

**CLUB MOUNTAINEER AQUATICS**  
**Parent Code of Conduct**

The purpose of a code of conduct for parents is to establish consistent expectations for behavior by parents.

As a parent/guardian, I understand the important growth and developmental support that my child's participation fosters. I also understand that it is essential to provide the coaching staff with respect and the authority to coach the team. I agree with the following statements:

- I will set the right example for our children by demonstrating sportsmanship and showing respect and common courtesy at all times to the team members, coaches, competitors, officials, parents, and all facilities.
- I will be an active team member by volunteering, observing practices, cheering at meets, and supporting my child and their coach.
- I will refrain from coaching my child during practices or meets. If I choose to observe practices, I will do so without engaging with my child.
- I understand that criticizing, name-calling, use of abusive language or gestures directed toward coaches, officials, volunteers, and/or any participating swimmer will not be tolerated.
- I will respect the integrity of the officials. I understand that if I do not agree with an official's call, I am to address my concern with our team's coach of record and not the officials.
- I will direct my concerns to our Head Coach and/or my swimmer's immediate coach; then, if not satisfied, to the appropriate supervisor.

I understand the above expectations. I understand my failure to adhere to them may result in disciplinary action, including but not limited to removal from the team.
