2026 Sponsorship Campaign

About the Almonte Lawn Bowling Club

The Almonte Lawn Bowling Club (ALBC) is one of Almonte's longest-standing volunteer recreational organizations, dedicated to promoting fitness, community engagement, and intergenerational connection. In 2025, we expanded our facilities with the addition of new bocce ball courts to complement our existing lawn bowling green, broadening recreational opportunities and participation across the community.

Our Reach & Visibility

With a strong base of active members and regular visitors from across the Ottawa Valley, the ALBC offers excellent visibility for local businesses. Our programming includes league nights, seniors games, student summer camp programs, school visits, community club activities, and club, district, and interprovincial tournaments. Each year, the Club welcomes over 450 direct participants and numerous spectators at our tournaments alone.

A Special Honour in 2026

The ALBC has been selected to host the 2026 Governor General's Inter-Provincial Playdowns and Final Tournament this summer, welcoming competitive players from across Eastern Ontario and Quebec. This prestigious event is a tremendous honour for our Club and will bring a significant number of visitors to Almonte, generating meaningful economic activity for local community businesses.

How Your Sponsorship Makes a Difference

Your sponsorship investment will directly support the Club in maintaining and enhancing its historic facilities, purchasing needed equipment, delivering and strengthening recreational programs for seniors, youth and newcomers to Almonte, and keeping memberships affordable so that all residents can participate, connect, and build lasting friendships with their neighbours.

We warmly invite you to become a valued community partner by participating in one of our sponsorship opportunities. Three levels of sponsorship are available, each with corresponding benefits, and terms of one, two, or three years to suit your organization's needs.
