With Compliments

Cruise these four beautiful winding rivers that weave through the the Norfolk Broads and choose from an endless variety of different attractions to make your holiday memorably unique.

Norwich – River Wensum

An exciting and historic city, right on the river, with moorings by its magnificent Norman cathedral. Imposing 12th century Norman castle - now a museum... 32 mediaeval churches... enchanting cobbled streets and alleyways... colourful market place... modern Castle Mall shopping complex... and a superb choice of restaurants, theatres, nightclubs and cinemas... all within a few minutes walk.

Oulton Broad

Deservedly one of Britain's most popular inland lakes... a host of exciting attractions: excellent pubs and restaurants, water sports, powerboat racing, fishing... and just a bus ride away from the fun of Pleasurewood Hills - East Anglia's premier family theme park, packed with over 50 thrilling rides and shows.

Bramerton Woods End – River Yare

One of the most idyllically beautiful spots on the river. Moor beside the large green... visit the 15th century Early English-style village church... and stroll across to the welcoming riverside inn.

Beccles – River Waveney

An unmissable historic market town famed for its separate church and tower, superb river views, pretty streets of Georgian houses, good shopping...and a choice of inns and restaurants.

Wroxham – River Bure

The acknowledged "capital" of the Broads... family entertainment, excellent restaurants and inns... plus great shopping facilities - including the "world's largest village store".

Horning – River Bure

Thatched boathouses, smooth green lawns and splendid traditional inns make Horning one of the prettiest villages in Broadland.

How Hill – River Ant

A nature reserve with land and water trails... a thatched mansion set on a hill overlooking the river... working wind pumps... Toad Hole Cottage - a tiny Victorian eel-catcher's home furnished just as it was 100 years ago... don't miss a visit to How Hill!
