OUR GOAL

Catechesis is oriented toward forming persons who get to know Jesus Christ and his Gospel of liberating salvation ever better; who live a profound encounter with him and who choose his own way of life and his very sentiments, striving to realize in the historical situations in which they live, the mission of Christ, which is the proclamation of the kingdom of God. (*Directory for Catechesis*, # 75, Vatican, 2020)

The tasks of Religious education are:

- to form children in the knowledge of our faith
- to prepare children for the Sacraments and initiation into the Mystery

COMMUNICATION

To help keep you informed about Rel. Ed. activities or reminders, we use a program called Flocknote. Flocknote allows you to receive messages via texting and/or email. This is a free service but standard messaging data rates may apply. Flocknote will keep your phone number private, while making it easier to receive reminders for parent meetings or weather-related cancellations for Rel. Ed classes and other events. It is important that you provide an email and a cell phone number so that we can contact you when necessary.

DISCIPLINE

Our children need to be models of good, Catholic behavior. They are expected to be respectful of each other, including teachers, guest speakers, the CRE and any other church employee. Examples of unacceptable behavior include bullying, name-calling, swearing, or harassment. Unacceptable behavior interferes with learning and teaching. Each case will be handled individually and these steps will be implemented as necessary:

- The catechist will attempt to deal with in the student(s) in the classroom
- If behavior continues, the catechist will notify the CRE
- The child will be sent to the CRE's office for discipline
- If behavior continues, the CRE will notify the parents
- When further discipline is needed, the CRE will notify the pastor and the parents.
- If behavior does not end, the parents will be notified by the pastor of the child's possible suspension, dismissal and/or expulsion. Parents will then be expected to homeschool religious education
- When the child resolves to no longer act in a disruptive manner, re-admittance will be considered

ELECTRONIC DEVICES

Students cannot have electronic devices out in class. Students are required to place their electronic devices in a designated area during class or keep them Off in their Pocket If the Teacher does not have a designated area. Violation of this policy while the student is under the supervision of their CCD teacher may result in disciplinary action and/or confiscation of the electronic device. In which case it will be the student's responsibility to have the parents contact the CRE and make arrangements to pick up the electronic device.

In the event you need to contact your child during Rel. Ed, please contact the CRE. If the child has an immediate need or emergency to contact you, the CRE (or the teacher) will contact you.
