Handicap secretary's comments (Andy T): Discussion around quality and accuracy of cards (mostly when marking stableford scores). Can all players going forward please make sure they:

- State name of the person marking a card somewhere on the card for checking purposes
- Circle multiple shots on a card that a player is entitled to based on the stroke index
- Check cards after 9 AND 18 holes with the player that you are marking the card for to ensure any potential mistakes are spotted and corrected prior to signing and handing in that card

Secretary's comments (Rob K): Thanks to Martyn & Dave for organising recent away day, I think all enjoyed the course and the day. Advised members of July medal at Sandhill and that August medal has been booked at Tinsley on Sunday 02/08 – Tony to add to the website ASAP.

AOB

- Issue with internet connection at Ramsdale caused problems but going forward, all players must attempt to create a round on England Golf prior to starting their round. This way it will give people enough time to sort the issue and if any delays in adding their score please take a copy of the card so they can add when they get home or get better connection
- New society shirts – Consensus of need for better quality shirts. Graham to look into and get back to us at next meeting
- Alan gave thanks to Martyn for recent away day at Ramsdale
- Website to be updated ASAP. Tony needs Ramsdale results from Andy by this Friday due to medal at Sandhill this coming weekend
- Society medals to book prior to next meeting:
 - September – Lee R to book
 - October – Martyn B to book

Meeting closed 8.55pm.

Next meeting – Tuesday 1 September 2026, Pig & Whistle Pub @ 8.00pm
