<p>For our Daytime Tinctures we generally recommend one full dropper in the morning and one at night. Please allow a few days for full affect as hemp takes time to build up in your system.</p> <p>For our Night-Time Tinctures we suggest taking ½ dropper before bed.</p> <p>One drop is approximately 8.25mg.</p>	<p>Pet tinctures are often used with animals to reduce anxiety associated with stressful situations like thunderstorms, fireworks, car rides or separation. They can also help to ease pain and inflammation as well as improve mobility. Recommended dosage:</p> <ul style="list-style-type: none">• Pets 3-10 lbs: 3-5 drops• Pets 11-25 lbs: 5-8 drops• Pets 25-50 lbs: 8-12 drops• Pets larger than 50 lbs: Max 15 drops
