

Epsom Downs Model Aircraft Club Trial Flight Form

We can offer trial flights (using dual controls) to newcomers interested in the hobby and 3rd party insurance for such flights is covered under the British Model Flying Association guest clause. There is no charge for this, but we need personal details **before** any flight in case any incident occurs. Your data is not processed i.e. will not be converted to a digital copy and will be destroyed after 6 months unless required for insurance purposes.

- Our clubs minimum age for trial flights is 10 years old. GDPR sets the age when a child can give their own consent as 16. Therefore, a parent or legal guardian **MUST** complete this form on their behalf if under 16.
- We will not provide a trial flight to any person under the age of 16 without a parent or guardian present.
- Trial flights can only be given to UK residents and on completion of this form (insurance requirement).
- All instructors are volunteers so please be courteous. We reserve the right to deny or cut short a flight at any time should we feel it is necessary for safety or in the interest of the club.
- Club members may be flying as normal during your trial flight and Club rules will always apply.

Personal details (completed by parent/legal guardian if under 16). Print in capitals.

First Name	
Surname	
Date of Birth (DD/MM/YYYY)	
Address	
Phone number	
Email address	

Tick to confirm

☐ I (or parent/guardian) confirm that I am a UK resident.
