

TEAM DISCOVERY SESSION

This is a focused, 90-minute working session designed to give leaders a clear, objective view of how their team actually operates.

Ideal for Leaders Who

- Have capable people but inconsistent execution
- Sense misalignment or friction beneath the surface
- Feel their team is busy but not moving fast enough

What This Solves

- Unclear roles and expectations
- Misaligned working styles and communication gaps
- Hidden friction slowing execution

What's Included

- Behavioral assessment for each team member
- Visual team map showing strengths, gaps, and dynamics
- Clear, practical recommendations for alignment and next steps

Outcomes

- A shared understanding of how their team really works
- Clearer alignment between people, roles, and priorities
- Reduced friction and stronger collaboration

Investment

- \$1,500 flat fee
- Credited toward ongoing work if we continue together.

How to Get Started

If you sense your team has more potential than it's showing, this is the best place to start.
