

Flood Watch – Beaver River, Clarksburg and Lower Valley Road

Due to the extreme cold temperatures over the past week, with cold temperatures expected to continue through the coming weekend, combined with the fact that the Beaver River still has not fully frozen over throughout the system, frazil ice continues to be generated within the upper reaches of the river. Municipalities are challenged with the potential for localized flooding in two separate areas as noted:

CLARKSBURG – TOWN OF THE BLUE MOUNTAINS

Over the last week, frazil ice has collected in the Beaver River within Clarksburg which has caused water levels to rise. While water levels have decreased slightly, they still remain high at this time. With windchill temperatures forecast to remain near or below -18C into the weekend, with only small warmer periods during the day, the potential exists for frazil ice to continue being produced upstream of Clarksburg until the Beaver River freezes over.

At this time, the frazil ice sheet has extended upstream of Marsh Street and there is concern that flows will be further restricted causing water levels to rise over the next few days. This area will continue to be monitored by Town and GSCA Staff. Town of the Blue Mountains crews and contractors are utilizing a long-reach excavator to remove frazil ice from the river to promote flow, despite limited access to the river. The frazil ice removal is expected to continue throughout the daytime hours.

LOWER VALLEY ROAD – MUNICIPALITY OF GREY HIGHLANDS

The frazil ice-related flooding along Lower Valley Road, just south of Graham's Hill/Campbell's Hill roads, has now cleared. Water levels have receded on the Beaver River, and Lower Valley Road has reopened to traffic. GSCA and municipal staff will continue to monitor conditions in the area.

Flood Watches are issued when flooding is possible along local watercourses. Landowners within these areas should monitor their situation and be prepared in case of flooding.

Grey Sauble Conservation Authority reminds everyone that flooding can lead to unsafe conditions along rivers and streams. Fast-moving water, slippery or unstable banks, and melting ice can present significant safety risks. Please stay alert and avoid watercourses when flows are high.

GSCA staff will continue to monitor the weather and the flows and provide additional updates as needed.

This Statement expires Monday, February 2nd, 2026 at 4:30pm unless replaced by further updates.

Town of The Blue Mountains Hosting Design Open House for Moreau Park Revitalization

The Town of The Blue Mountains would like to invite the members of the community to an in-person Design Open House regarding the Moreau Park Revitalization project. Staff from Colliers Project Leaders and SHIFT Landscape Architecture will be in attendance with the preliminary design layouts for the park.

The Design Open House will be held at the **Beaver Valley Community Centre on Thursday, February 19, 2026, from 5:00 p.m. to 7:00 p.m.** All members of the public are invited to drop in at any time to view the preliminary designs, provide feedback and ask questions about the project. Town staff will also be sharing the preliminary designs online on Thursday, February 12. A comment form will accompany the designs to gather feedback from members of the public who are not able to attend the Open House in person. The feedback received on the designs will be compiled in a report to Council where staff will seek further direction on the final elements to be included in the detailed design.

What: Design Open House

When: Thursday, February 19, 2026 – 5:00 p.m. to 7:00 p.m.

Where: Beaver Valley Community Centre, 58 Alfred St. W., Thornbury

About the Moreau Park Revitalization

The Thornbury-Clarksburg Rotary Club approached Town Council in September of 2022 with the concept of revitalizing Moreau Park in Thornbury under the theme, "Kindness at Play." The elements proposed by the Rotary Club included a new skate park for all ages and abilities, a year-round paved walking path, a sensory garden and an accessible playground. A public survey was conducted in 2023 to gather feedback from the community on their priorities for the features of the park.

Town of The Blue Mountains Publishes New Snow Plowing Progress Map

The Town of The Blue Mountains is proud to release a new interactive Snow Plowing Progress map on the Town's Open Data Hub. The map has been developed internally by staff and allows the public to see when roads throughout

the municipality were last plowed. The data is gathered through GPS systems installed in the Town's snow plows, and is intended to support residents with trip planning during winter months.

The Town is responsible for winter maintenance on Town-owned roads. Certain roads including Highway 26, some boundary roads and some smaller local roads are not maintained by the Town. The status of these third-party plowed roads is not displayed on this map. Seasonal roads also do not receive winter maintenance. More information about Winter Road Maintenance can be found on the Town's website. www.thebluemountains.ca

The Town works to keep roads and sidewalks safe throughout winter in accordance with the Town's Minimum Maintenance Standards. Weather, traffic and road conditions influence when work happens. While crews aim to clear snow quickly, roads may remain snow-covered for a period of time after significant storms. For up-to-date road information, please visit www.Municipal511.ca or [Grey County Roads](http://GreyCountyRoads.ca).

Grey County road conditions and closures are available at your fingertips. Call 1-866-266-7569.

2026 Digital Resident Parking Permits and Friends and Family Parking Permits Now Available

The Town of The Blue Mountains would like to remind residents that 2026 digital parking permits are now available. Parking permits must be registered annually, and residents are required to re-register their vehicle for the 2026 calendar year. Registration can be completed online through the Town's website or in person at Town Hall during regular business hours. Proof of residency and vehicle ownership is required at the time of registration.

With a valid digital parking permit, residents may park for free at all municipally owned paid parking locations, including beaches, parks and trails. Please note that Town parking permits do not apply to privately owned paid parking lots.

New for 2026, the Town is excited to offer Friends and Family Parking Permits, allowing residents to register visiting guests for temporary digital parking permits. To purchase a Friends and Family Parking Permit, residents must create a household account through the Town's online parking permit portal. A household account enables residents to register multiple household vehicles under a single account and easily manage temporary permits for visiting guests throughout the year.

Each household is permitted up to 14 calendar days annually for Friends and Family Parking Permits, at a rate of \$5 plus HST, per day. At the time of purchase, residents must provide the visitor's licence plate number and the dates the permit will be used. Once registered, guest vehicles may enjoy the same benefits of a resident parking permit and park for free at any Town-owned paid parking location.

Residents who have already registered for a 2026 Resident Parking Permit are not required to re-register until 2027, as their permit remains valid. However, residents who have already registered for a 2026 parking permit and wish to purchase Friends and Family Parking Permits will be required to create a household account through the Town's website.

For more information on Parking Permits, including Friends and Family Parking Permits, please visit www.thebluemountains.ca/parking-public-transit.

Municipalities Under Pressure One Year Later:

An Update on the Human and Financial Cost of Ontario's Homelessness Crisis

Grey County Highlights Local Response To Growing Homelessness Challenge

Grey County is highlighting new data from the Association of Municipalities of Ontario (AMO) and the Ontario Municipal Social Services Association (OMSSA) on homelessness in Ontario and the local efforts underway to address the challenge.

The full AMO report, *Municipalities Under Pressure One Year Later: An Update on the Human and Financial Cost of Ontario's Homelessness Crisis*, is available at amo.on.ca

Nearly 85,000 Ontarians experienced homelessness in 2025, up eight per cent from 2024 and 50 per cent since 2021.

In Grey County over the last year, 143 households moved into housing opportunities, 68 returned from housing into homelessness, and 151 individuals were newly identified as homeless, including 30 youth. With this movement, the By-Name List showed 155 active households at the end of 2025, a slight decrease from the previous year. Though rural homelessness across the province grew by more than 30 per cent last year, Grey County has remained relatively stable.

Grey County has been working collaboratively with partners including the Canadian Mental Health Association Grey Bruce, Brightshores Health System, United Way of Bruce Grey, OSHaRE, Grey Bruce Public Health, Safe'N Sound and others to provide coordinated support and housing solutions.

"Our community partners are doing incredible work to support people experiencing homelessness," said Grey County Warden Andrea Matrosovs. "We've made real progress locally, but addressing the root causes will require collaboration between all levels of government."

The Supportive Outreach Services (SOS) program in Grey County has provided over 12,000 services to community members who are unhoused or insecurely housed since launching in 2021. SOS was recently featured at the national State of Canada's Cities Summit in Ottawa as a model for collaborative community care.

Grey County also directly operates short-term emergency housing, which has supported over 375 households and helped 176 households transition to permanent housing in the past year. However, demand for affordable housing continues to grow. The County's affordable housing waitlist has grown from 2,230 in 2024 to 2,545 in 2025 - a 12 per cent increase compared to four per cent the previous year.

Without significant intervention, AMO projects that homelessness in Ontario could double by 2035. The association is recommending long-term investments in affordable housing, mental health and addictions services, and income supports, along with better coordination between all levels of government to maximize impact.

Age-Friendly Grey County

Grey County Receives Age-Friendly Community Recognition

Grey County is proud to be recognized by the Ontario Government as an age-friendly community. Grey County was one of multiple communities presented with the designation at a special ceremony hosted by the Ontario Ministry for Seniors and Accessibility on Sunday, January 18 at the Sheraton Centre in Toronto.

Grey County Warden Andrea Matrosovs attended the ceremony which coincided with the annual ROMA conference.

"We are incredibly proud to be recognized as an age-friendly community. Grey County has a clear vision of being a safe, healthy, and supportive place for people of all ages, and this recognition affirms that commitment. Whether someone is eight or 80, we want them to thrive, feel connected, and be happy to call Grey County home," said Warden Matrosovs.

Grey County is part of the Ontario Age-Friendly Communities Network and a member of the World Health Organization's Global Age-Friendly Network. In addition to hosting the Grey County Age-Friendly Communities Committee, Grey County leads the administration of the local Joint Municipal Accessibility Advisory Committee.

Grey County launched its first Age-Friendly Communities Strategy and Action Plan in 2021 and continues to implement the action plan. A progress report on the action plan will be presented to Grey County Council later this year. The plan focuses on eight dimensions of an age-friendly community to support residents of all ages and helps create livable communities.

Grey County also extends congratulations to the Town of Hanover who was also recognized at the ceremony.

TELL YOUR STORY TO PROTECT OTHER SENIORS FROM SCAMS

ACE is creating a video series to help seniors recognize and avoid scams and fraud — and we're looking for seniors to participate

WHO WE'RE LOOKING FOR:

We want to speak with **seniors (55+) who are victims of fraud or attempted fraud** — even if no money or information was lost. Your experience can help other seniors stay safe.

WHAT YOU'LL DO:

- Take part in a short, friendly interview (on video, audio-only, or anonymous — your choice).
- Share what happened, how you addressed the situation, and what you want other seniors to know.
- Help build real-life education tools for seniors across Ontario.

WHAT WE PROVIDE:

- Honorarium for your time
- Flexible scheduling
- We'll come to you or provide transportation support if needed to come to us
- Options for **anonymous** or **privacy-protected** participation

WHO WE ARE:

The Advocacy Centre for the Elderly (ACE) is a legal clinic serving low-income seniors across Ontario.

INTERESTED? HAVE QUESTIONS?

Your story can make a real difference.

AMO Hosting Free Workshop Series for Youth Considering Running for Municipal Office

The Town of The Blue Mountains is sharing this release on behalf of the Association of Municipalities of Ontario (AMO) in advance of the upcoming 2026 Municipal Elections.

If you are a young person interested in running for municipal council in October 2026, we have a workshop for you!

The Association of Municipalities of Ontario (AMO) is offering a series of workshops for young people thinking about running for municipal office in the October 2026 elections.

These sessions will provide insights and strategies to build your understanding and confidence around how to become a candidate and running a campaign.

Facilitated by three current municipal leaders, Natasha Salonen - Mayor of the Township of Wilmot, Cam Wales - Councillor, City of Brockville and Aidan Kallioinen - Councillor, Town of Espanola, you will gain firsthand insight into:

What to expect running as a candidate and as young person

- Critical strategies for successfully campaigning for municipal office
- Understand what it takes to become a candidate
- Strategies for engagement including communication
- And more!

Dates:

Wednesday, February 18, 6:30 p.m. - 8:00 p.m.

Wednesday, March 11, 6:30 p.m. - 8:00 p.m.

Wednesday, April 15, 6:30 p.m. - 8:00 p.m.

Registration: FREE

For more information, visit the AMO website.

<https://www.amo.on.ca/information-session-youth-considering-running-municipal-office>

Please email events@amo.on.ca with any questions.

Notice of Public Meeting: Stop Up & Close Portion of Alice Street, Russell Street and Arthur Street - Unopened Road Allowance

Date of this Notice: December 19, 2025

Tuesday, February 10, 2026, at 9:30 a.m.

Hybrid Format: In-Person AND Virtual/Online

Town Hall, Council Chambers

32 Mill Street, Thornbury, ON N0H 2P0

What is being proposed?

Council of the Town of The Blue Mountains, in response to a request by the Beaver River Trail Working Group has expressed interest in stopping up and closing a portion of Alice Street, Russell Street and Arthur Street and converting the lands into a permanent public park.

The proposal includes the creation of a parcel of land to be owned by the Town for park purposes, and to consider a Zoning By-law Amendment application to place the lands into the Open Space 'OS' zone in order to recognize and permit the proposed park use.

More information can be found at:

www.thebluemountains.ca/PBS25062

Where do I find more information?

Additional information regarding this proposal is available for viewing at the Planning Services Department located at, Town Hall during regular office hours Monday to Friday 8:30 a.m. to 4:30 p.m. or contact the planner for this file.

When will a decision be made?

It is important to note that a decision on this topic has NOT been made at this point and will NOT be made at this Public Meeting. After reviewing the comments from the public, Staff will bring its recommendations on this project to a future council meeting.

What happens at the Public Meeting?

The Public Meeting is your chance to hear more about the proposal and make your views about it known. Any person or agency may provide comments on this matter in writing or verbally at the Public Meeting.

Comments at the Public Meeting assist the Town and Council in their decision-making process, so be sure to have your say!

How do I submit my comments?

Written Comments – You are encouraged to provide your comments or questions in writing using email or regular letter mail to the Town Clerk. Written comments received by **Friday February 6, 2026**, will be read by the Town Clerk at the Public Meeting for the benefit of everyone in attendance and will be included in the record of the Public Meeting.

Comments can also be faxed to (519) 599-7723 or emailed townclerk@thebluemountains.ca.

Any submitted comments become part of the **public record**, including names and addresses.

Verbal Comments – This Public Meeting is a hybrid meeting, allowing the public to attend the meeting in person or virtually. Those that wish to make verbal comments virtually are required to pre-register with the Town Clerk, no later than five business days in advance of the Public Meeting, by **4:30 p.m. on Tuesday February 3, 2026**.

Anyone wishing to provide their verbal comments in person at the Public Meeting, can attend the Town Hall, Council Chambers.

Want to be notified of a decision?

You must make a request in writing to the Town Clerk if you would like to be notified of a decision on this proposal to:

Corrina Giles, Town Clerk
Town Hall, 32 Mill Street, Thornbury, ON
Fax: (519) 599-7723
Email: townclerk@thebluemountains.ca

Questions? Want more information? Ask a Staff Member!

Shawn Postma, Planning and Development Services, Phone: (519) 599-3131 ext. 248; Email: planning@thebluemountains.ca

Under the authority of the Municipal Act, 2001 and in accordance with Ontario's Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), all information provided for, or at a Public Meeting, Public Consultation, or other Public Process are considered part of the public record, including resident deputations. This information may be posted on the Town's website, and/or made available to the public upon request. This document can be made available in other accessible formats as soon as practicable and upon request.

EVENT IN SUPPORT OF TOMORROW'S HOSPITAL

The CGMH Foundation is excited to highlight the upcoming event that gives the community an opportunity to come together in support of Tomorrow's Hospital. Proceeds from this event will contribute to the Foundation's \$100+ million campaign to build a new, state-of-the-art facility for South Georgian Bay. **Backspin** will perform live at Side Launch Brewing Company on **Friday, Feb. 20, at 7:30pm**. Guests can enjoy craft beer from the cash bar and bites from Mamacita Tacoria's food truck. Tickets are \$25 per person, must be purchased in advance, and the event is open to all ages. For tickets visit cgmhf.com/events.on.ca 705-444-8645

Coming March 2026

INTERNATIONAL WOMENS DAY SPEAKER SERIES

Lead Like Her

March 27 – 29, 2026

The 8th annual 24H BLUE MTN returns as a high-energy, weekend-long fundraising festival.

Ski, ride, and compete in team challenges, then keep the celebration going with live entertainment and Village nightlife.

All proceeds support Special Olympics and local charities through the Blue Mountain Village Foundation.
