Is Your School **Truly Safe?**

Most schools think they're compliant — until an inspection proves otherwise. Eduspector is an OHS Accredited Approved Inspection Authority that helps schools, colleges, and training centers protect every learner, educator, and staff member. Swipe to see how we do it. 🖱️

WHO WE ARE

OHS-Accredited Safety Experts for Education

Eduspector provides independent safety inspections and compliance services specifically tailored for schools, colleges, and training centers. Our expert team protects learners, educators, and staff — while helping school management meet every legal occupational health and safety requirement.

4 Ways We Keep Your School Safe Through Our OHSE Service

Risk Assessments

Thorough evaluation of potential hazards across all school environments.

Safety Audits

Comprehensive inspections ensuring compliance and best practices.

Emergency Planning

Strategic crisis response and evacuation procedure preparation.

Staff Training

Empowering teams with hazard recognition and incident reporting skills.

INSPECTION AUTHORITY

Comprehensive Safety Inspections

Our inspectors conduct thorough examinations of **classrooms, laboratories, hostels, kitchens, playgrounds, and sports facilities**. We identify fire hazards, chemical risks, electrical dangers, and ergonomic concerns — before they become problems.

- ✔ Early identification of hazards protects learners and reduces costly legal liability for school management.

COMPLIANCE

Compliance Audits That Stand Up to Scrutiny

GHS & Legal Standards

Detailed verification that your school meets GHS regulation and recognized safety standards.

Full Compliance Reports

We ensure full legal compliance while providing peace of mind to school leadership.

Accredited Authority

As an OHS Approved Inspection Authority, our sign-off carries official regulatory weight.

RISK MANAGEMENT

Risk Assessments & Expert Guidance

Equipment & Systems

Evaluation of equipment, emergency systems, and safety installations with clear documentation.

Corrective Actions

Expert advice on remediation steps, timelines, and ongoing compliance monitoring.

School Safety Policy Development & Review

Eduspector helps schools prevent, manage, and respond to emergencies through comprehensive safety audits and hazard inspections – covering classrooms, laboratories, kitchens, sports facilities, and staff practices.

Our policies are designed to be practical, actionable, and easy to implement – embedding a lasting culture of safety into daily school operations.

THE BOTTOM LINE

Why Safe Schools Perform Better

↓ Risk

Accident Reduction

Fewer incidents means fewer disruptions to learning and operations.

100%

Legal Coverage

Full compliance with occupational health and safety legislation.

↑ Focus

Academic Success

Safe environments let learners and educators concentrate on education.

- ① OHS services help schools maintain a safe, supportive environment where students can learn and thrive — fostering a culture of safety and responsibility that benefits the entire school community.

THE EDUSPECTOR ADVANTAGE

Confidence for School Leadership

School leadership gains **real confidence** knowing that risks are systematically identified, managed, and monitored. We foster a culture of safety and accountability that boosts academic focus, attendance, and overall school performance.

- Protects learners and staff from accidents, injuries, and illness
- Promotes focus and academic success through safe, distraction-free spaces
- Ensures compliance and builds trust with the broader community
