

The Republic of South Sudan

Ministry of Health

Date: January 19, 2026

Re: Acknowledgement and Recognition of Partnership Programs

I am writing to express our sincere appreciation and recognition of the partnership between the Ministry of Health, Republic of South Sudan, and 21st Century Open University (21st Century Open Uni LLC) USA, as outlined in the Joint Partnership Agreement signed recently.

The Ministry acknowledges the collaborative efforts between 21st COU, 21st COU College, and Torit Health Science Institute in offering health education and professional training programs, scholarship opportunities, conferences, seminars, international internships, and job placements. This partnership aligns with our mission to improve healthcare services and strengthen health systems in South Sudan.

We appreciate the commitment of 21st COU to support the Directorate of Training and Professional Development, enhancing capacity building for healthcare professionals in South Sudan. The joint Centers established through this partnership will contribute significantly to our shared goals.

We look forward to continued collaboration and mutual support in achieving our objectives.

Sincerely,

Dr Gabriel Faron Loi

Director General

Directorate of Training and Professional Development

Ministry of Health

Republic of South Sudan
