

## Method – “One Card at the Month’s Start, 30 Days of Guidance”

### 1. Monthly Card Draw

At the beginning of the month, draw **one random card from the 55-card deck** to reveal the overall flow of the coming 30 days.

### 2. Card Reading & Step-by-Step Advice

Read the drawn card’s **element and stage** (e.g., *Water 6 – Adaptation*) and apply its guidance to your **career, finances, relationships, and inner growth**.

### 3. Month-End Review

At the end of the month, **compare and record** how actual events aligned with the card’s message, using these insights to sense the direction of the next month’s flow.
