SECURING THE NATION

About Us

1

Company History

CAPTOR SYSTEMS Ltd is a team of devoted experts of All Systems and ICT Support Services that operates in a variety of services such as designing, installation, Maintenance, Integration, Supplies and commission of All Systems and Equipment.

Our target market is limited to none, we render our services to the following market scale; Security entities, residential, Education Institutions, Health Facilities, Border management bodies, Immigration Bodies, commercial, Agriculture, Logistic, Mining and industrial just to mention a few. We are focused on owning a brand that we can develop ourselves. We outsource the skills of the private third-party entrepreneurs/professionals to take our services to market, but we always remain loyal to our own abilities.

Background

CAPTOR SYSTEMS Ltd is a Malawian owned company. The company is based in Lilongwe Malawi, it was established under the entrepreneurial spirit of its directors, Mr M. Banda and Mr S. Chandawira in 2017 and legally registered through the Registrar General of Limited under company registration act (Cap. 46:03).

CAPTOR SYSTEMS Ltd is an innovative company specializing in the field of All Systems and ICT Support Services. We have a dynamic management team ensuring the best quality service delivery to all its clients.

It also serves as a vehicle to empower and develop more individuals in its area of operations. Our enterprise employs relevantly qualified and suitable candidates who have the necessary skills in all our service offering and product suite field stated above. As a Malawian company, we work with local professional companies in joint venture projects through our strategic relationships with them. We are amongst the few Malawian-owned systems and ICT Support companies that are truly virtual, making our presence and blueprint to be national, with global capabilities.

At **CAPTOR SYSTEMS Ltd** we pride ourselves on recruiting and retaining the top talent.

Our Vision

Is to be a preferred All Systems and ICT Support company that renders the provision of excellent service and ensuring customer satisfaction in the services provided.

Our Mission

To provide superior service through cutting-edge Systems and Solutions, this ensures customer satisfaction and subsequent achievement of success. We place value in the training and placement of individuals in which we find potential.

Services

KEY TO SUCCESS

1. Excellence in fulfilling, promises, reliability and trustworthiness within agreed principles.
2. Utilization of high-level expertise in the execution of tasks.
3. Service back-up.
4. Employment of ad-hoc professionals to achieve goals.
5. On-going product and service training.

OUR STRATEGY

1. To create and develop a brand that will be able to compete with major players in the selected industries.
2. To create and develop business models that will ensure growth, sustainability and maximum capitalization on the opportunities provided by the public and private sector.
3. To contribute to the socio-economic objectives of the country by creating an expansion through optimization, therefore increasing the demand for skilled and un-skilled labour.
4. To continue to forge strategic partnership with relevant Scope of Operation: CAPTOR SYSTEMS Ltd subscribes to the principles of employment equity and our customers benefit from the fact that their procurement scorecard is enhanced, as CAPTOR SYSTEMS Ltd is a 100% Malawian-owned entity. It also enhances a policy of supporting young entrepreneurs and job creation Environment: We always work according to the health and safety standards as per the health and safety acts to ensure the above all employees receive a specific number of hours, practical and technical training.
