

Ref.: 150000

MULTIPRESSURE GREASE BUCKET PUMP, 16 KG

Bucket pumps include a 16 litres leak proof, all steel oval shaped bucket with carrying handle and foot rest for easy handling and stability. Heavy duty high capacity grease pump with three alternative lever positions, which can be used under any operating conditions and with all type of lubricants (winter / summer, high or low viscosity grease, oil). Maximum pressure range between 175 to 350 bar (2,500 to 5,000 psi) with a delivery of 20 gr, 15 g or 10 g per stroke depending on the position of the lever chosen. Pump includes 1,5 m high pressure hose with a three-jaw hydraulic connector (PN 715 429). Instruction book: 815800.
