## Tuition Payments: Monthly tuition installment payments will be charged to the card placed on file on the 1st\* of each month.

**Dunne's Payment Policies, also stated on the 'Online Agreements for Web Registration, All Class Families:** I agree to be responsible for payment of tuition for all classes reserved for the enrollee for the ENTIRE session enrolled (The Fall Session is September-December, Winter Session is January-March, the Spring Session is April-June) by making monthly installment payments on the first (depending on the business day) of each month with the card placed on file unless payment is made by cash or check 3-5 business days prior to the first of the month. I understand that my child is automatically enrolled into later sessions (winter and spring) unless I fill out the online drop form during the time allotted by Dunne's Gymnastics. If paying by cash or check, payments are due 3-5 business days before the first of each month; otherwise, the card on file will be charged automatically for the total accrued balance on the first of the month (depending on the business day). Unpaid balances as of the 15th of the month are subject to a \$20 late fee. A registration fee of \$45 per student, or \$90 per family is due upon registration using the card on file. If left unpaid by the first of the month, the card on file will be automatically charged for any accrued amount. I understand that there are no refunds of registration fees or tuition paid. In addition, any check returned to the school unpaid by my bank will be subject to a \$30 service charge. All payments are final. Requested payment method credit card charges are subject to a \$25.00 processing fee. Any unpaid balances after 90 days will be handed over to a collection agency and students will be dropped from the program. **Discounts for All Classes, Team, and Preteam:** September through June family discounts are as follows: 10% for 2nd child, 15% for 3rd child and each child thereafter. There are no family or multi class discounts for the summer session. Students enrolling in more than one week of full day camp will receive a \$25 discount on each additional week of enrollment.
