

Dear Members:

They say golf is a game of patience, strategy and the occasional good swing, plus a lot of laughs when things don't go exactly as planned. I'm excited to get back out on the course and share those moments with all of you!

As we look ahead to another golf season, planning is a little challenging at this moment. We are still awaiting confirmation on the course's grand re-opening and any limitations we might face. Despite that, the board and I are excited and hopeful for what's to come.

Albeit a slightly condensed season, we will continue with many of our favorite games and will be adding a few new ones too. Our special events such as Three Queens and a King, Member/Guest Day and Queen Bee will be played. We will still have Awards and Recognition towards the end of the season. These events will have the same excitement filled with lots of fun and camaraderie.

Let's remember that our group is all about taking the rules of golf seriously while keeping the game light and enjoyable. Our goal is to improve our golf skills, but just as importantly, to create a friendly and welcoming environment where everyone wants to keep coming back, not just for the golf, but for the friendship, laughter and the joy of spending a few hours together on a beautiful course.

We love being outdoors, enjoying the wildlife and being mindful of the peaceful surroundings that make golf so special. Golf is a game that unites us all around a common goal. Your score or handicap is really not the focus here, because golf is a game of ups and downs and no one really cares about perfection. At Ladies 9, we like to keep things fun, supportive and inclusive for everyone. We're thrilled to have you as part of our golf family where the love of the game and friendship come first!

I appreciate your patience and encourage everyone to remain flexible as things unfold. Together we will make this an exciting season filled with friendship, fun and great memories.

I'm excited to see all of you very soon!

Calendar of Events

Consider the events you see here as a sneak peak of the exciting season ahead! While exact dates are still being finalized, we want to give an early glimpse so you can start anticipating what's to come.

My plan is to begin league play on the Tuesday following the reopening of the course. While we are not completely certain of the exact date, I am hopeful the course will reopen sometime in December. I kindly ask everyone to remain flexible as we await confirmation. I know all of us are very eager to get back on the course and start playing.

December: Candle Exchange

The Candle Exchange has become an annual tradition among our ladies. It's a wonderful way to kick off the holiday season with warmth and merriment, even though it doesn't involve golfing. Participation involves purchasing a candle of your choice, priced around \$15 to be placed anonymously in a gift bag. We'll all gather at the Bar/Grill room

for festive songs, cookies, activities and possibly a surprise visit from ...you'll have to attend to find out. It's a joyful occasion and we hope you'll be able to join us!

Our much anticipated Welcome Back event, themed Polka Dots and Pearls might take place in December. If the club isn't ready by then, we'll hold it in January as we get the go-ahead from the clubhouse.

January:

Three Queens and a King

Date: TBD but will be a 1:00 shotgun with awards and taco bar to follow the game. Be thinking of asking your spouse to participate.

February:

Member/Guest Day

Date: TBD

Theme: **At The Hop**, 1:00 shotgun, late lunch and awards to follow the round.

Get ready to travel back in time with our upcoming Ladies 9 golf event themed "At The Hop". Dust off those poodle skirts, pink jackets, anything 1950's inspired and bring that fun vintage vibe to the course. More details will be coming your way as the event date approaches.

March:

Queen Bee

Dates: TBD. 1:00 shotgun

Get ready to spread your wings for our Queen Bee event. It's a buzzing two day golf challenge you won't want to miss. Play one day or both. The sweet twist is your worst score, on each hole, over the two days gets dropped.

March:

Season Closer & Awards and Recognition

Date: TBD

We'll come together after the round (1:00 shotgun) for an opportunity to celebrate all of us for being part of Ladies 9. We'll also congratulate a few standout ladies for best attendance, most pars/birdies and most improved. All members will receive a gift to recognize their participation and spirit because everyone of you makes the league special!
