# Osiris System, Inc. 1<sup>st</sup> Priority

#### Stopping the pipeline to prison

Changing the mindset of the term "No Child Left Behind" This term meant different things to different people. This term also led to the growth of the acknowledgment of the "School-to-Prison Pipeline" – the use of educational policies and practices that have the effect of pushing students, especially students of color and students with disabilities, out of schools and toward the juvenile and criminal justice systems.

2<sup>nd</sup> Priority

#### MISSION

O.S.I. is dedicated to providing immediate, effective and comprehensive training services to men and women with recent criminal convictions. Our highly structured and tightly supervised programs help exoffenders regain the skills and the confidence needed for successful transition to stable, productive lives.

#### VISION

OSI is committed to providing anyone with a recent criminal history, the preparation and support needed to attain gainful employment and stay connected to the labor force upon returning to society.

# Alternative

Rehabilitation, self-esteem building, and redirection works a lot better than punishment and incarceration. Our 48-Hr Bootcamp is a new and unique intensive leadership program. It will provide a holistic approach, our staff will be trained to consideration every aspect of their lives, including but not limited to age, family, gender, faith, developmental level and the lack of decision-making that brought them to our program in the first place.

Our goal is to ensure No Child is Left Behind

There will be a special meeting led by a selected mentoring group

The entire program is to guide the participants to self-awareness and their own greatness. We will evaluate them further as they participate to create a follow-up plan for them. We will continue to be available for minimum a year assigning them with a mentor.
