

ELECTRIC WIRE ROPE HOIST

ونش عمائر

BUILT FOR SAFE & EFFICIENT LIFTING

A reliable electric wire rope hoist designed for safe and efficient lifting. Suitable for factories, workshops, construction sites and warehouses.

HIGH SAFETY

Strong structure with secure braking system for safe lifting.

POWERFUL PERFORMANCE

High lifting capacity with stable and reliable operation.

EASY OPERATION

Ergonomic control handle for smooth and convenient use.

DURABLE & RELIABLE

High quality components ensure long service life and durability.

SPECIFICATIONS

Code	Model	G.W / N.W (kg)	Packing Dimension (cm)	Qty / Carton (PCS)	Hook Type	Lifting Height (m)	Lifting Speed (m/min)	Rated Lifting Weight (kg)	Input Power (W)	Rated Voltage (V)
0224008	PA200	24 / 22	46×36×16	2	Single-hook	12	10	100	580	220/230
					Double-hook	6	5	200	580	220/230
0224009	PA300	25 / 23	46×36×16	2	Single-hook	12	10	125	620	220/230
					Double-hook	6	5	250	620	220/230
0224010	PA400	35 / 33	52×41×17	2	Single-hook	12	10	200	950	220/230
					Double-hook	6	5	400	950	220/230
