DISCIPLE MAKER INDEX PARISH SURVEY: Northwest-V Family of Parishes is on a journey to know, love, and serve Christ in our parish communities. Together, we must embrace Christ's vision for missionary discipleship so our parishes can thrive and be a place for others to grow together in faith. The very first step in this process involves assessing our greatest strengths and opportunities, and that is where the Disciple Maker Index (DMI) comes in! The DMI is an important survey tool that invites you to reflect on your discipleship journey here at Northwest-V Family of Parishes. The Disciple Maker Index is designed to:

- Invite parishioners to reflect on their journey of discipleship.
- Enable parish leadership to make data-driven decisions.
- Help parishioners grow in their faith.

The 10-15-minute survey can be accessed through an online link now through November 24. It will ask you to reflect on your own spiritual growth and enable you to provide your perspective on your parish's efforts to help you grow in relationship with Christ. All responses will be confidential, and your parish will only receive information about the community as a whole. You can scan the QR code and scroll down to find your parish survey link. Paper surveys will also be available for those who cannot complete the survey online. Together, we must embrace Christ's vision for missionary discipleship so our parishes can thrive and be places for others to grow together in faith. Thank you for helping with this important project, and please continue to pray for this intention and for the growth and protection of our family of parishes.

NORTHWEST-V FAMILY OF PARISHES MISSION: Join us November 15-18 at St. Denis Catholic Church in Versailles for a Parish Mission featuring Jesse Romero, retired Los Angeles County Sheriff's Deputy, Catholic author, evangelist, and speaker. Through his mission, **The 5 R's: Repentance, Reparation, Reverence, Renewal, and Restoration,** Jesse will offer practical ways to face the spiritual battles of modern culture, renew your prayer life, and restore your family's focus on Christ. Sessions include a men's night on Sunday, November 15, for men ages 18 and older, adult parishioner sessions on Monday and Tuesday evenings at 6:30 p.m., and a special high school youth night on Wednesday, November 18, at 7:30 p.m. All sessions will be held in the church and undercroft. Men attending Sunday's event are asked to RSVP by scanning the QR code above. Come deepen your faith, strengthen your family, and learn to live boldly in Christ! For more information, visit our website nwv.church/parish-updates-events-1.

MESSAGE FROM OUR NWV HAITI MISSION GROUP: This is an exciting time at Our Lady of Victory Parish in Balan, Haiti, our family of parishes' missionary parish! Father Leon is bringing a new, energetic focus to the people who worship at the church and the children who attend the school. He has extended the length of the school year, as the students began classes in September this year, as opposed to October as in the past. New projects to increase parishioner involvement are being discussed and implemented. We have committed to supporting the new rabbit and chicken farm on site to provide the people of the parish with an opportunity to provide food for themselves, as well as to sell to others. This provides much-needed food, jobs, and income. We are seeing growth and results from the projects that your generous donations have made possible!

We would like to extend an invitation to anyone who may be interested in joining our group. We are always looking for new ideas and creative approaches to helping God's people in Haiti. Unite with us to help shape the future projects and educational needs of our sister parish! Please contact Mike Bergman at 937-622-0240 or Bart Doseck at 937-419-3394 for more information about this unique opportunity to help the poorest of the poor.

We will be rolling out our annual fall donation drive this weekend, November 14 and 15. Envelopes will be available for your convenience. Please prayerfully consider how God is calling you to be generous toward this worthy endeavor.

ST. ALBERT THE GREAT: FINDING GOD IN A NOISY WORLD – Feast Day: November 15

Most of us know the feeling. The alarm goes off, phones buzz, someone can't find a shoe, the inbox fills, and we wonder where God fits in. St. Albert the Great has good news for us. He is also no distant figure: he is a secondary patron of our own Archdiocese of Cincinnati, so he is already praying for our families, parishes, and homes right here.

Born in Germany around 1200, Albert joined the Order of Preachers (the Dominicans) and became one of the most learned men of his age. He taught philosophy and theology in Paris and Cologne, and among his students was a quiet young friar named Thomas Aquinas, whom Albert encouraged when others overlooked him. Albert was curious about everything: plants, animals, minerals, and the stars. He believed that studying creation was a way of knowing the Creator and that faith and reason belong together. The Church honors him as a Doctor of the Church and the patron saint of natural scientists.

Albert was also a man of peace. As Bishop of Regensburg, he worked to reconcile quarreling parties. However, after only a year, he asked to return to the poverty of his order. He died in Cologne in 1280, having spent his life teaching, praying, and serving.

What can our families learn from him?

- **Be curious together.** A walk in the woods, a backyard garden, a night under the stars, or a science project can all become a prayer. Ask your children, "What does this show us about God?"
- **Welcome hard questions.** When kids ask "why" about faith, don't be afraid. St. Albert trusted that all truth comes from God.
- **Choose peace.** In our homes, that might mean a quick apology at dinner, a hug before bed, or refusing to let the sun go down on a grudge.
- **Choose less.** Albert gave up honors for a humble life. Perhaps your family can step back from one activity, one screen, or one stressful obligation to make room for what matters most.
- **A simple family challenge:** Pick one small practice and stick with it. Try a screen-free dinner, ten quiet minutes after supper, a decade of the Rosary, or a family walk where you notice and name God's gifts in creation.

God isn't found only in the quiet moments we wish we had. He is also present in the noise, the mess, and the ordinary rhythms of family life. St. Albert reminds us to look for Him there.

St. Albert the Great, patron of learners and peacemakers, pray for our Archdiocese and our families. Help us to seek truth with joy, to find God in all creation, and to bring peace to our homes.

GREETINGS ALL!

The first item actually started in September. It's a new club called St. Martha's Garden & Table Club! It all started when three moms were talking about wanting to foster a love and knowledge of growing foods, cooking, creating, and serving. Thus, the club was born! Once or twice a month (depending on schedules), students Kindergarten-8th grade are invited to join the hands-on after-school club inspired by St. Martha's spirit of hospitality and service. Together, they learn practical life skills while caring for God's creation, preparing food, and building a welcoming community around the garden and table. During the first meeting, they learned about honeybees. In the second one, they made peanut butter and almond butter. There are SEVERAL students attending and they are having so much fun!

We had parent/teacher conferences a little earlier this year in mid-October to help note any issues sooner rather than later. The parents were happy to have them during the first quarter. Can you believe that we are already in the beginning of the second quarter?!?

Every year on the last Friday of October, the students (and staff!) dress up for Halloween! We start with the parade through the school and then on to the parties, fun and games! There were some great costumes that the students wore! The staff has been doing a group costume. Our principal was a beekeeper, the female teachers were bees, our secretary was the "queen bee," and our only male teacher was the bouquet of flowers for the bees! We had a good time!

I have to say, one of my favorite moments of this time of year is when our 7th and 8th graders dress up as a saint that they personally chose and researched for religion class. They did a power point and created their costume. They then presented their saint (in costume) with some information about that saint and why they chose them after Mass on the Friday closest to All Saints Day. It is so awesome to see the accuracy of the costumes and props and hear about these amazing people turned saints! I learn something new every year! That's all for this week! Blessings to you all!

GIVING BACK! Did you know that you could also give back to the school (at NO COST to you!) by linking your KROGER card? Just follow the steps below and then each time you shop at Kroger, a portion of what you spend goes to the school! Go to Kroger's account online.

1. Select "My Account,"
2. Select "Community Rewards," search for "StMary's Parish-School" or #TT245,
3. Select "ENROLL." THANK YOU!

SGO! (SCHOLARSHIP GRANTING ORGANIZATION) Do you pay Ohio Income Tax? Would you like to direct your tax money to Catholic education? There is a program called Scholarship Granting Organization (SGO) where you can donate through the archdiocese and select St. Mary's School (Greenville) (CO1885) as your designated school. By donating this way, you can receive an Ohio tax credit of up to $750.00 individual or $1,500.00 joint filing. To donate, visit catholicbestchoice.org/sgo/. When you make your donation, REMEMBER TO DESIGNATE ST. MARY'S SCHOOL (GREENVILLE) (CO1885). Scan the QR code for more information.

– Events/News –

NOTE OF THANKS: We would like to sincerely thank everyone who has shown us immense kindness and compassion as we mourn the death of our husband, father, and grandfather, Ralph Schulze. We thank Father Reutter and the Eucharistic ministers to the homebound who so generously gave of their time the past few years to bring Ralph the incredible gift of the Holy Eucharist in our home. We also thank Father, the servers, the choir, the Catholic War Veterans, and the Navy representative who provided the beautiful Mass and graveside service. We are so grateful to everyone who took the time to participate in Ralph's funeral Mass and to give us your condolences at the lunch afterward, which was provided by the generous ladies of the parish who served the lunch and made the delicious food. Also, thank you to all who have sent cards, come for visits, and prayed for Ralph in life and now in death. We are so blessed to live in this amazing community, where people are always willing to help and are quick to show that they care. God bless you all!

– Rita Schulze, Tom & Cindy, Bev & Ed and families
