## About us

### Who we are

Founded in 2020 and incorporated in 2021, Fadhanto Engineering & Construction Limited is a dynamic and rapidly growing company based in Nairobi, Kenya. We have a sound background in all Electrical Engineering Services, Automation services, ICT-related Engineering Services, Building Services and Mechanical Engineering Services among other specialized works.

### Our Expertise:

With over five years of industry experience, Fadhanto Engineering & Construction Limited has established itself as a leader in Electrical, Electronics, ICT and industrial Engineering Services. Our firm has made significant strides in both the private and public sectors, leveraging our extensive expertise to deliver exceptional results.

### Credentials and Relationships:

We are registered with the National Construction Authority (NCA), Energy and Petroleum Regulatory Authority (EPRA), Kenya Revenue Authority (KRA), Nairobi City County (NCC), and other regulatory bodies. Our team members are also registered with professional institutions such as the Kenya Engineering Technology Registration Board (KETRB), Institution of Engineering Technologists and Technicians (IET), and The Institution of Engineers of Kenya (IEK) among other institutional bodies.

### Leadership and Team:

Our Managing Director brings over seven years of experience as a Projects Engineer with Kenya's leading consulting firms and contracting companies. Supported by a team of skilled professionals, we are well equipped with the necessary resources and ICT infrastructure to manage all types of Engineering projects.

### Commitment to Quality:

We are dedicated to delivering high-quality workmanship and exceptional service. Our approach emphasizes continuous improvement, benchmarking, and adherence to best practices to ensure every project is completed to the highest standards.

### Collaboration and Future Vision:

We believe in teamwork and collaboration with consultants, contractors, suppliers, and specialists to enhance buildability, efficiency, and competitiveness. We are eager to partner with you as we continue to advance to new heights.

#### Our Vision

To be recognized as the foremost leader in the Electrical & Mechanical Engineering services industry, celebrated for our reliability and cost-effective solutions.

#### Our Mission

To provide exceptional Electrical and Mechanical engineering services by leveraging our expertise and technology, adapting to each client's unique needs, and delivering reliable, cost-effective solutions across diverse sectors.

## Our core values

At Fadhanto Engineering & Constructions Limited, our values define who we are and guide how we work. They form the foundation of our culture and our commitment to every client we serve.

#### Honesty

We believe in transparency and truthfulness in all our dealings, ensuring trust and respect in every partnership.

#### Reliability

We deliver on our promises — consistently, efficiently, and with unwavering dedication to our clients' needs.

#### Quality

We uphold the highest standards in every project, providing workmanship that meets and exceeds expectations.

#### Integrity

We conduct our business with professionalism, accountability, and ethical principles at every level.

#### Customer Satisfaction

Our clients are at the heart of everything we do. We listen, adapt, and deliver solutions that create lasting value.

#### Passion

We are driven by a genuine enthusiasm for engineering excellence and continuous improvement in everything we build.

## Why us ?

At Fadhanto Engineering & Constructions Limited, we go beyond delivering services we build lasting solutions that empower progress. Our clients choose us because of our unwavering commitment to quality, innovation, and reliability.

**Proven Expertise**

**Quality You Can Trust**

**Skilled & Certified Team**

**Reliability & Integrity**

**Strong Partnerships**

**Innovative Solutions**

## Our expertise

Our services encompass a full range of **Electrical, Communication, and Mechanical Engineering** solutions tailored to meet modern infrastructure needs. We specialize in power systems, including **incoming normal power supply, stabilisation through AVR**s and conditioners, standby and UPS systems, LV switchgear panels, power factor correction, and reliable grounding and lightning protection systems.

Our expertise extends to efficient power distribution, cable management, low-voltage circuits, and advanced lighting control systems, including solar integration.

We also deliver **comprehensive communication and building technology** solutions, such as unified data and WiFi networks, intercom systems, CCTV and access control, IPTV and MATV, audio-visual and public address systems, fire detection and alarm systems, building management, and nurse call systems. Additionally, we provide **mechanical and facility engineering** services, covering internal plumbing and drainage, fire protection, HVAC installations, solar water heating, rainwater harvesting, kitchen and laundry equipment, LPG systems, and medical gas installations ensuring safe, efficient, and sustainable operations across all sectors.

## Our service chart

 <b>Incoming Normal Power Supply</b>	 <b>Unified Communication</b>	 <b>Hospital, nurse call management systems</b>
 <b>Power Stabilisation</b>		
 <b>Standby Power Supplies</b>	 <b>Security Systems</b>	 <b>Hotel management system</b>
 <b>LV Electrical Switchgear Panels</b>		 <b>Internal Plumbing and Drainage Services</b>
 <b>Grounding (Earthing) and Lightning Protection System (LPS)</b>	 <b>Sound System system</b>	 <b>HVAC Systems including theatres, wards, ICU etc.</b>

**TERMS & CONDITIONS**

This licence is issued under section 12 of the Act subject to the following terms and conditions: -

- Compliance with the provisions of the Nairobi City County Trade Licensing Act and any other legislation relevant to the trade.
- This licence is not transferable.
- Where a business is carried on in or from more than one premise, the business carried on in or from each premise is deemed to be separated business and as such a separate license is required;
- The licence holder must notify the Director of any changes in the nature of trade, directorship or ownership of the business, location of business or cessation of trade.
- The licence is a Nairobi City County Government property and must be displayed in a conspicuous place within the business premises and the licence holder must produce the licence whenever an authorized officer requires him or her.
- The owner of the business should not sell/display their goods outside their licensed premises.
- A person who forges or alters a licence without authority commits an offence and shall be liable on conviction to a fine not exceeding Kenya shillings fifty thousand or to imprisonment for a term not exceeding three months, or both.
- A person who fails or neglects to renew a licence as required and continues to operate the business or trade commits an offence and shall be liable on conviction to a fine not exceeding Kenya shillings fifty thousand or to imprisonment for a term not exceeding three months, or both.
- Granting of this License does not legitimise any illegal activity including occupation of a county road reserve or any prohibited area.
- Under this license, it shall be the duty of every occupier, or owner or agent of a house, or other premise to clean or cause to be cleaned ten meters radius around his or her house or other premises or any area otherwise in his or her control
- The licence holder shall ensure that appropriate safety measures are in place to mitigate fire and other hazards.
- The licensed business shall only be conducted in full compliance with National and County health and safety laws and regulations.
- The licensed business shall submit to periodic inspections for compliance with applicable standards, regulations and laws.
- The licence holder shall comply with any other condition or directive as shall be necessary for purposes of health, hygiene and safety.
- Subject to compliance to provided signage dimensions, siting & location requirements as per Outdoor Advertising & Signages policy (2015), NCG Advertising Act (2018) & PLUPA (2019).
