed, he just got overshadowed and only improved marginally

NACS 2025 OHL FINAL Draft Rankings

129	Maharaj, Ben	Toronto Jr. Canadiens	RW/R	Jun 1/09	6.01.5*	166	Jamie Devane (647)-614-9185	I didn't think he had a chance to be a Draft in November but the improvement since then has been truly incredible. Still very raw but gets to dirty areas and is learning to use his size.
130	La Gambina, Noah	Don Mills	G	July 18/09	5.10.5*	188	Bayne Pettinger (403)-835-0204	A good Goalie on a great Team that often went games without much challenge. He has quickness and is athletic but I just can't fall in love with him. Name the last elite Goalie that came from the most stacked GTHL Team? Maybe Costanza but Teams get fooled every year by Starters on powerhouse Teams and I'm not sure this is the next example
131	Miniotis, Owen	Elgin Middlesex	RC/R	May 2/09	5.11.5	169	Joe Resnick (416) 917-2074	Top scorer on EMC and I didn't like him early but he has improved a ton. Loves to have the puck and his creativity on the PP is impressive
132	Nicholson, Evan	Don Mills	LC/L	Apr 1/09	5.10*	171	Dylan Liptrap (905) 466-3492	A solid Player on a great Team that may have stood out and played higher on a lesser Team. Nothing overly dramatic good or bad
133	Cherniavskii, Damir	Miss. Reps	LW/L	Jun 11/09	5.10.25*	168	N/A	With Cherniavski, it is all about what he can become and not what he is. A lot of upside but has been wildly inconsistent. Averages 1 point per game on a horrible Team & every night he did a couple things that made you think he has a chance to be very good.
134	Cross, Maddox	Det. HoneyBaked 15	LC/L	Feb 23/09	5.06.5*	141	Vince Pedrie (630) 518-1565	Was the counter-balance on his line with Bergeron. Aware of everything and high IQ but at his size, it will be tough. A lot of his points came from giving the puck to Bergeron but he has enough skill. If he was Corey Cross's kid, I'd like him more because he would then be likely to grow.
135	Santa Maria, Massimo	Det. Little Caesars 15	RW/R	May 4/09	5.07*	173	Patrick Bedell (516) 761-5293	Undersized Winger that puts up points against bad Teams and cheats and his game will have to evolve to get Coach's to trust him
136	Milani, Camillo	Toronto Marlboros	LW/L	Mar 19/09	5.06.25*	149	Dave Maloney (416) 427-2244	Tiny D that was very effective despite his small stature. Is he just a good Minor Hockey D that stars in Tier 2 or can he make the jump. I honestly couldn't argue strongly either way but worth a mid round pick
137	Collins, Peyton	Nashville U15	RW/R	Apr 21/09	5.11*	159	Patrick Borer (201)-962-5162	Collins plays fast and feasted on some bad competition but also didn't have a ton to play with. I never saw him live so it was only on video.
138	Mullins, Will	Ottawa Myers Auto	RW/R	May 14/09	5.11.5*	184	Dave Maloney (416) 427-2244	A strong RS Winger that is a shooter and is also strong on his feet. He is a "Chucker" and loves to shoot it and can get it away quick. Him and Barbeau were the key for Myers

NACS 2025 OHL FINAL Draft Rankings

139	Kolesov, Roman	Toronto Nationals	LD/L	Dec 1/09	6.04.5*	212	John Walters (416) 919-7102	A classic huge frame and late birth make him a likely Colts pick. Skills need a lot of work but ne plays with a long stick, knows how to clear the crease and the Coach talked highly of him
140	Switzer, Jaden	Ottawa Valley	LC/L	Aug 2/09	5.07.25*	155	N/A	A small stocky forward that plays hard and won't back down despite his size and he has some touch around the net
141	Jinman, Miles	Bishop Kearney15U	LW/L	Nov 9/09	5.10.5*	163	Rob Hooper (519) 501-9069	Was a hugely proficient offensive producer for BK. He had one excellent game at OHL Cup but is pretty slight. The production was impressive all year though.
142	Rashotte, Nate	Quinte	LC/L	Jan 12/09	5.08*	165	Brett Valliquette (905) 392-2003	Rashotte is an undersized guy that loves to play fast and push the pace and can really shoot it. He will likely get to 6 feet and if so, he has a chance to play
143	Cooper, Tyler	Chi. Reapers 15	RC/R	Dec 6/09	5.10*	158	William Kawam (201) 486-8693	Overall has reasonable skill and he LOVES to shoot it. Was effective on the PK
144	Witkowski, Aidan	Toronto Marlboros	LW/L	Jan 12/09	5.10*	166	Wade Arnott (416) 562-2161	Reminds me so much of his brother & I still love Aiden. Plays fast but at times his feet are quicker than his hands. Sometimes he doesn't handle the puck cleanly
145	Milojevic, Alexander	Chi. Mission 15	LC/L	Sep 5/09	6.00	180	Ryan Barnes (248) 234-2248	Has been one of the highest touted Yankees for years & left Florida to play in Chicago. He doesn't have a lot of warts but there is something I don't love. Is able to dominate at times but also can get tunnel vision but he is Program bound & there are MANY others I'd use the pick on if I have to wait 2 years
146	Sewell, Chase	Elgin-Middlesex	LD/L	Sep 9/09	6.05*	187	Pat Morris (416) 562-5562	Size is the thing that jumps out & he doesn't have a lot of offensive ability but he isn't going to shrink & he size & strength can always be used
147	Yakub, Max	Mt. St. Charles 15	LD/L	Jul 16/09	5.09.75*	186	Keith McKittrick (978) 907-2619	Undersized D that played a lot for Mount. Very strong and almost looks bulky and he has no problems handling bigger forwards. Isn't a standout in any one area
148	Flory, Kage	Det. Little Caesars 15	RD/R	Aug 31/09	5.07.75*	156	Patrick Bedell (516) 761-5293	Excellent feet and is elusive and if he was 5 inches taller, he'd be a 1st rounder. Its tough defend at his size but he does have skill. Honestly, with his skillset I might make him a forward
149	Heath, David	London	RC/R	Apr 9/09	5.09.25*	153	Eric Faion (647) 888-4004	Heath was the best Player on the worst London Team we have seen in years. He skates well, is strong on pucks and had to do too much but I commend him for agreeing to play there and not bail on his teammates.
150	Crawford, Cole	York Simcoe	RC/R	Apr 27/09	5.08.25*	144	Rob Hooper (519)-501-9069	I wanted to like him after I saw him early but YSE was underwhelming all year and he played with Edgar a bit but smallish and not gritty enough

NACS 2025 OHL FINAL Draft Rankings

151	Coombe, Colby	Det. HoneyBaked 15	LW/L	Dec 15/09	6.01.5*	179	Shawn Hunwick (586)-822-0670	Coombe's feet are the issue for the big kid but he hard on the wall. He actually reminds me of a Kid I LOVED last year named Stephen King but Coombe's feet are a concern
152	Popovskiy, Ari	Chicago Mission 15	LD/L	Jul 22/09	5.11*	189	Mark Toof (484) 535-0889	Pretty skilled Defenseman that has good individual skills but struggled at times by trying to force passes
153	Mackay, Chase	North Central	LW/L	Aug 10/09	5.09.5	156	John Jorginson	Combined a steady aggressive effort with some touch with the puck. Is another underrated guy because of the Team he played with
154	Chisholm, Maclean	Quinte	LC/L	Jan 2/09	5.09*	150	N/A	Chisholm is a slippery and skilled smaller forward that can get to the net. Was a point per game Player for Quinte
155	Lamb, Ben	North York	RW/R	Mar 4/09	6.03*	192	Rob Hooper (519) 501-9069	A big body winger that showed on some nights that he has a chance to play but other nights, he had a hard time keeping pace or making a difference
156	Cumming, Lincoln	Don Mills	RC/R	Feb 13/09	5.10.5*	165	Dave Maloney (416) 427-2244	Another Kid that probably would have shone on a lesser Team and he was an important piece but never got the opportunities he probably deserved. There are always a couple Kids from powerful Teams that don't turn out and I'm not sure Cumming isn't one of them.
157	Feiner, Nate	Vaughan	LC/L	May 18/09	5.08*	152	Greg Landry (905)-275-2800	Kid plays like his hair is on fire. Never takes a shift off and created energy for Vaughan. He is small and does he have enough skill?
158	Pszeniczny, Adam	Soo U16 AAA	RC/R	Mar 24/09	6.00*	164	Adrian Gedye (705) 929-6127	Big and lanky Centreman from the Soo that shows flashes but disappears for long stretches. Was just OK at OHL Cup. His Brother played for me and was a Niagara Draft & it was the same issues.
159	Lee, Tyler	Don Mills	LC/L	Feb 27/09	5.07.5*	147	Dylan Liptrap (905) 466-3492	Excellent skill and loves to play fast and I'd take a flyer on him but I think he ends up as an ELITE Tier 2 Player
160	Synnott, Jayson	North York	LD/L	Oct 23/09	6.01.5*	191	John Walters (416) 919-7102	Good sized D that has an outside chance to be a bottom pairing guy. Got better but still a long way to go
161	Mars, Mitchell	Fox Motors 15s	RC/R	Jan 3/09	5.11.75*	190	Adrian Soun (416)-737-0716	Captain of a bad team that does a lot of things right but his overall skillset is less than ideal
162	Davies, Alexander	Toronto Marlboros	RW/R	Jun 14/09	5.11.75*	170	Rob Hooper (519) 501-9069	Always left me wanting more. One of those guys that may have topped out in Major Bantam. Was OK but didn't get enough done and thus the disappointing Marlie year

NACS 2025 OHL FINAL Draft Rankings

163	Adams, Maxwell	Det. Little Caesars 15	LC/L	Jan 16/09	5.07.25*	147	N/A	Tiny but has shown he can create offense off the rush. I have no clue about Parental sizing but is a classic "NCAA type" player that will get a commitment but will need a place to play
164	Lisi, Alexander	Sun County	LW/L	Jul 3/09	5.08.5*	178	Shawn Hunwick (586) 822-0670	Small little guy that was never short on effort and at times had some PP success but unless he grows, he will be a Junior B star
165	Hicks, Gavin	North York	RD/R	Jan 15/09	6.01.5*	167	John Walters (416) 919-7102	A big bodied RD that was impressive at the NACS Camp last August but really struggled to put it together all year in North York. Worth a late pick because he is 6'2 and a RD
