

2026 FUN FLYING DAY

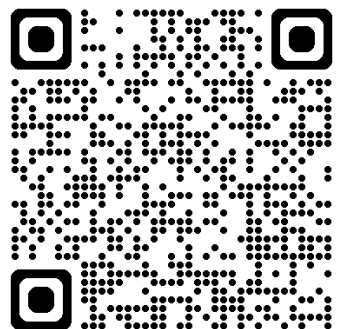

MONDAY 4TH MAY 2026 from 13:00
(poor weather back up day Sunday 10th May)
Open to everyone so bring a picnic!!

Please come along to Epsom Downs Model Aircraft Club (EDMAC) on Monday Bank Holiday 4th May 2026 for our fun flying day. Build a simple glider, have a go on our flight simulator, before progressing to an instructed flight on one of our club trainer aircraft*.

- STEM activity - build a simple chuck glider model to understand aerodynamics.
- Flight simulator - learn the controls before trying the real thing.
- Chat with our members and see models in action.
- Have a trial flight with an experienced instructor using dual controls*

facebook

****Minimum age 10 years old. Flights are allocated on a timetable 1-4pm and first come first served. All instructors are volunteers so please be courteous. We reserve the right to deny or cut short a flight at any time should we feel it is necessary for safety or in the interest of the club. Club members will be flying as normal and Club/Civil Aviation Authority (CAA) rules will always apply. Local charities will also be represented on site.***
