

Director of Football Directive

Subject: Short-Term Plan 2025/2026

Directors and Managers are expected to work collaboratively, efficiently, and effectively to deliver all objectives outlined in the EWF Women's Short-Term Plan (2025–2026).

Subject: Women's Team and Squad Selection

1. Players are encouraged to express interest in upcoming games and tournaments via Spond.
 2. This is an expression of interest only and does not guarantee selection.
 3. The Manager is solely responsible for squad and team selection.
 4. The Manager must communicate directly with any players who are not selected, providing a clear explanation of the decision.
 5. The Manager will be responsible for announcing the selected squad or team for each fixture or tournament.

Subject: Women's Trials

Extended trials of up to three months may be offered to players who demonstrate superior technical and tactical ability compared to current EWF players within the same age band.
