يَا دُعَاةَ رَبِّ السَّمَاءِ

*Preachers of the Lord of Heaven*

يَا مَنْ صَلَّيْتُمْ فِي الْأَرْضِ نُورًا

*You who made the earth a light*

يَا قُلُوبًا فِيهَا الْوَفَاءُ

*O hearts that are faithful*

بَشِّرَاكُمْ الْيَوْمَ السَّعَادَةَ

*Today you are blessed with pleasure*

أَهْلًا وَسَهْلًا قَوْلًا وَلَحْنًا

*Welcome in word and melody*

مِنَّا لَكُمْ كُلُّ احْتِرَامٍ

*From us to you*

أَنْتُمْ بَلَّيْتُمْ أَنْتُمْ زَرَعْتُمْ

*You have built, you have planted*

فِي هَمَةٍ حُبِّ الْأَنَامِ

*In the spirit of universal love*

فِي هَمَةٍ حُبِّ الْأَنَامِ

*In the spirit of universal love*

يَا دُعَاةَ رَبِّ السَّمَاءِ

*Preachers of the Lord of Heaven*

يَا مَنْ صَلَّيْتُمْ فِي الْأَرْضِ لَوَرْيَ

*You who made the earth a light*

يَا قُلُوبًا فِيهَا الْوَفَاءُ

*O hearts that are faithful*

بَشَرَاكُمْ الْيَوْمَ السَّرُورَا

*Today you are blessed with pleasure*

---

أعلامنا قد شمع صدق

*Our flags are true*

في سعيكم لحو السلام

*In your quest for peace*

كانت بداية حتى النهاية

*It was a beginning to the end*

في قلوبكم صدق الكلام

*In your heart is the truth of the word*

في قلوبكم صدق الكلام

*In your heart is the truth of the word*

يا دعاة رب السماء

*Preachers of the Lord of Heaven*

يا من صلبتم في الأرض نوراً

*You who made the earth a light*

يَا قُلُوبًا فِيهَا الْوَفَاءُ (الوفاء)

*O hearts that are faithful*

بَشِّرَاكُمْ الْيَوْمَ السَّرُورًا

*Today you are blessed with pleasure*

سَاهَمْتُمْ فِي نَشْرِ خَيْرٍ

*You contributed to spreading goodness*

مِثْلَ السَّحَابِ وَالْغَمَامِ

*Like clouds and clouds*

بِوَرَكْتُمْ مِنْ رَبِّي نَوْمًا

*May God always bless you*

حَقَّقْتُمْ جِيلَ الْأَعْلَامِ

*You have achieved the generation of flags*

حَقَّقْتُمْ جِيلَ الْأَعْلَامِ

*You have achieved the generation of flags*

يَا دُعَاةَ رَبِّ السَّمَاءِ

*Preachers of the Lord of Heaven*

يَا مَنْ صَلَّحْتُمْ فِي الْأَرْضِ لَوَرْثِ

*You who made the earth a light*

يَا قُلُوبًا فِيهَا الْوَفَاءُ

*O hearts that are faithful*

بَشْرَاكُمْ الْيَوْمَ السَّعَادَةَ

*Today you are blessed with pleasure*
