2026 Town Budget

The Proposed Budget has been released including the 2026 operating budget and a ten-year capital budget. The purpose of the proposed budget is to serve as a starting point for budget discussions with Council and members of the public.

The budget will be reviewed and deliberated by Council at a series of special budget meetings.

Each year, the Finance Department leads the preparation of the annual budget for the Town. As part of the Strategic Plan to ensure long-term financial stability of the community, the Town is committed to community involvement and feedback throughout the budget process.

1. Attend an in-person meeting

A Public Meeting will be held following the posting of the updated draft budget, where you can speak directly to all of Council. Everyone is welcome.

2. Contact a member of Council

Council contact information can be found on the Council webpage.

3. Submit a letter or email

www.thebluemountains.ca/participate

Developing the annual budget involves several months of planning and coordination among Town Staff, Council, and stakeholders. This process involves extensive consultation with the public and ratepayers, ending with the development of a three-year operating budget and a five-year capital budget for the following year.

The Town's budgeting goal is to ensure, through prudent fiscal planning, the long-term economic sustainability of the community.

2026 Key Dates

October 7th - The draft budget book will be posted to the Town website for residents to review

October 14-17th - A series of special budget meetings will be held for Council and staff to review the draft budget

October 20th - Following the special budget meetings, Town staff will provide a report with budget-related recommendations and request direction to proceed to the Public Meeting

November 10th - A Public Meeting will be held to receive comments on the updated draft budget

November 17th - A staff report will be presented at the Committee of the Whole meeting summarizing comments received at Public Meeting and providing further budget-related recommendations to Council

December 1st - Council will consider the recommendation from the November 17 Committee of the Whole meeting, with direction to approve the 2026 Budget through the approval of the By-law

Please note that these dates are tentative and subject to change.

Resident, business and visitor demand for services and the community's ability to pay for these services guide municipal spending. As infrastructure ages, funds must

be committed for proper maintenance and refurbishment.

The Town recognizes that taxpayers are demanding value for their money. A balance must be achieved between demand for services and the taxpayers' ability to pay for these services. The Town must ensure that services, programs, and facility commitments are sustainable now and in the future.

There are a number of factors that affect the preparation of the annual budget, including inflation, growth, development activity, economic trends, changing market conditions, taxation issues, and policy decisions of Council.

Town Welcomes Dr. Sonia Bali as New Local Family Doctor

On behalf of the Family Physician Recruitment Working Group, the Town of The Blue Mountains is excited to welcome Dr. Sonia Bali as a new family doctor serving the local community.

Dr. Bali is an internationally trained Family Physician who will be joining Dr. Naomi Klages at The Blue Mountains Community Health Centre, located at 78 King Street East in Thornbury. Before coming to The Blue Mountains, Dr. Bali practiced in health care facilities across Alberta and Manitoba. In addition to providing care at the Blue Mountains Health Centre, Dr. Bali will also support patients at Meaford Hospital and residents in Long-Term Care facilities in Thornbury and Meaford.

Community Improvement Plan

The Fall 2025 intake period for applications to the Town's
Community Improvement Plans is open from **September 15, 2025,
until October 17, 2025**.

The Town has two Community Improvement Plans:

In 2021, the Town of The Blue Mountains developed two Community
Improvement Plans to serve as a long-term strategy to revitalize the
community, improve the quality of life of the community's residents,
better utilize under-developed properties and promote private
investment in land and buildings.

The Town Wide Revitalization Community Improvement Plan
encourages private property improvement and revitalization.

The Housing Within Reach Community Improvement Plan facilitates
the development of attainable housing.

Interested applicants are encouraged to arrange a pre-application
consultation with Town Staff to discuss and confirm application
requirements. Following the consultation, applicants must submit a
completed application form, including supporting documentation
for evaluation. Strategic Initiatives (519) 599-3131 ext. 269

Application Process

- Applicants are required to contact the CIP Administrator to
arrange and participate in a pre-application consultation meeting
with Town staff, in order to discuss and confirm application
requirements, program eligibility, the proposed scope of work,
project timing, supporting documentation requirements, etc.
- After the consultation, the applicant will be required to submit a
completed application, which will include all of the application
forms, in addition to any supporting documentation, as required
by the Town.
- Once all the required forms and supporting materials are received,
the Plan Administrator will undertake a preliminary screening of
the proposal and application.
- Based on the application and proposal, the results of the
preliminary screening, Town staff may perform an initial site visit
and inspection of the building/property, as necessary.
- If the application clearly does not meet the program requirements,
the application will not be accepted.
- If the application meets the program requirements, the application
will be accepted. Acceptance does not guarantee financial
incentive approval, only that it will be reviewed by Council or a
delegated approval authority for final financial approval.

Explore climate action stories from across Grey County!

The climate is changing, and these changes are affecting the people and places that we love, right here in Grey County. People from across the County are taking steps, big and small, to create healthy, prosperous communities for years to come. Climate change is not just about science, but it's also about stories – stories of resilience, creativity, and collaboration. Together, we are going green in Grey!

Explore the stories that make climate change truly local. Climate action takes many forms across Grey County – from backyard gardens to community repair cafes, from youth conferences to building retrofits. Each story offers a different path forward, and we invite you to learn from your neighbours and discover new possibilities for creating a greener Grey County!

Have a story? We'd love to hear it! Email your climate action story to climate@grey.ca.

New paramedic base opens in Durham

Grey County celebrated the completion of its new \$2.4 million paramedic base in Durham on September 27 with a ribbon-cutting ceremony and open house. The state-of-the-art facility, built by Domm Construction Ltd., replaced an aging base and was designed to meet growing service demands identified in the County's 2023 - 2033 deployment review.

Located beside the new West Grey Police Services, the solar-ready net zero facility creates a centralized emergency services hub. The project was funded through reserves, development charges, and a debenture. The design will be replicated for future bases in Feversham, Ayton, Thornbury, and Cobble Beach through 2028.

Grey County Archives celebrates 25 years in 2025!

Established at its first location in the former Glenelg municipal building in the Municipality of West Grey following a wave of municipal amalgamations in Ontario circa 2000. The Archives moved to its purpose-built home at Grey Roots Museum & Archives in 2004.

The holdings at the Grey County Archives, including materials to be processed, measure 1,669 linear metres (1.669 kilometres) comprising over 900 collections. The archives inherited museum archival collecting which began in 1955, along with the subsequent collecting efforts of the Grey County Historical Society. The Archives categorizes its holdings as municipal, private, media, school or Women's Institute.

Communique #1:

Update From The Special Advisor Regarding Work with The Board of Health for The Grey Bruce Health Unit

Date: Tuesday, October 7th

I am pleased to provide an update on my work as Special Advisor to the Chief Medical Officer of Health, Dr. Kieran Moore, in respect of the Grey Bruce Health Unit. To ensure the continued delivery of critical public health services, on August 14, 2025, the Chief Medical Officer of Health temporarily assumed the powers of the Board of Health under s. 77.1 of the Health Protection and Promotion Act to support operations.

As Special Advisor, my primary role, on behalf of Dr. Moore, is to work with the appointees to the Board of Health, staff at the Grey Bruce Health Unit, and municipal partners to develop and implement an Action Plan to build up the capacity for effective leadership, rebuild key relationships, and support long-term stability of the Board of Health/Health Unit.

Over the last few weeks, it has been my privilege to meet with current board appointees, health unit staff, and representatives from both Bruce and Grey Counties. My goal has been to better understand different perspectives and ideas. I want to thank all of those who have made time to meet with me for your support, candor, and commitment to moving forward together.

On October 3, 2025, I held the first of a series of consultations with governance partners, including current appointees to the Board of Health, representatives from the Office of Chief Medical Officer of Health, the Medical Officer of Health, at the Grey Bruce Health Unit, along with municipal leaders from both Counties as well as their Chief Administrative Officers.

At this meeting, we mapped out a strategy to move forward together to develop the comprehensive Action Plan needed to address the important findings documented through the independent assessment conducted under section 82 of the Health Protection and Promotion Act. In line with that strategy, we had a very good discussion about the skills that should be represented at a reconstituted Board of Health table to strengthen governance, accountability, and public confidence in the leadership of the Grey Bruce Health Unit.

I want to assure our community and partners that the important work of the health unit continues. I also want to acknowledge the positive commitment and support from both Counties for the continued delivery of public health services. I look forward to working closely with them and all the parties involved in public health here.

During this interim period, I am actively supporting Dr. Moore to make required decisions in his role in exercising the powers of the Board of Health. I want to reiterate that the Grey Bruce Health Unit remains fully operational. The dedicated professionals working at the Health Unit continue to deliver essential public health services with professionalism, compassion, and care.

I will write again soon to provide a second update.

Jim Pine, Special Advisor to the Chief Medical Officer of Health

Georgian Triangle Humane Society Launches its First-ever 50/50 Lottery - \$15,470 to date

Every ticket is a chance to fetch a win and give back to pets in need

The Georgian Triangle Humane Society (GTHS) is thrilled to announce the launch of its first-ever 50/50 Lottery, running from October 1st to November 30th, 2025. Supporters across the region have the chance to

win big while helping local pets in need.

The winning ticket will be drawn at the GTHS Holiday Open House on December 4th, adding even more excitement to one of the most festive events of the year.

Tickets are available at three price points: 5 tickets for \$10, 20 tickets for \$25, or 75 tickets for \$50, making it fun and affordable for everyone to get involved. With every ticket purchased, participants not only get a shot at the grand prize, but also help provide vital care for pets in South Georgian Bay at a time when support has never been more needed.

"We know our community wants to help, but donor fatigue is real," said Karen Marsh, executive director of the GTHS. "Our first-ever 50/50 Lottery is an accessible, exciting way for people to support the pets and programs they care about. It's fun, engaging, and you could win big -- all while making a meaningful difference for the pets who need us most."

Tickets go on sale on October 1st and will be available online at <https://www.rafflebox.ca/raffle/gths>. For more information, including how to purchase tickets and rules, visit <https://gths.ca/gths-5050>

The Final Tax Bill for 2025 is due Tuesday, October 21

With the postal strike causing delivery delays, residents are reminded that payments must still be made on time—even if your bill hasn't arrived by mail. The Town strongly recommends avoiding payment by mail during this time.

Convenient alternatives to pay your property taxes include:

- * In-person at Town Hall
- * Town Hall Drop Box (located at the east entrance doors)
- * Through your bank or financial institution
- * Through a mortgage company
- * Pre-Authorized Payment Plans

EXHIBIT OPENING: The Art of Being

Sat Nov 1st 2:00pm - 4:00pm

The Gallery at the L.E. Shore Library, 173 Bruce St. S., Thornbury.

Through a captivating exhibition of whimsical paintings, Anna Green delves into the power and grace of the feminine spirit and her interaction with the natural world.

The work is symbolic of finding joy, peace and grace. Cultivating self-love. Taking time for others. Practicing kindness to all living creatures. Immersing oneself in nature and nurturing a conscious awareness of one's footprint on this sacred planet.

Explore each of these layers at the grand opening occurring November 1st from 2:00-4:00pm. Enjoy complimentary refreshments, meet our featured artist and dive deeper into this gorgeous show.

Following the opening, the exhibit runs until November 26th.
