NEW HORIZON

BOATING HOLIDAYS and Riverside Caravans

NORFOLK BROADS & RIVER THAMES

Welcome to New Horizon Boating Holidays

Here's your chance to sample a unique, magical-holiday in your own cosy and self-contained, fully-equipped boat. Hide away and be as private as you want, or join other crews and the locals in sociable mooring centres.

Choose really simple cruising, with no locks, on the beautiful Norfolk Broads, or try the equally stunning Royal River Thames where lock keepers, with their glorious flower gardens, guide you through the lock.

You set the pace as you explore miles and miles of magnificent cruising. Enjoy riverside restaurants and pubs with their local brews — watch the wildlife, go fishing, or explore the pretty towns and villages as you pick up supplies along the way.

On the Broads you can even spend a day on the beaches of Gt. Yarmouth or Lowestoft, only a short bus ride from your moorings. The fine city of Norwich has its cathedral, castle, a market, several museums and of course fine shops.

First-timers will be amazed at the fabulous wooded and rural aspect of the superb River Thames, punctuated by its historic centres — Hampton Court, Runnymede, Windsor, Henley and the famous University city of Oxford.

Our fully experienced staff will quickly make you comfortable aboard and show you the simple features and simple controls of your boat, so you start your holiday confidently and without fuss. In 45 years we've learned what you look for and our fleet, one of the UK's largest, offers you 2-12 berth boats from a choice of nine boatyards, six on the Broads and three on the River Thames.

Please phone and let us arrange your holiday for 1993.

A warm welcome awaits you.

Welcome to a Boating Holiday with New Horizon

The Peaceful Norfolk Broads

THE NORFOLK BROADS are Britain's best-loved boating area. There's everything here — beautiful scenery, birds and wild flowers, thatched cottages and stately homes, waterpumps and windmills — and of course New Horizons magnificent fleet of motor-cruisers.

QUIET OR LIVELY — ON THE BROADS — THE CHOICE IS YOURS

It's not surprising that the Broads are so popular with newcomers and seasoned 'boaters' alike. There are no locks and the atmosphere is relaxed, with ever changing scenery as you cruise along.

You'll find waterside pubs and restaurants galore, plus lots of mooring places and helpful boatyard bases to ensure a carefree happy cruise.

Dotted amongst the peacefully meandering waterways are picturesque villages and two of East Anglia's liveliest towns — Norwich and Great Yarmouth. So the choice is yours in Broadland, to mix and match the kind of holiday that's just right for you.

LOTS TO SEE

Norwich is a beautiful city, well worth a trip especially as you can cruise right into the centre. Explore not one but two cathedrals and several excellent museums. Follow historic walks and pub trails, visit the arts centre, shop in modern stores or wander along cobbled lanes. By night there's lots to do too, including lively clubs, cinemas and many good restaurants.

East of Norwich you'll find golden sands and all the fun of Great Yarmouth. Or explore ancient sites like the ruins of Burgh Castle or St. Benet's Abbey. Stately homes are here too; visit Blickling and Somerleyton Halls, Hales Hall near Loddon, or Beeston Hall, home of the Preston family for generations.

Wherever you go you'll see old waterpumps and windmills, thatched roofs made from reeds growing by the Broads, sleepy little villages and some lively towns. One thing's for sure — wherever you choose you'll enjoy it.

The Historic River Thames

WHEN YOU CRUISE the River Thames there's so much to see and so much to do. Full of variety, packed with interest, the River Thames is a superb waterway for a holiday afloat. You can explore from Kingston-upon-Thames through five counties as far upstream as Lechlade in Gloucestershire. You'll pass through magnificent old towns such as Windsor, Marlow and Henley. It's easy to negotiate locks, they are mechanically operated and the lock-keeper does most of the work. You'll be able to visit some of England's best known and well-loved riverside pubs and restaurants.

WHAT YOU CAN SEE? Cruising up river from London, Hampton Court and fun-filled Thorpe Park are obvious attractions before you come to Staines. Soon the meadows of Runnymede begin, where King John signed the Magna Carta.

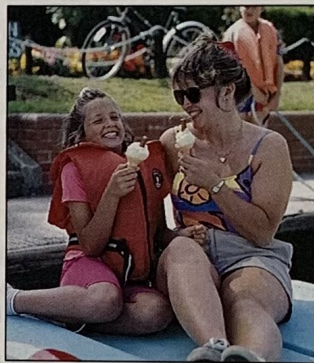

Then you'll come to Windsor, with its castle and Georgian buildings. Carry on cruising past Eton, the famous boat-houses, Monkey Island, and picturesque Bray where you can explore the village and wander through little streets past timber-framed houses.

Further on come the woods and impressive landscapes of Cliveden — former home of the Astors and now open to the general public.

Then through Cookham, Marlow and Henley

before you reach Reading. Abingdon and Oxford are further upstream; who could miss roaming through the city of dreaming spires?

All the way delightful towns, villages, stately homes and gardens.

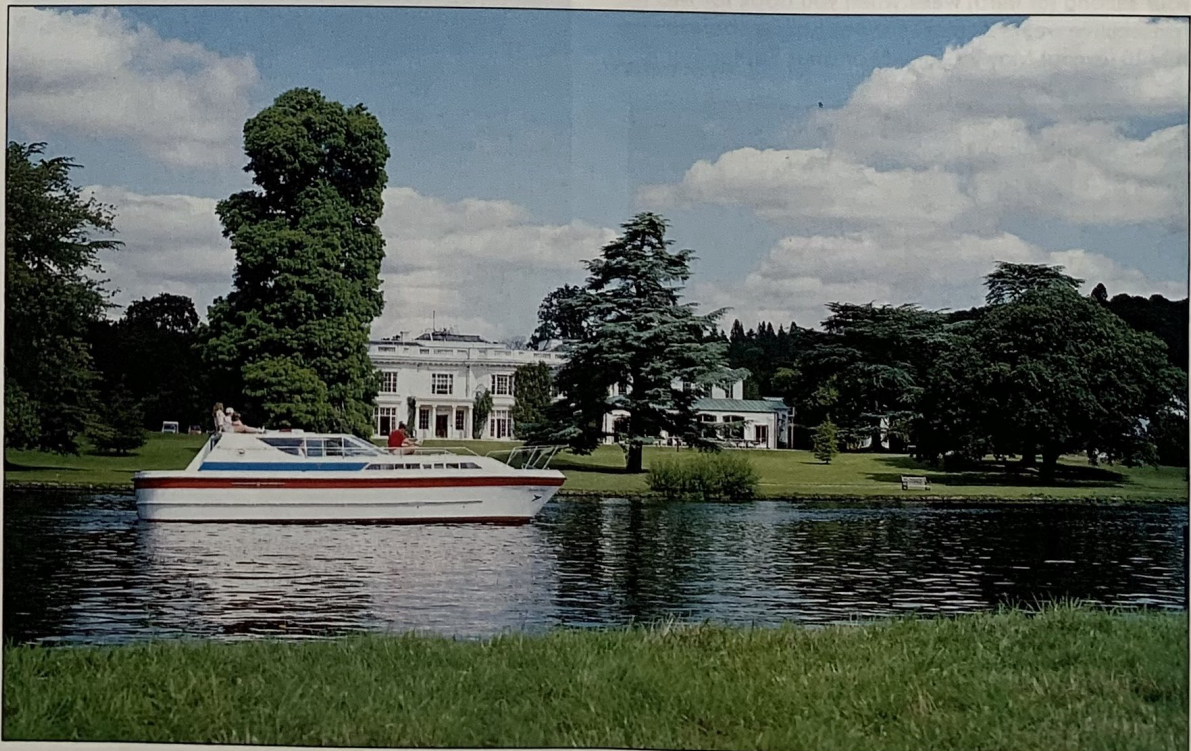

PLENTY OF MOORINGS There is no shortage of moorings along the river, and free moorings are available at all New Horizon boatyards. Riverside pubs or restaurants may well offer you a free mooring while you're there. But if you stop somewhere close to the centre of a town expect to pay a fee for a 24-hour stopover; in Windsor for example this costs £5.

Other free moorings can be found along quiet stretches of river, or at the fourteen clearly marked

Thames Water Authority locations.

THE SPEED LIMIT is about 4mph. Combine this with the number of locks you will have to pass and your average speed will work out at about 3 miles an hour. To cover the 125 navigable miles of the Thames would take about two weeks.

LOCKING ON THE THAMES The locks are ideal meeting places; at many you can top up with water or use the refuse disposal facilities. the lock-keeper (always on hand) will help with information and general advice.

Days start when you like on a boating holiday. Up bright and early and away with the sun, or a leisurely stroll down to the local shops for eggs and bacon, a relaxed breakfast on the boat or beside it.

Look at maps, discuss the plans for the day, then simply start the engine, cast off and gently cruise away for another memorable day.

Life on Board Your Holiday Boat

Some questions you may ask.

NEVER TRIED A BOATING HOLIDAY BEFORE!

Don't worry, it's easy to learn.

When you arrive at your boatyard, our experienced staff will show you around your boat and explain everything you need to know.

You will have a practice under expert supervision and when you are happy and confident, off you go.

You will find your boat like a comfortable, floating home, with all the facilities you would expect, like running hot and cold water, showers and flush loos, a well-equipped kitchen, electric light and efficient heating for cold nights.

WHAT SHALL I WEAR?

One of the best things about a boating holiday, is that you can wear casual clothes at all times. Don't forget appropriate rubber-soled shoes to wear on board.

DO WE NEED BUOYANCY JACKETS?

We would certainly recommend them, particularly for young children and non-swimmers. Jackets are supplied FREE on request for each member of your party.

IS THERE A WATERWAY CODE?

Yes, but it's very simple. Oncoming boats will pull to their right so you pass safely. When overtaking you pass slower boats on your right, and sailing boats have right of way over powered boats.

This will all be explained on your practice run and there is a Boat Manual on board your boat to remind you.

WHAT HAPPENS IF SOMETHING GOES WRONG?

A most unlikely event, but if you do have mechanical difficulties our Boatyard Staff will soon be with you to assist.

CAN I TAKE MY PET?

Pets are usually welcome aboard. There is an £18 charge for bringing your pet with you.

WHAT ABOUT DRINKING WATER AND FUEL?

When you set out you'll have a full tank of fresh drinking water which you can easily top up at any boatyard or public mooring.

There is enough cooking gas and diesel fuel on board for your whole trip — and you only pay for the fuel you use.

WHAT ABOUT FISHING?

Before you dangle a hook, buy a licence from boatyards or tackle shops — and don't forget you're not allowed to fish between March 14 and June 16, the close season.

MAY I TAKE MY HAIRDRYER ABOARD?

No sorry — the boats run on a 12-volt system which is not suitable for normal domestic appliances. The only exception to this is electric shavers which have a converter to enable them to work for you. (However you may hire a 12 volt hairdryer from your boatyard at a cost of £2.50 per week.

WHEN DO HOLIDAYS START?

Fridays, Saturdays, Mondays, Tuesdays, Wednesdays and Thursdays.

HOW CAN I PAY?

By cheque, MasterCard (Access) or Visa.

DO NEW HORIZON OFFER CANCELLATION AND PERSONAL HOLIDAY INSURANCE?

Our two excellent and very reasonable insurance schemes ensure you'll have nothing to worry about as soon as you book. Cancellation insurance costs just a few pounds — as soon as you make your Initial Payment you're covered if you have to cancel; or should you have to curtail your holiday, for unavoidable reasons.

Our Holiday Insurance offers unrivalled low-cost cover for your party and free National Breakdown and Accident Recovery Cover for your car once you have started out on holiday.

Your Holiday Protection Plan

As you'll see from our conditions of hire when you book, as the person making the booking, you are responsible for full hire terms even if you can't take your holiday as planned. This is only fair to the owner who, on your instruction, has reserved that boat exclusively for you. To give you the very best possible protection New Horizon have put together two superb comprehensive insurance packages.

Our Cancellation Insurance is the best and the most extensive on offer. For just a few pounds it will give you security and the peace-of-mind of knowing that if you do have to cancel your booking or curtail your holiday for any of the reasons listed, you will not have to pay the balance-of-hire (and you get your booking deposit back too). Your cover starts as soon as your booking has been accepted and thereafter no refund of your premium can be allowed.

Our Holiday Insurance offers you unrivalled low-cost cover for your party and even gives you free breakdown and accident recovery insurance for your cars once you have started out on your holiday.

An accident, theft or a car breakdown can ruin your enjoyment, unless you are properly insured. So your New Horizon policy covers you against theft of your money or your luggage, illness, accidental injuries and your personal liability. Also included is vehicle breakdown insurance which will cover the cost of getting you going again if your car breaks down.

Cancellation Insurance

1. Your cancellation cover

This relieves you, as the person making the booking, of the responsibility for payment of your balance-of-hire (and you can also get your booking deposit back) if you are forced to cancel your holiday because of:

- death or disablement (by accidental bodily injury or sickness)
 - of you or any member of your party (detailed by you on your booking form at time of booking)
 - of any close relative* or close business associate of you or any member of your party
- jury or witness service (in a court of law), notification of redundancy (qualifying for payment under the Redundancy Payments Act 1965), travel being prevented by Government restriction following an epidemic, unforeseen occupational posting in your present employment overseas or hi-jack of you or any member of your party.
- fire, storm, flood, subsidence or malicious damage rendering your home uninhabitable.
- police requiring your presence following theft at your home or place of business.

Providing these circumstances have arisen since you made your booking, and you can supply supporting documentary evidence, then you will no longer be liable for the balance of hire monies due on your booking.

To qualify, you must notify us in writing immediately the circumstances arise. Our acknowledgement in writing will be evidence of our having received your notification.

In the case of multiple or party bookings (i.e. — where more than one boat is booked at the same time) cover is assessed on each boat individually.

Our cover also provides you with a refund of your balance-of-hire if the qualifying circumstances arise before you leave home for your holiday and where you have already paid your money.

2. Your curtailment cover

If from the date of the start of your holiday, any of the circumstances listed for your Cancellation Cover (1.) above, force you to curtail your holiday and return home after having returned your boat to the boatyard, then once we receive a certificate from a doctor in your holiday area or other documentary evidence we will give you a proportionate refund of the balance-of-hire you paid for your boat.

3 Your booking deposit cover

Also provided New Horizon receive written notice from you more than 6 weeks before your holiday is due to start, and you are cancelling for one of the qualifying reasons given in 1. above your Initial Payment will be returned to you in full, less your cancellation plan subscription.

If we receive written notice from you 6 weeks or less before the start of your holiday, and provided you are cancelling for one of the qualifying reasons then your Initial Payment will be refunded, less your cancellation subscription and a £15 administration charge.

If you cancel for circumstances not covered in this scheme and we receive notice from you in writing more than 6 weeks before you are due to start your holiday then you only forfeit your booking deposit for each week cancelled.

But if we receive notice to cancel from you 6 weeks or less before you're due to start your holiday and your reason for cancelling isn't one of the qualifying ones you forfeit your booking deposit and you'll be responsible for the payment of the balance-of-hire if we don't relet for each week cancelled.

The decision of New Horizon on all claims will be final.

*Close relative means the husband, wife, father, mother, father-in-law, mother-in-law, brother, sister, child or dependant of person in whose name the booking is made.

Exclusions: Cancellation, curtailment of claims for personal holiday insurance as a result of any accident to, or illness of your family pets. Any consequences of war and radio active contamination and similar risks.
