

Develop the essential language and communication skills needed for the workplace.

The Job Skills Pre-ESOL course is a pre-entry level program designed to prepare individuals for further ESOL training (Entry Levels 1-3) and ultimately employment.

The course comprises of three core components:

- **Writing and Grammar Classes:** Develop practical writing skills, including grammar, sentence structure, and vocabulary.
- **Conversation Classes:** Interactive sessions that provide a supportive environment for learners to practice speaking and listening skills.
- **Reading Group:** Improve reading comprehension, expanding vocabulary, utilising materials specifically related to identified industries.
