

BIBLE PERMISSION SLIP

Parental Consent Form

Dear Parent or Guardian

The Bible is used as an approved resource in your student's Religious Instruction program. Our lessons include guidance about how to read the Bible.

Year 6 students, who are graduating from RI, are offered their own copy of the Life Impact Bible FREE to take home, on their last day. Local churches sponsor the purchase of these. This youth Bible is an easy-to-read contemporary English version featuring the 27 books of the New Testament.

If you are agreeable to your child receiving a Bible, there is nothing you need to do. If you would NOT like your child to receive a free copy of to take home, please sign this note and return it to their teacher.

Yours sincerely

Your Child's Religious Instructor
