

Letter from the President

HELLO LADIES:

Ready, Set, Go!

As we come together each season, I want to share my hopes and expectations for all of us in the league. They are values I believe are essential to creating a positive, supportive and enjoyable environment for every member. By embracing these expectations, we not only honor the spirit of the game but also strengthen friendships, fairness and fun that make our league such a special place to be.

I believe a little competitive spirit encourages players to sharpen their skills, stay engaged and strive for personal bests, while still supporting one another.

I believe respecting the rules ensures fairness, reduces misunderstandings and maintains the integrity of the sport, so everyone can focus on playing and having a great time.

I believe players are more likely to keep coming back when the emphasis isn't just on winning, but enjoying the game, socializing and celebrating each others successes.

I believe by balancing fun, friendly competition and good sportsmanship, we can make our league a welcoming place where every player can thrive and enjoy the game!

Let's join together in embracing these expectations - not as rules that bind us,

but as shared values that help us create an amazing community of women golfers! I'm excited to move forward alongside each of you making this season one to remember!

Strength lies in unity; together we are more!

Let's have fun,
Nury

Three Clubs and a Putter:

What a beautiful afternoon it was for the game of Three Clubs and a Putter! Eighteen energetic ladies took to the course, ready to make the most of a challenging game. With only a few clubs in hand, everyone had to think smart and play strategically. Yet, a few ladies still managed to play a great round - must be magic in those three clubs!

This challenging game served as a “warm-up” round getting everyone in the swing of things and ready for the Season Opener.

It was an afternoon filled with laughter, good natured competition and friends enjoying each other's company on the back nine. After the round, we gathered in the Bar/Grill for a thirst quenching drink, munched on salty snack and waited for Katelin to share the game's results. Spirits were high, and it was clear we're all eager to “tee off” to another great season together.
