

## Earth 6 – Boundary

*By defining clear personal and relational limits, life maintains balance and sustainable order.*

### Core Message

- Healthy Line-Drawing  
Distinguish assets, roles, and emotions to create enduring stability.
- Self-Protection  
Safeguard inner and outer resources from excessive demands or intrusion.

### Philosophical Meaning

- Cosmic Order  
Just as the distance between planets and their orbits preserves harmony, human relationships thrive with proper spacing.
- Condition for Freedom  
Boundaries are not barriers but windows for mutual respect and autonomy.

### Life Guidance

- Career & Business  
Clarify roles and responsibilities in contracts and regulations to prevent conflict and loss.
- Finance  
Set limits on spending and investment to control risk and maintain steady cash flow.
- Relationships  
Establish healthy distances and rules with family, colleagues, and partners to strengthen trust.
- Personal Growth  
Manage time, energy, and emotions to keep life balanced.

## Balance Point

- Protection vs. Isolation  
Keep boundaries flexible so they do not block meaningful exchange or opportunity.
- Order vs. Growth  
Uphold discipline while remaining open to new stimulation and change to move into the next stage.
