There is an on-site restaurant on the Broads at Stalham where you can enjoy a meal either before you set off on your first day, or prior to your journey home. For groceries and provisions there is also an on-site shop at this location.

However, if you would like your boat to be stocked ready when you arrive at the start of your holiday, you can pre-order your groceries and they will be bought ready for you before you set off on your holiday. If you arrive by car there are large undercover car parks available at selected boatyards, and for those arriving by train, the Stalham boatyard runs a shuttle service from the local BR station. On-site showering and washing facilities are also available at Stalham boatyard.

How to choose and book your New Horizon Holiday

CHOOSING AND BOOKING COULD NOT BE SIMPLER!

Use the following step by step guide, and remember, if there is any question you have that is not answered in the brochure, ring the New Horizon Helpline on (01692) 582277 and the Booking Team will be pleased to assist you.

KEY TO TABLES

At the top of each table you will find a series of initials, these indicate the following:

- C** Carpet
- SF** Soft Furnishings
- V** Video Player
- RC** Radio Cassette
- CD** CD Player
- M** Microwave
- T** No. of Toilets on board
- S** No. of Showers on board

START DAY

Under Start Day the following initials indicate the days of the week, M=Monday, T=Tuesday, F=Friday, S=Saturday.

BERTHS

Under this heading the type of sleeping accommodation is indicated, ie: 2xD, 1xS means 2 doubles and 1 single berth.

PRICE BAND

Each individual boat has its own price band indicated. Turn to pages 46 & 47 where you will find tables where you can look up the price per 7 day break.

CHOOSING YOUR HOLIDAY BOAT

Boats available for short-break periods at just two thirds of prices shown on pages 46 & 47. Choose from a 4 night break Monday to Friday or Tuesday to Saturday; or a 3 night break Friday to Monday or Saturday to Tuesday. See page 48 for further details.

For each class of boat an exterior picture is shown which is one of the boats named and is similar to all the other craft listed in each particular class section. This also applies to the interior photographs that appear throughout this brochure.

SAFETY FIRST

Boating holidays are renowned for their excellent safety record, and New Horizon pride themselves in being at the forefront of customer service in this important area. Every boatyard offers individual buoyancy aid fitting and stocks are available to suit all sizes. These are loaned free of charge and we strongly recommend their use.

STEP 1. Choose your holiday area. Pages 5, 6 and 33 describe the Norfolk Broads and the River Thames areas, showing details of the different boatyards, maps of the waterways and a list of the standard fixtures and fittings, as well as optional extras, available for each area's craft.

STEP 2. Choose your boat. The photograph, plans and table shows a typical entry in our holiday section listings which run from pages 7 - 32 for the Norfolk Broads and pages 34 - 44 for the River Thames.

The key shows you what details to look for. **STEP 3.** Decide if there are any optional extras that you will require. The list on page 48 can be used as a check list and also has pricing information for these items. Please note that not all optional extras are available for the River Thames area.

CANCELLATION INSURANCE INCLUDED IN THE PRICE

STEP 4. You are now ready to book your holiday! Use the booking form which is the back cover of this brochure to list all the relevant details required. At this point it may be wise to have a second choice of boat just in case your first choice is unavailable when you ideally require it.

You may then book your holiday over the telephone, by post, or by fax. The booking form gives full details of what to do in each case. We have also made payment easier. Your initial deposit payment can be made by credit card or cheque. Details of initial payments are shown on page 48.

SPRING & SUMMER SAVER

Save 15% off the cost of a boat if you are a couple or a small family (ie 2 adults, 2 children). This offer applies to holidays of 7 days minimum between 26th May 2001 ending 2nd June 2001 and wholly taken between 14th July 2001 and week ending 25th August 2001.

NEW HORIZON POLICY

NO CREDIT CARD CHARGES

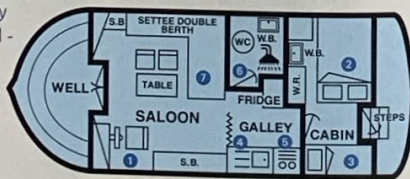

UNDERSTANDING YOUR BOAT PLAN

Every boat in our brochure is accompanied by a interior layout plan to help you decide exactly which vessel you would like to spend your New Horizon holiday on.

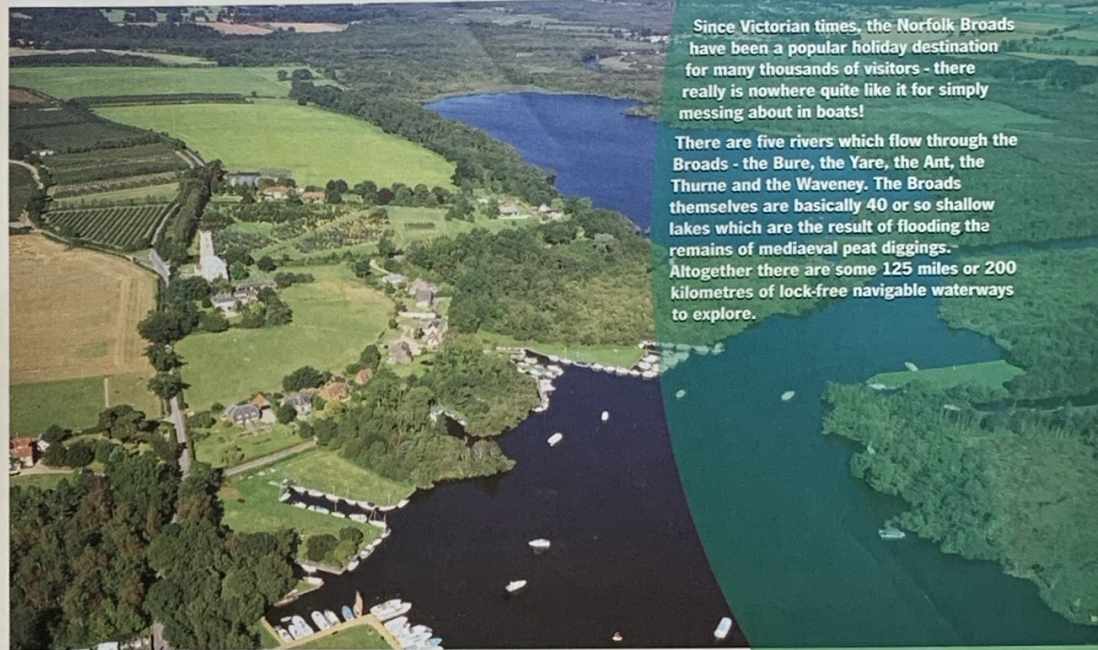

The plans indicate the position of the driving seat ①, the number of single or double berths ② & ③, facilities found in the galley (sink unit ④ & cooker ⑤), bathroom facilities ⑥ and saloon area layout ⑦.

Wardrobes are indicated by the initials W.R., sideboard - S.B., wash basin - W.B., work top - W.T. and dressing table - D.T.

Welcome to the Norfolk Broads

A Great Holiday Destination

Since Victorian times, the Norfolk Broads have been a popular holiday destination for many thousands of visitors - there really is nowhere quite like it for simply messing about in boats!

There are five rivers which flow through the Broads - the Bure, the Yare, the Ant, the Thurne and the Waveney. The Broads themselves are basically 40 or so shallow lakes which are the result of flooding the remains of mediaeval peat diggings. Altogether there are some 125 miles or 200 kilometres of lock-free navigable waterways to explore.

The whole area is looked after by the Broads Authority which keeps the waterways open and safe for navigation. As well as also acting as the planning authority for the area, the Broads Authority ensures that the natural wildlife and habitat is conserved.

There are a number of important nature reserves situated in the Norfolk Broads and a trip through these are a must for interested visitors. Full details on the 28 reserves on the Broads can be obtained from the Norfolk Wildlife Trust Tel:(01603) 625540 and the RSPB Tel:(01603) 700880.

Some of the most famous landmarks on the Broads are the numerous windmills which were once used for drainage purposes in the nineteenth century. Four of these restored mills are now open to the public during the summer season; Berney Arms Mill is situated on the west bank of the river Yare about half a mile south-east of the railway station. Stracey Arms Mill is on the river Bure between Stokesby and Great Yarmouth. Horsey Mill can be found between Horsey Mill Staithe and the coast road and is maintained now by the National Trust.

Thurne Mill is the fourth of the restored open mills and is situated alongside the river Thurne in the village of Thurne about one mile west of the B1152 Acle - Martham road. However it is only open on Sundays during the summer.

Finally, if your idea of enjoyment is the peace and tranquillity that a quality fishing spot can offer, then the Broads is an Aladdin's cave of treasure just waiting to be discovered. As well as the two main tidal rivers that are fished, the Broads themselves present a huge variety of challenges to the ambitious angler, and with numerous tackle shops throughout the area, you will never be short of advice and help.

The Norfolk Broads are one of England's most unique areas and offer attractions to all who visit.

When you collect your boat at the beginning of your holiday, ask about the guide books that are available, and you can be sure to get the best out of an area that has so much to offer to everyone.

New Horizon & The Norfolk Broads

1 RICHARDSONS, STALHAM

Based at Stalham, just 1.4 miles from both Norwich and Gt. Yarmouth, this site covers some 20 acres and is the largest Norfolk Broads base. The site itself is on the A149 between Wroxham and Potter Heigham. If you are travelling by train, the nearest station is Wroxham where our shuttle service can collect and return you by prior arrangement, free of charge. The site boasts a shop, restaurant, showers, cycle hire* and a very large outside and undercover vehicle parking area. Pre-ordered grocery packs are also available at Stalham. *Subject to availability

2 HORNING PLEASURECRAFT, HORNING

This boatyard is situated in one of the prettiest areas on the Broads. Horning village itself is an attraction for many of the visitors to the area. Access by road to Horning is via the A1062 from Wroxham. Norwich is just 12 miles away with the nearest railway station being that at Wroxham just 2 1/2 miles down the road. Taxis are available from the station forecourt during the season. Undercover vehicle parking is available at Horning boatyard.

3 HORIZON CRAFT, ACLE

Situated directly in the centre of Broadland, Acle boatyard is situated on the Bridge at Acle, a mere 1/2 mile from Acle village itself which is just off the A47 on the A1064 Caister road midway between Norwich and Gt. Yarmouth. For those arriving by train, there is a station in Acle, and once more there is a shuttle service available to and from the boatyard by prior arrangement.

THE NORFOLK BROADS. The Norfolk Broads are Britain's finest and best-loved holiday boating location. For decades, this beautiful part of East Anglia has provided holidaymakers with unique scenery, access to wild birds and flowers not normally seen, some of the region's finest stately homes, as well as an abundance of thatched cottages, watermills and windmills that have become the Broads trademark. The Broads are popular with first time visitors and 'seasoned' boaters alike. Being the Country's largest inland waterway system, there are always new areas to explore year after year, and the added attraction of not having to negotiate locks is welcomed by some.

A Broads cruise means waterside pubs, restaurant, easy and abundant mooring places and a peacefully relaxed atmosphere that is the essence of every good holiday. If that appeals to you, the Norfolk Broads will not disappoint.

THE BROADS AREA. The beauty of a Broads holiday is its flexibility. The historic City of Norwich is well worth exploring. Two magnificent cathedrals, several excellent museums and the new Castle Mall shopping development are all waiting to be discovered. To the East of the Broads are the famous golden sands of Gt. Yarmouth with its exciting seafront packed full of attractions and entertainment. Both Gt. Yarmouth and

Norwich offer plenty of nightlife for those with plenty of energy left at the end of the day, with a host of restaurants, clubs, pubs and cinemas to suit everybody.

NEW HORIZON BOATYARDS. The majority of New Horizon Boatyards are ideally situated in the very heart of the Norfolk Broads with easy access to the main cruising areas of all of the major Broads.

New Horizon & The River Thames

1 FERRYLINE CRUISERS, THAMES DITTON

Set just 20 miles from the royal town of Windsor, this boatyard is the closest to central London and is adjacent to Hampton Court. Access by road is via the A307. Rail travellers should use the overground station at Surbiton, where there are nearly always taxis available for the short journey to the boatyard.

2 MAIDLINE CRUISERS, WALLINGFORD

This boatyard is situated in the beautiful and historic town of Wallingford set in the centre of the Thames Valley. Road connections are particularly good being set just off the A425 Oxford to Maidenhead road with easy access to the M4 and M40 motorways. Rail travellers should use the station at Cholsey, where there are nearly always taxis available for the short journey to the boatyard.

THE RIVER THAMES. Perhaps England's most famous river, The Thames offers the holidaymaker afloat many differing opportunities to explore the very essence of this country's heritage and culture.

Meandering from beyond Oxford in the West towards London Town in the East, the Thames abounds with scenic and social delights. Riverside restaurants and pubs are just two of the topics of conversation that you may hear as you negotiate one of the many locks with the help of the resident lock keeper.

As well as numerous riverside establishments to help keep thirst and hunger at bay, the Thames takes you close by to a number of major towns and attractions including Richmond, Hampton Court, Thorpe Park, Royal Windsor, Eton and Bray (home to the Roux brothers' famous Waterside Inn restaurant), Henley and many more famous landmarks. A Thames cruising holiday offers almost infinite choice and variety. What you choose to see and do will depend on your location and get up and go!

NEW HORIZON BOATYARDS. The two New Horizon Boatyards are perfectly situated to take advantage of the full attractions of the river Thames. Each combines ease of access with superb facilities.

RIVER THAMES - STANDARD CRUISER FACILITIES

All cruisers on the River Thames are equipped as standard to the following high specification.

- Toilets (some with fresh water flush)
- Showers • Bedding
- Fridge • Cooker • Warm Air or Space Heating • Hot and Cold Water
- Buoyancy Aids
- Fully Equipped Galley
- Remember there are a full range of optional extras available.

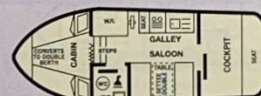

See page 48 for details.

NB. Many also have a Radio/Cassette Player, Soft Furnishings and Carpets.

Your Holiday Protection Plan

You can book a Horizon Holiday knowing that New Horizon's special Cancellation Protection provides real peace of mind. Unlike most travel policies New Horizon's Cancellation Protection is free of small print exclusions relating to pre-existing medical conditions. The cover and exclusions are exactly as you see below. As you'll see from our conditions of hire when you book as the person making the booking, you are responsible for the full hire terms even if you can't take your holiday as planned. This is only fair to the owner who, on your instructions, has reserved that boat exclusively for you.

This Cancellation Protection is the best and the most exclusive on offer. It will give you security and the peace of mind knowing that if you do have to cancel your booking or curtail your holiday for any of the reasons listed, you will not have to pay the balance-of-hire (and

you get your booking deposit back too less your Cancellation Protection Premium.) **Personal Holiday Insurance offers you unrivalled low-cost cover for your party and even gives you breakdown and accident recovery cover for your car** once you have started out on your holiday. Your cover starts as soon as your booking has been accepted and thereafter no refund of your premium can be allowed. An accident, theft or car break down can ruin your enjoyment, unless you are properly insured against theft or your money or your luggage, illness, accidental injuries and your personal liability. Also included is Travel Sure cover which will get you going again if you can't use your car because of breakdown, accident, fire or theft.

Cancellation Protection

Your Cancellation Cover

The protection will provide the following benefits if it is necessary and unavoidable for you to cancel your holiday because any of the Qualifying Reasons have occurred since your booking was accepted:

- If you cancel before the balance-of-hire is due and payable, we will:
 - Relieve you of the responsibility for payment of your balance-of-hire.
 - Refund your Initial Payment less your cancellation plan premium.
- If you cancel after the balance-of-hire is due and payable, we will:
 - Refund your balance-of-hire (or relieve you of the responsibility for payment of your balance-of-hire if it has not been paid).
 - Refund your Initial Payment less your cancellation plan premium and £16 administration charge.
- If you cancel your holiday and return home, we will give you a proportionate refund of the balance-of-hire paid.

In the case of multiple or party bookings where more than one boat is booked at the same time, cover is assessed on each boat individually.

Your Conditions of Hire

FAIR TRADING TERMS

Please read this carefully. When you book your holiday with us you are entering into a contract which binds you and us in various ways. You'll see we have clearly set out the booking conditions with a list of responsibilities and commitments we and you have towards each other.

1. Terms. All terms are per week, for the boat as equipped and described. Saturday dates are shown. For boats starting Sunday, Monday or Tuesday, the previous Saturday charges apply; for Wednesday, Thursday and Friday starts, the following Saturday charges apply.

Prices include 17.5% UK Value Added Tax (where applicable) and insurance premiums include Insurance Premium Tax at the current rate and are subject to change should the rate of application of VAT or IPT change. In the event of a change in the rate of VAT and/or IPT during the course of the year your holiday will be invoiced at the new amount of VAT or IPT, unless you have already taken your holiday or paid the balance in full, prior to the date of change. Our hire invoice and Booking Acceptance is not a VAT invoice.

We reserve the right to correct errors in both advertised and confirmed prices. We will do so as soon as we become aware of the error.

The time of take-over (subject to unavoidable delays) is normally 4.00pm or as shown on your Hire Invoice.

You must advise your boat operator using the telephone number on your hire invoice if, due to unavoidable delays in your journey, your arrival time is likely to be outside normal working hours.

Unless otherwise shown on your hire invoice your boat must be returned and handed back not later than 9.00am to the boatyard from which you started your cruise. You are always welcome to moor at your boat operator's boatyard on the evening before you hand back your boat.

You are obliged to leave everything in a clean and tidy condition. If you fail to observe this return procedure you are liable to an extra charge at the discretion of the operator.

2. Booking Confirmation. The submission of the completed booking form (or telephone agreement) shall constitute an offer by the client and a contract shall come into existence if and when New Horizon issues a hire invoice and booking confirmation. The contract shall be deemed to have been made at New Horizon offices at Stalham and is subject to English Law and the exclusive jurisdiction of the English Courts. In all cases these conditions of Hire form the basis of your contract with us.

Changes by You. Once a booking has been confirmed by you, should you subsequently require us to amend your booking or to re-invoice you for any reason (including for example accidental loss of your original invoice) a fee of £15 will be charged.

Up to 42 days before the holiday start date you may change your boat to another one within the same operator's fleet as your original booking, subject to availability and payment of the above fee. You may transfer your booking to someone else/another party (introduced by you) at any time providing you notify us and pay the administration fee of £15.

3. Booking Monies. When you book, you must pay the applicable Initial Payment shown in this brochure. This initial payment includes your subscription to New Horizon Cancellation Protection Plan and your Personal Holiday Insurance together with your Booking Deposit as part payment towards the cost of your holiday. If you do not wish to take out our Personal Holiday Insurance you must indicate this on your booking form.

For bookings from overseas we require 50 per cent of the hire charge as your Initial Payment.

Your balance-of-hire money together with your Fuel Deposit and Security Deposit or Damage Waiver is due and payable by you 6 weeks before the start of your holiday. Your Hire Invoice gives you full details.

For bookings made within 6 weeks of the holiday start-date you pay the full monies at the time of booking.

We reserve the right to pass on to you any bank charges and other costs we incur if payment is made in foreign currency, by Eurocheque exceeding £700, or by any other method not normally accepted by us or if we have to represent a cheque or process late payments.

4. Cancellation by You. Telephone us immediately if you have to cancel your holiday. Then on the same day send us by first class mail your hire invoice or take this action through your travel agent. Please tell us if you have already paid your balance-of-hire. Your cancellation is effective from the date we receive your written notification.

Your cancellation will be acknowledged by us in writing. We will then endeavour to relet for you.

If we are successful in reletting all of your holiday you will only forfeit your booking deposit. If we are only successful in re-letting part of your holiday or only manage to relet the whole of your holiday at a lower price than that originally paid and the value of the re-let is less than your outstanding balance of hire you will also be held responsible for the difference. If we can not re-let, then you will be held responsible for the prompt payment of the full cost of the holiday.

All or part of your liabilities as stated above may be covered if you have subscribed to our Cancellation Insurance and your reason for cancellation is one of those covered.

For early bookings we GUARANTEE you an unconditional refund of the money you have paid if, before 21 January 2001, you have to cancel any holiday booked to be taken from 1 April 2001 onwards.

5. Minors. Bookings from persons under the age of 18 cannot be accepted.

6. Boat Trial. A free demonstration run is given to you at the time of take-over. Whenever possible the person responsible for the booking must be present.

7. Boat delays or curtailments. No responsibility will be accepted by us or the boat operator for loss of time or expenses occasioned through accidental damage to the boat while in your charge. No liability can be accepted for loss of damage or expense which occurs as the result of any defect or breakdown occurring during your cruise unless this is caused by proven reason of the boat operator's failure to adequately maintain the boat in a fit state and

condition or is caused by the acts or defaults of ourselves or the boat operator or its employees.

Any defect or breakdown must be reported immediately to the boat operator during your cruise so that steps can be taken to repair the boat or remedy the service. (It is unlikely that trouble of this nature will arise as every boat is carefully checked before the start of each cruise.)

Neither we nor the boat operator shall be responsible for the consequences of delays or restrictions arising from obstructions, repairs or damage to navigational works, or those resulting from reasons which amount to "force majeure" (see Condition 17), and reserve the right to restrict cruising if unusual or hazardous conditions prevail. In the unlikely event of structural or mechanical damage, however caused, rendering your boat unusable, no responsibility can be accepted by us or the boat operator for loss of time or the cost of any alternative accommodation or any other damages or expenses.

8. Accidents. You have charge of the boat and are responsible for its safe navigation. A fee is included in your hire charge for the provision of insurance relating to your boat. The policy and premium charges apply to any New Horizon boat which you hire during the season or to any RYA approved tuition of similar craft or New Horizon demonstration trip and covers:

(a) Third Party claims (including passengers) to a limit of £2,000,000. The cover extends to indemnify any member of your party who may be in control.

(b) Accidental loss or damage to the craft or its equipment including propeller clearance and loss or damage covered by our Security Waiver Scheme (see below).

The premiums are incorporated in the cost of your holiday and will be passed by New Horizon to the insurers on your behalf. You will be issued with their receipt for the premium, details of the cover available at the boatyard or upon application to the Insurance Office at New Horizon, The Staithe, Stalham, Norwich NR12 9BX.

While the boat and its equipment is insured in this way you are primarily liable to indemnify New Horizon in respect of any damage, loss or injury arising from any failure by you or any member of your party to comply with these Conditions of Hire or from any willfulness or neglect. You are bound by the terms and conditions of this policy and in the event of any accident or damage to your boat, to other craft or property or injury to any person it is your responsibility to:

(a) find out the name and number of any other boat involved together with details of the owner or hirer concerned

(b) to report these facts, together with the extent of the damage to your New Horizon boatyard as soon as possible.

If you do not wish to take advantage of this cover evidence that acceptable alternative cover has been arranged must be provided at least 14 days before the commencement of your holiday.

Loss of water: You are responsible for any charges made by Waterways Authorities in respect of the loss of water or damage to waterway property caused by you.

9. Your Fuel & Security Deposit. New Horizon operate one of two fuel and security schemes. Details will be shown on your Hire Invoice. You must pay your waiver or deposit with your balance-of-hire ahead of your holiday. (See Condition 3.1) Any deposit refund will normally be made to you by a cheque payment.

Option 1: Security Waiver Scheme: Damage Waiver payment scheme: You make a one off non-refundable Damage Waiver payment of £25. This gives you full cover in the event of loss of or damage to your craft, its equipment and / or third party liability in lieu of the Security Deposit described below except in the event that we consider that the loss or damage has been caused deliberately or by negligence or carelessness when we reserve the right to make a charge for such deliberate, careless or negligent loss. You will also be asked to pay a fuel deposit from which only the cost of any fuel used will be deducted.

Option 2: Fuel and Security Deposit Scheme: you pay a refundable Security Deposit of between £75 and £100 (according to the waterway). This deposit, less charges for fuel, will be returned to you when you have finished your holiday, providing you return the boat and its equipment on time, undamaged, clean and tidy, and without Third Party claim against you. Any damage, loss and/or breakages to your boat that are in excess of the refundable deposit, will incur no extra penalty (except where caused negligently, wilfully or in breach of these Conditions of Hire), but in these cases fuel will be charged separately. Any damage, loss and/or breakages less than the value of your Security Deposit will be deducted and the balance of the deposit will be returned less the cost of fuel used.

Additional Deposits: You may be asked for an additional deposit (of up to £25 per head) at the discretion of the boat owner for certain parties or for very large and/or valuable boats. This is payable on your arrival at the boatyard.

If additional cleaning of your boat is required on its return, an extra charge will be made.

10. Linen/Towels. Towels are not supplied with the boat linen except for overseas visitors.

11. Accommodation. No boat may normally carry more persons than advertised in our brochure. Any change of crew during a holiday must be authorised by the boat operator.

12. Layout plans of boats in this Brochure are for general guidance. They are not to scale and alteration to accommodation during building or refitting may occur. Some boats within classes have minor variations. Some boats have steps which may not be shown on the plan. If you have infirm or disabled members in your party you should enquire as to the suitability of your boat when booking.

13. Production Boats. Photos of standard production boats are sometimes used for a class group of boats. As production boats are not always finished in identical colour schemes, this means your boat exterior may be different in colour from the photograph.

14. Obeying the Waterway Rules. You must observe the Navigation Authorities byelaws, including in particular, the rule that you must not navigate after sunset, or before dawn (before 8am on River Thames) and your speed must not be such as would or may inconvenience or endanger other users of the waterway.

15. Restrictions. On no account may you tow or be towed by other craft, unless you have professional assistance as towing can be a

hazardous operation if incorrectly undertaken. You must not cruise after sunset as your boat is not equipped for night navigation.

Under no circumstances may your boat be taken out to sea or downstream of Teddington Lock on the River Thames. Boats may not be entered in races or used for business purposes. No minor may control your boat without the supervision of an experienced adult.

No portable heaters of any type, bicycles, lighting equipment, TV sets or electrical appliances (other than an electric razor) may be taken or used aboard your boat without the express prior permission of the boat operator.

16. Availability. Your booking is accepted on the understanding that your confirmed boat will be available for your use in accordance with these Conditions of Hire on the agreed date. Very occasionally, "force majeure" (see Condition 17) and other events beyond our control (eg late return by previous hirers, accident and mechanical breakdown) does not make this possible. Where event is beyond our control result in your boat not being available, we have the right to cancel your booking. In this event, we will endeavour to offer you an alternative boat, if available. If we cannot do so or if you do not wish to accept the alternative boat we offer, we will refund all monies you have paid to us in full.

Where any cancellation or change results from events beyond our control, our liabilities are limited to offering you an alternative boat, where available. If we cannot do so, or if you do not wish to accept the alternative boat we offer, we will refund all monies you have paid to us in full.

Where any cancellation or change results from events from beyond our control, our liabilities are limited to offering you an alternative boat (where available) or full refund as set out above. We regret we cannot pay any compensation or meet any expenses or costs you may incur as a result of any such cancellation or change.

We have the right to refuse to hand-over a boat to any person who, in our opinion or in the opinion of the boat operator, is not suitable to take charge.

In such cases all hire charges paid shall be refunded in full but neither we nor the boat operator will have any further liability. In addition, we and the boat operator have the right to repossess a boat at any time if in the opinion of ourselves or the boat operator, or any member of your party is unsuitable to remain in charge, because of their age, ill health, disability, inexperience, suspected or actual influence of alcohol or drugs or any other reason, or because of the irresponsible behaviour likely to cause danger to themselves, other persons or property. In this situation we and the boat operator will have no further responsibility or liability and no refunds, costs or expenses will be made or met.

17. Force Majeure. We regret we cannot accept responsibility or pay any compensation where the performance or prompt performance of our contract with you is prevented or affected by reason of circumstances amounting to "force majeure".

Circumstances amounting to "force majeure" include any event which we or the owner of your boat could not, even with all due care, foresee or avoid. Such circumstances include the destruction or damage of your boat (which cannot reasonably be remedied to a satisfactory standard before the start of your holiday) through fire, flood, explosion, storm or other weather, adverse weather conditions, war or threat of war, actual or threatened terrorist activity and all similar situations beyond our control.

18. Your Pet. You are normally allowed to bring your cat or dog with you. The charge is £25 per pet per week. You must tell us that you are bringing your pet when you make your booking.

You must bring your pet/blanket or petbasket as pets are allowed only on the clear understanding that in no circumstances may they lie on the bedding or on chairs. Your pet must not be left unattended in your boat or elsewhere.

If subsequent to making your booking you decide you wish to take a pet with you (or you want to bring more than one pet), then you must contact the boat operator and get permission for this.

If extra cleaning of your boat is required after your holiday because of your pet, a charge may be made.

In the interest of visitor's safety, and following recent government legislation, we are sorry we are unable to accept the following types of dog: American Pit Bull Terrier, Japanese Tosa, Fila Brasileiro and Dogo Argentino even where these types of dogs are muzzled as required by government legislation.

19. Any Shortcomings: You must notify any shortcomings with your boat to the operator of your boat immediately so that remedial action, if appropriate, can be taken.

Neither New Horizon nor the operator of your boat can accept any liability in relation to any shortcomings or claim of whatever nature if you fail to notify the operator of the boat of any complaint or claim during your holiday and write to us within 28 days of the end of your holiday.

20. Your Vehicles. A charge is made for parking your car at some of the boatyards. Your vehicle and its accessories and contents are left entirely at your risk. We and the boat operator will not be responsible for any loss or damage from or to any vehicle from any cause whatsoever other than, in the case of the operator, the negligence of its employees or agents or, in our case, negligence of ourselves or our employees or agents.

21. Liability. Neither New Horizon, its agents, nor the Boat Owners and Operators can accept liability for any damage, expense, injury, death or loss of any nature whatsoever suffered by any person(s) from any cause whatsoever other than, in the case of the Owner(s) and/or the Operator(s) the proven negligence of him/herself or his/her employees or agents or, in our case, the proven negligence of ourselves or our employees or agents.

22. Personal Insurance. You are strongly recommended to take our Personal Holiday Insurance for your holiday. Full details of the cover provided will be sent with your booking acknowledgement.
