

Direction-Type Question Guide

“Where is the flow of my life heading right now?”

“What direction is my path taking over the next 12 months?”

“In what essential direction am I currently moving?”

“In what direction will my financial flow develop from here?”

“Where is the flow of this business heading?”

“What kind of directional pattern does my investment flow have?”

“In what direction does this choice lead my financial situation?”

“In what direction will this relationship develop in the future?”

“What kind of flow am I creating with this person?”

“Is the direction of this connection positive for me?”

“What direction is my professional flow heading right now?”

“In what direction is this workplace moving me?”

“What structural direction will my career form going forward?”

“In what direction does this decision lead my life?”

“What long-term flow is opened by the choice I’m making now?”

“Where does this change guide me?”

“In essence, what direction am I moving toward?”

“What path is my essential flow aligned with?”

“What structural direction am I heading toward in the long term?”

“In what direction does this opportunity lead me?”

WOOD — Direction Table (W1~W11)

Short-Term Growth (W1~W6) → Long-Term Expansion & Transformation (W7~W11)

Stage	Directional Essence	Interpretation
W1 Seed	New beginning	A completely new path, unfamiliar place, fresh opportunity; a total reset point.
W2 Sprout	Opening / entering a new gate	A newly opened path; early-stage opportunities, new relationships, first steps.
W3 Root	Stability & settlement	Returning to familiar ground; settling, grounding, local stability and protection.
W4 Pruning	Reduction / selection	Removing excess branches; eliminating distractions; strategic narrowing of focus.
W5 Leaf	Outer expansion & networking	Movement toward people, cities, communication, social expansion, external activity.
W6 Sunlight	Higher position / exposure	Moving into a more visible place, center stage, larger market, higher recognition.
W7 Wind	Change, movement, relocation	Changing direction; relocation, job shift, environmental transition; variable winds.
W8 Growth Rings	Maturity / long-term foundation	Deep stability, long-term base, accumulated structure, mature relationships or place.
W9 Forest	Major expansion & abundance	Big opportunities; wide territory; prosperous environment; large networks.
W10 Harvest	Results & fruition	Moving toward an area where results already exist; collection of past efforts.
W11 Regeneration	New cycle / life transition	Completion of a cycle; shifting into a completely new phase, place, or identity.

FIRE — Direction Table (F1~F11)

Short-Term Action & Speed (F1~F6) → Long-Term Purification & Rebirth (F7~F11)

Stage	Directional Essence	Interpretation
F1 Spark	Small start / weak ignition	A subtle beginning, cautious movement, early exploration.
F2 Ignition	Sudden start / rapid push	Quick acceleration, decisive movement, immediate action.
F3 Flame	Strong rise / escalation	Fast growth, emotional surge, performance spike.
F4 Passion	Intense focus in one direction	Immersion, fixation, deep concentration on a single aim.
F5 Radiance	Unstable peak / overheating	Overextension, volatility, unclear direction; caution advised.
F6 Competition	Conflict / competition	Intensified rivalry, disagreements, divergent paths.
F7 Purification	Adjustment / restoring balance	Cooling down; reorganizing direction; cleansing chaotic energy.
F8 Transformation	Structural shift / new phase	Old structures dissolve; entering a restructured and new phase.
F9 Festival	Momentary rise / short-term peak	Event-based luck; temporary elevation; quick but brief blessing.
F10 Inner Flame	Inner shift / deep decision	Internal turning point; philosophical or emotional transformation.
F11 Phoenix	Complete rebirth / new life	Total end of a cycle and emergence of a new identity or path.

EARTH — Direction Table (E1~E11)

Short-Term Stability (E1~E6) → Long-Term Structural Grounding (E7~E11)

Stage	Directional Essence	Interpretation
E1 Foundation	Low & near stability	Basic recovery; small but solid stability; grounding close to home.
E2 Structure	Order / framework forming	Systems, rules, organizational stability; chaos becoming ordered.
E3 Patience	Slow, steady, lasting path	Minimal change; stable and continuous growth requiring time.
E4 Resources	Accumulation direction	Money, time, skill, and support gathering into a secure base.
E5 Responsibility	Greater duty / central role	Moving toward heavier responsibility, leadership, central function.
E6 Boundary	Protection / caution	Defensive stance; risk avoidance; strengthening safety and limits.
E7 Cultivation	Long-term preparation	Investing time in long projects; nurturing seeds for the future.
E8 Fertility	Prosperity & high stability	Maximum efficiency and stability; productive long-term environment.
E9 Stability	Fixed, continuous path	Steady, unshakable path; little change but strong longevity.
E10 Legacy	Accumulated achievement	Results become formalized—titles, reputation, institutional recognition.
E11 Center	Moving toward a core position	Entering the structural core; influence, authority, and central power increase.

METAL — Direction Table (M1~M11)

Short-Term Refinement (M1~M6) → Long-Term Value & Wisdom Completion (M7~M11)

Stage	Directional Essence	Interpretation
M1 Ore	Exploration / undefined	Unrefined direction; searching among many possibilities; raw beginning.
M2 Mining	Value discovery direction	Finding valuable opportunities, people, insights; uncovering potentials.
M3 Extraction	Elimination / selection	Removing noise; isolating what truly matters; decisive filtration.
M4 Purifying	Strengthening essence	Increasing purity—refining skills, identity, and core characteristics.
M5 Forging	Standards & principles	Establishing strong criteria and personal values; firming up boundaries.
M6 Alloy	Integration & cooperation	Harmonizing different elements; synergy, partnership, teamwork.
M7 Shaping	Identity & shape completion	Solidifying role, identity, and form; clarity of purpose and path.
M8 Treasure	Highest value direction	Moving toward optimal opportunities; value increase; best outcomes.
M9 Sharing	Circulation & social exchange	Networking expansion; sharing resources; community-based movement.
M10 Crown	Institutional / formal direction	Recognition, authority, formal approval, official structures.
M11 Oracle	Supreme insight & wisdom	Highest intuition, strategy, foresight; entering the path of deep wisdom.

WATER — Direction Table (S1~S11)

Short-Term Flow & Adaptation (S1~S6) → Long-Term Healing, Wisdom & Renewal (S7~S11)

Stage	Directional Essence	Interpretation
S1 Droplet	Micro-movement / tiny flow	Small beginning; gentle movement; a subtle shift opening.
S2 Flow	Circulation opens	Blockages dissolve; natural emotional and situational flow resumes.
S3 Connection	People & relationship direction	Harmony, collaboration, interpersonal flow; shared emotional movement.
S4 Reflection	Stillness & inner stability	Quieting external noise; inner balance; emotional centering.
S5 Dream	Vision & possibility	Imagination, intuition, creativity; exploring new possibilities.
S6 Adaptation	Adjustment & environmental tuning	Blending with new environments; flexibility; harmonizing differences.
S7 Deep Sea	Deep inner direction	Entering profound introspection; solitary deep decision making.
S8 Healing	Recovery & release	Emotional, relational, or situational healing; long-term recovery.
S9 Wisdom	Insight & deep understanding	Clear perception; grounded decisions based on truth and clarity.
S10 Peace	Highest emotional balance	No conflict; serenity; harmonious stability across life areas.
S11 Eternal	Renewal of cycle / major shift	A cycle ends completely; a new emotional or life flow begins ; major transition.
