Inglis Falls Upgrades

One of three waterfalls that surround the city of Owen Sound, Ontario, Canada, Inglis Falls is the largest and most impressive. It is also the most visited. 237785 Inglis Falls Rd, Owen Sound

Grey Sauble Conservation Authority (GSCA) is excited to announce the completion of major accessibility upgrades at Inglis Falls Conservation Area, one of the region's most popular natural destinations.

Guided by community input and recommendations outlined in the Inglis Falls Management Plan, this project focused on addressing key accessibility barriers to help ensure the conservation area is welcoming and inclusive for all visitors. Public feedback gathered through a 2024 accessibility survey also played an important role in shaping the final design.

The project included renovating the existing washroom facilities to add two gender-inclusive, accessible washrooms, both equipped with automatic doors and baby changing stations.

A new paved pathway has also been implemented to improve access to the washrooms and the existing viewing platform that overlooks Inglis Falls. GSCA plans to further enhance accessibility at this property by incorporating additional features in the future.

"These improvements represent an important step

toward making Inglis Falls more accessible to visitors," said GSCA's Operations Manager, Morgan Barrie. "By creating spaces that are inclusive and barrier-free, we are fostering greater participation in outdoor experiences and encouraging more people to connect with nature."

GSCA extends its sincere thanks to the local businesses who went above and beyond to support this initiative. Chris Robertson and the team at Extreme Linings and Coatings made the accessible trail to the lookout platform a reality. Patrick McCormick of McCormick Painting and Drywall volunteered his time and expertise to paint both the interior and exterior of the washroom facilities, and Madison Macdonnell from Grey Bruce Paint & Decor generously donated all the Benjamin Moore paint used for the project.

Visitors are invited to experience the new accessible features at Inglis Falls Conservation Area and enjoy everything this iconic property has to offer. The conservation area is open daily from dawn to dusk, with parking available for \$10 + HST per day. For those looking to explore even more, purchasing a Membership Parking Pass offers year-round access to multiple GSCA properties. Parking Passes are also available to borrow from libraries throughout the GSCA watershed, making it even easier to get outside and enjoy nature!

Town Conducting Poison Ivy Spot Spraying on Georgian Trail - June 16

The Town of The Blue Mountains would like to advise the public that poison ivy weed spraying will be conducted on the Georgian Trail during the week of June 16, 2025. The herbicide spot-treatment will be conducted by Eagles Weed Control along the sides of the trail where poison ivy is present.

Signs will be installed at each end of the areas being sprayed. Residents are asked to stay in the middle of the trail during weed spraying to avoid contact with the herbicide.

For more information, please contact: Community Services

2025 Gravel Road Maintenance Starting This Week

The Town of The Blue Mountains would like to advise residents that gravel road maintenance work is scheduled to begin Thursday, June 12, and will be completed on various Town roads by early July. This work is being conducted as part of the Town's annual road maintenance program.

This work will include grading, addition of maintenance gravel as needed and application of Calcium Chloride which acts as a binder and dust suppressant.

Temporary lane closures will be used when necessary to allow Town crews to complete the work. All gravel roads are maintained in accordance with Provincial Standards.

The Town of The Blue Mountains proudly announces the launch of the Corporate Strategic Plan project, Our Path Forward: The Blue Mountains Corporate Strategic Plan, which aims to define long-term goals and strategically allocate resources to guide the Town's future development.

To introduce the project, a public open house has been scheduled for **Tuesday, June 17, from 5:00 – 7:00 p.m., at Town Hall**. The meeting is open to all residents, and pre-registration is not required. The meeting will begin with a presentation and will include an open question-and-answer session, followed by an informal opportunity for residents to share feedback and learn about the project.

Joanne Hart publishes her first book

It's never too late to pursue your passions. Joanne Hart has always loved storytelling starting with the bedtime stories she told her sons when they were young. She loves fairy tales herself and enjoys creating fun characters that get kids excited. One particular story grew into a lengthy generational tale that needed to be put to paper. After drafting a manuscript, Joanne let it sit on the shelf for several years before finally realizing how important it was to her that her sons have this story to share with their own children. It was time to find a publisher for this first-time author and so **The Wicked Spells of Hagatha** came to fruition. This fantastical story bewitches the imagination challenges readers with riddles and demonstrates a valuable lesson. It's a young reader's book suitable for ages 7 to 11 available locally at Jessica's Book Nook in Thornbury, the Book Hive in Meaford as well as local Libraries in Meaford, Thornbury and Collingwood.

Pick up a copy and share it with your kids and grandkids.

Weekly cleaning needed Fridays at cottage starting June 27th.

Financial Update on the new Craigleith Fire Station No. 2

Council received Staff Report CFS.25.036, on June 10th with a request to approve an increase of \$3,338,073 to the project budget to reflect final tendered construction costs, allowing the project to proceed without delay.

The tender for the construction of the new Fire Station in Craigleith closed on June 3rd with submissions from four (4) prequalified contractors. The lowest compliant bid is \$13,768,249.

The Town currently has a remaining budget of \$12,500,000 which is insufficient to cover the full scope of the project and its related components. To complete the work, an additional \$3,338,073 is required, bringing the total project budget to \$15,838,073.

This request for additional funding does not account for the anticipated \$1,500,000 grant from the Federation of Canadian Municipalities (FCM), nor the potential \$10,000,000 interest-free loan that may also be available.

The Town is well-positioned to receive the grant, which would reduce the net project cost to \$14,338,073 and result in a budget shortfall of \$1,838,073. However, while there is a strong possibility of receiving this funding, it is important to recognize that grant approval is not guaranteed.

Overall Cost Analysis

Total Tendered Amount	\$ 13,768,248
Additional Costs not included	
Station Alerting	150,000
IT Infrastructure	80,000
Furniture and facility fit-up	100,000
Additional Engineering Services	300,000
Contingency	1,439,824
Actual Total Project	15,838,073

Cost Remaining Budget	- 12,500,000
Expected Budget Deficit	3,338,073

Budget/Grant Analysis

FCM Grant	1,500,000
FCM Loan	10,000,000
Expected Project Cost including Grant	14,338,073
Amended Project Override including Grant	1,838,073

Six Grey County Paramedics Receive Medical Directors' Commendation Awards

From left to right, Dr. Sunil Mehta, Paramedic Todd Neerhof, Grey County Warden Andrea Matrosovs, Paramedic Reid Milne-O'Neil, and Paramedic Chief Kevin McNab. Not featured: Paramedics Jay Thomson, Autumn Colwell, Lynda Fiske, and Andre Lefebvre.

Six Grey County paramedics have been recognized by the Southwest Ontario Regional Base Hospital for providing exceptional prehospital care. Paramedics Reid Milne-O'Neil, Jay Thomson, Autumn Colwell, Todd Neerhof, Lynda Fiske, and Andre Lefebvre were presented awards during a special presentation at Grey County Council on June 12, 2025.

Dr. Sunil Mehta presented the awards on behalf of the Southwest Ontario Regional Base Hospital program.

"These paramedics were involved in remarkably stressful situations. All six of them demonstrated excellent care, excellent reasoning, and exceptional strength in providing the best care possible to their patients in unusually difficult scenarios," said Dr. Mehta.

The Medical Directors Commendation Award is awarded to paramedics who demonstrate excellence in prehospital and paramedic care. Recipients displayed outstanding clinical judgement and leadership during a dramatic call.

Grey County Paramedic Chief Kevin McNab expressed his gratitude to his team and congratulated them on their accomplishment. "I'm incredibly proud of Lynda, Autumn, Andre, Todd, Jay and Reid for their professionalism and the exceptional job they do on every shift and every call. Working as a paramedic is a mentally and physically demanding role and I'm grateful they are being recognized by the base hospital for their commitment and dedication to supporting community care in Grey County," said Chief McNab.

More information about the Southwest Ontario Regional Base Hospital Program and the Medical Directors Award of Excellence can be found online at sworbhp.ca/medical-directors-award-of-excellence/.

About Grey County Paramedic Services

Grey County Paramedic Services provides emergency ambulance service and innovative community paramedicine services throughout Grey County. Serving the province's fourth largest geographical county, Grey County paramedics receive more than 30,000 calls annually.

About the Southwest Ontario Base Hospital

The Southwest Ontario Regional Base Hospital Program (SWORBHP) is one of eight Regional Base Hospitals in Ontario (7 land and 1 air), dedicated to medical direction, leadership and advice in the provision of prehospital emergency health care.

Prime Minister Carney announces Canada's G7 priorities ahead of the Leaders' Summit

Fifty years ago, in the face of upheaval and geopolitical tensions, a small group of advanced economies formed what is now the G7 – a forum for co-operation, stability, and shared prosperity.

In 2025, as global challenges intensify, the G7 must meet this moment with purpose and with force.

Prime Minister, Mark Carney, announced the priorities that will guide Canada's 2025 G7 Leaders' Summit, to be held in Kananaskis, Alberta, from June 15 to 17, 2025.

Anchored in building stronger economies, Canada will seek agreements and co-ordinated action on three core missions:

- Protecting our communities and the world – strengthening peace and security, countering foreign interference and transnational crime, and improving joint responses to wildfires.
- Building energy security and accelerating the digital transition – fortifying critical mineral supply chains and using artificial intelligence and quantum to unleash economic growth.
- Securing the partnerships of the future – catalyzing enormous private investment to build stronger infrastructure, create higher-paying jobs, and open dynamic markets where businesses can compete and succeed.
- Other discussions will include a just and lasting peace for Ukraine and other areas of conflict around the world, and a forward-looking agenda that engages partners beyond the G7, recognizing that our long-term security and prosperity will depend on building coalitions with reliable partners and common values.

Quick Facts

This is the seventh time that Canada has held the Presidency of the G7.

This year's Leaders' Summit in Kananaskis, Alberta, will take place on the traditional territory of the Blackfoot Confederacy Nations of the Kainai, Piikani, and Siksika, and the Stoney Nakoda Nations comprised of the Bearspaw, Chiniki, and Goodstoney First Nations, and the Tsuut'ina First Nation.

We also acknowledge the Otipemisiwak Métis People and Government who reside on this territory and all people who make their homes in the Treaty 7 region of Southern Alberta.

Anonymous Donor Issues Matching Challenge to Support Brightshores Meaford Hospital ER

In an extraordinary show of generosity, an anonymous donor has stepped forward to support the Meaford Harbour 5k Run/Walk by offering a matching donation challenge aimed at enhancing emergency care at Brightshores Meaford Hospital.

From June 1 to July 12, 2025, every dollar donated in support of the event will be matched one-for-one, up to \$20,000, effectively doubling the impact of contributions. The funds raised will go directly toward essential upgrades and improvements to the Emergency Room Department at Brightshores Meaford Hospital ensuring better patient care and modernized equipment for the growing community.

The Meaford Harbour 5K Run/Walk is a beloved community event that encourages fitness, fun, and fundraising for local healthcare. This year, the event goal is to raise \$100,000 — every dollar raised during the matching challenge period will maximize the positive impact by providing critical support for ER upgrades that benefit the entire region.

"This matching gift is an incredible opportunity for our community to come together and strengthen local healthcare," said event organizers. "We are deeply grateful to the anonymous donor who is helping to amplify the impact of every contribution."

Funds raised will support essential upgrades to the ER department, including modernized equipment, improved patient care spaces, and enhancements that will help Brightshores Meaford Hospital continue to deliver exceptional emergency care to the growing community.

How to Participate:

Local Members of Provincial Parliament Excited to Announce Transit Funding for Bruce, Dufferin, and Grey Counties

GREY – The Members of Provincial Parliament representing Bruce, Dufferin, and Grey counties are excited to share that the three counties will be receiving a \$9.495-million investment from the Province of Ontario through the Ontario Transit Investment Fund for an integrated regional transportation service. The Hon. Sylvia Jones (MPP for Dufferin—Caledon and Ontario's Deputy Premier and Minister of Health), Brian Saunderson (MPP for Simcoe-Grey), the Hon. Lisa Thompson (MPP for Huron—Bruce and Ontario's Minister of Rural Affairs) and Paul Vickers (MPP for Bruce—Grey—Owen Sound) made the announcement on Friday.

OTIF helps municipalities, Indigenous communities and not-for-profit organizations start up or expand transit services in unserved or underserved parts of the province, particularly in rural communities. The budget for OTIF is \$5 million a year starting in 2025-26. Successful applicants receive funding of up to 50 per cent of project costs for up to five years for projects that encourage integrated, coordinated and sustainable transit services.

This local project, led by the County of Grey, will be funded over the course of the next five years. This year, funding will continue Route 2 of the Grey Transit Route between Orangeville and Dundalk, while supporting necessary studies to help build an integrated local transportation system between the project partners. Funding in subsequent years will help support the capital and startup costs associated with this project. Project partners include the counties of Bruce, Dufferin, and Grey, as well as Saugeen Mobility and Regional Transit (SMART). Funding will be allocated to the project partners as follows: \$145,000 in 2025-26; \$2,500,000 in each of 2026-27, 2027-28, and 2028-29; and, \$1,850,000 in 2029-30.

"Under the leadership of Premier Ford, our government is ensuring all Ontarians, including those in rural communities, have access to reliable transportation to get them where they need to go, when they need to get there," said Prabmeet Sarkaria, Minister of Transportation. "As part of our plan to protect Ontario, we're investing in local transit services that connect people with good-paying jobs, housing and other opportunities."

"Whether it's small businesses attracting customers and employees, students getting to school, or families visiting loved ones, our government's investment in regional transit is helping rural communities remain vibrant and healthy places to live, work and do business," said Thompson, Ontario's Minister of Rural Affairs.

"Our government is investing to ensure communities in Dufferin County and beyond have more options when it comes to safe, reliable transit," said Minister Jones. "This funding will connect people to jobs, services, and more, supporting a stronger, more accessible Ontario."

"From the time I started serving as MPP for Bruce—Grey—Owen Sound, I have heard just how important local transportation is," said Vickers, the first term MPP for Bruce—Grey—Owen Sound. "I am very grateful to the government for making this \$9.495-million investment in a coordinated transportation solution to connect residents to their communities and new opportunities."

"This investment is great news for communities across Grey, Bruce, and Dufferin Counties," said Saunderson. "By unifying our existing transit services into a single regional network, we're helping people get where they need to go more easily—whether it's to work, school, medical appointments or community events."

More details regarding this project will be released by the project partners as they become available.

QUICK FACTS

OTIF funding will expand access to transit services for almost 1.5 million people.

Connecting communities underserved by passenger transportation services is one of the actions in the province's regional transportation plans for southwestern Ontario and eastern Ontario.

Launch of Corporate Strategic Plan Project and Community Open House

Press Releases: June 3, 2025

The Town of The Blue Mountains proudly announces the launch of the Corporate Strategic Plan project, Our Path Forward: The Blue Mountains Corporate Strategic Plan, which aims to define long-term goals and strategically allocate resources to guide the Town's future development.

To introduce the project, a public open house has been scheduled for Tuesday, June 17, from 5:00 – 7:00 p.m., at Town Hall. The meeting is open to all residents, and pre-registration is not required. The meeting will begin with a presentation and will include an open question-and-answer session, followed by an informal opportunity for residents to share feedback and learn about the project. The presentation and question-and-answer session will be recorded and posted on the project webpage.

To lead the project, the Town has engaged StrategyCorp, a leading strategic management consultant for Canadian municipalities. StrategyCorp provides strategic advisory services, including government relations, strategic communications, and management consulting, to organizations operating in complex, highly regulated, and scrutinized environments. The project team is led by Sabine Matheson and Stacy Hushion, both with extensive municipal and government experience across Canada.

By updating the Town's Corporate Strategic Plan, Council aims to reaffirm the Town's vision, mission, and values, while setting strategic priorities for growth. The plan ensures alignment between Council and the community and addresses the Town's financial and operational needs amidst current social and economic challenges.

To learn about the project and to subscribe for email updates, visit: www.thebluemountains.ca/Our-Path-Forward

Notice of Watering Restrictions

June 1, 2025 - September 1, 2025

The Town of The Blue Mountains would like to remind residents that Watering Restrictions are implemented annually from June 1 to September 1.

Stage 1 Water Use Restriction

- Residents may water between the hours of 7:00 a.m. and 9:00 a.m. and 7:00 p.m. and 9:00 p.m.
- Properties with odd numbered addresses can water on odd numbered calendar days
- Properties with even numbered addresses can water on even numbered calendar days

Lawn Watering and Tips to Conserve Water

Water only when necessary and according to the Town's Water Use Restriction guidelines.

A brown lawn doesn't always indicate a dead lawn. Brown lawns can recover their green colour after rainfall or cooler weather.

- Avoid frequent watering. Watering too often can cause your turf to develop shallow roots
- Promote a healthy lawn by aerating and mowing no shorter than 7.5cm
- If most of the lawn looks green, only water the dry spots
- When reseeding or planting, consider drought-resistant grasses, which are often more resistant to insects and disease
- Use a rain barrel
- Program irrigation systems to water deeply but infrequently and within Water Use Restriction guidelines
- Leave grass clippings on your lawn after mowing
- Check for leaks in your garden hose

Notice of Public Meeting: Proposed Property Standards By-law

Date of this Notice: June 2, 2025

Tuesday, June 24, 2025, at 9:30 a.m.

Hybrid Format: In-Person AND Virtual/Online

Town Hall, Council Chambers

32 Mill Street, Thornbury, ON N0H 2P0

What is being proposed?

The proposed Property Standards by-law will repeal and replace the current 2002-18 By-law to better address property standard and maintenance issues across the entire municipality.

Key changes include:

- Expansion to cover all areas of the municipality
- Inclusion of natural gardens, naturalized properties and Town-owned lands
- Enhanced buffering requirements for Commercial and Industrial Zoned properties
- More detailed standards for the maintenance of grading and drainage systems
- Introduction of standards for Heritage properties

Additionally, the current infraction process under the Provincial Offences Act (POA) will transition to the Town's Administrative Monetary Penalty System (AMPs).

For more information, visit

www.thebluemountains.ca/property-standards

The Staff Report and Proposed By-law are also available on the Town website.

When will a decision be made?

It is important to note that a decision on the Proposed Updated Property Standards by-law and Proposed Updated Administrative Monetary Penalties has NOT been made at this point and will NOT be made at this Public Meeting. After reviewing Staff Report CS.25.016 and comments from the public, Staff will bring its recommendations to a future Committee of the Whole Meeting.

Questions? Want more information? Ask a Staff Member!

Debbie Young, Manager of By-law & Licensing

Phone: (519) 599-3131 ext. 242; Email: dyoung@thebluemountains.ca

How can I make my views known about this proposal?

Any person or agency may provide comments on this matter in writing or verbally at the Public Meeting.

Comments at the Public Meeting assist the Town and Council in their decision-making process, so be sure to have your say!

How do I submit my comments?

Written Comments – You are encouraged to provide your comments or questions in writing using email or regular letter mail to the Town Clerk. Written comments received by **9:00 a.m. Friday, June 20, 2025**, will be read by the Town Clerk at the Public Meeting for the benefit of everyone in attendance and will be included in the record of the Public Meeting.

Comments can be faxed to (519) 599-7723, or emailed townclerk@thebluemountains.ca.

Any submitted comments become part of the **public record**, including names and addresses.

Verbal Comments – This Public Meeting is a hybrid meeting, allowing the public to attend the meeting in person or virtually. Those that wish to make verbal comments **virtually** are required to pre-register with the Town Clerk, no later than five business days in advance of the Public Meeting, by **Tuesday, June 17, 2025**.

Anyone wishing to provide their verbal comments **in person** at the Public Meeting, can attend the Town Hall, Council Chamber.

Want to be notified of a decision?

You must make a request in writing to the Town Clerk if you would like to be notified of a decision on this proposal to:

Corrina Giles, Town Clerk

Town Hall, 32 Mill Street, Thornbury, ON

Spinning Wheels Tour - Pedalling for Parkinson's Team

Hear the teams compelling story including a slide show of
how they completed their journey last September.
After cycling 10,000 kms across Canada – through all ten provinces plus the
Yukon and North West Territories – cyclists who are living with Parkinson's and
their supporters ended their ride with a celebration in Ottawa!
The team will also share what is in store for this summer's tour.

Welcome from local dignitaries
Healthy snacks, lunch and beverages will be provided.

Saturday July 5

2:00 - 4:00pm
The Gallery, L.E. Shore Library,
173 Bruce Street S., Thornbury

Hailing from Saugeen Ojibway Nation 29, Robert J Henry brings his latest exhibition, *Our Bundle, Our Medicine*, to The Gallery at L.E. Shore.

A bundle is something we gather over time—tools, that help us live in a good way and support us through life's more difficult moments. Robert once asked an Elder, "How do I start my bundle?" The Elder chuckled and replied, "You already carry your bundle: your brushes." After a devastating accident, a profound healing journey began to unfold for Robert. His brushes—his bundle—became an essential part of that process.

Join us for the opening reception on July 5 from 2:00–4:00 PM. Meet Robert, explore his powerful new body of work, and reflect on what might be in your own bundle. This event is free to attend and no registration is required. All welcome!

About the Artist
Ojibway Artist Robert J Henry was born in 1979 in Collingwood, Ontario, Canada, and currently resides in Saugeen Ojibway Nation #29. His journey with acrylics started in 1995.

A self-taught artist, his inspiration comes from many First Nations artists and master artists of the past. He uses both traditional painting techniques and his own methods learned from trial and error. Robert is of the Bear clan. His spirit name is "Sagajiwaygeezhig."
"Coming from the sun."
