

Eye Tests at Home

Same standard as the high street — without leaving your armchair

NATIONWIDE NHS-CONTRACTED SERVICE

Funded sight tests

Mobility issues, age, or just hate the high street?
We bring the clinic to you.

WHAT WE OFFER

Full Eye Exam

Comprehensive sight test in your home. We check for glaucoma, cataracts and macular degeneration.

Glasses & Lenses

Mobile range of frames. Single vision, bifocal & varifocal — delivered and fitted at home.

Specialist Care

Low-vision aids, hospital referrals, ongoing advice. Glaucoma specialist on the team.
