Wroxham

From its Wroxham base, Faircraft Loynes was established as John Loynes Boatyard in 1878 and operates a policy of constant renewal of boats which ensures that it is the cream of fleets on the Broads. The welcome of the owners and the friendly efficient staff will match the quality of the cruisers. The company is proud of its service, but as it caters mainly for families it regretfully cannot accept all male/female parties without prior arrangement.

TERMS AND CONDITIONS

Broads Tours Terms & Conditions 1995

1 Contract Any contract to hire a boat listed in this brochure and current supplements incorporates Conditions below and is between the boat operator and you as the hirer. The contract does not take effect until Broads Tours Limited despatch written confirmation of your booking to you. The contract is made in England and is governed in all respects by English Law.

2 Hire Terms All terms are inclusive of VAT and quoted in £ sterling per person per week per boat, equipped as described unless otherwise stated. As soon as the booking is confirmed by Broads Tours Limited the hire terms are guaranteed unless there is a change in the rate of VAT.

3 Extra Persons The number of persons indicated for each boat must not be exceeded except where provision for extra persons is specified in individual boat particulars.

4 Optional Extras Optional extras such as, dinghies, etc. may be available at extra charge as stated in the brochure, but are subject to availability on your hire start date.

5 Pets One pet is normally allowed aboard a boat unless otherwise stated in the boat details, at an extra charge. If you wish to take more than one pet, you must obtain prior permission.

6 Initial Payment You must send the initial payment stated on page 26 of the brochure with your booking form. This payment comprises your booking deposit in part payment for the cost of your boat, your subscription to Cancellation Insurance, and your premium for the Personal Insurance. It will be refunded if your booking is not confirmed.

7 Late Bookings If a booking is made less than 35 days before the holiday start date, full payment must be sent with the booking form. It will be refunded if the booking is not confirmed. Last minute bookings made by telephone must be paid by credit card or cash and confirmed by a completed booking form with the issue of a confirmation being deemed to be acceptance of these conditions.

8 Balance Outstanding Once your booking is confirmed you are responsible for the whole of the hire terms. The balance of hire must be paid to Broads Tours Limited. Confirmation no later than 28 days before the hire starting date or as otherwise stated on the Booking Confirmation. No reminders are sent and if the balance is not paid by the due date, Broads Tours reserve the right to cancel the booking and treat it in accordance with Condition 10. In no circumstances are post dated cheques acceptable and Broads Tours reserve the right to recover the cost of any bank charges incurred in handling dishonoured cheques, direct debit payments and foreign currencies.

9 Alteration Fee If you wish to alter any of your holiday arrangements after your booking has been confirmed, you must notify us in writing and we will do our best to help. An alteration fee of £15 may be charged by Broads Tours for any revised invoicing required.

10 Booking Cancellation If you cancel your booking you must immediately notify Broads Tours in writing by Recorded Delivery to the relevant address, either Wroxham or Potter Heigham (see over) and enclose your Booking Confirmation. In all cases of cancellation the deposit is forfeited. Broads Tours will endeavour to re-let the boat on the same hire terms, but unless such re-let is obtained you will remain responsible for the payment of the full balance of hire unless your notice of cancellation is received in writing more than 70 days before your holiday start date. Your subscription to the Broads Tours Cancellation Insurance relieves you of all or part of your responsibility for the balance of hire terms and/or deposit if you cancel for one of the qualifying reasons stated on page 26 subject to an excess of £25.

11 Non Arrival If you do not arrive at the boatyard by midday on the day following your hire start date, and you have not advised the boat operator that you will be late, the boat operator shall be entitled to place the boat for re-let forthwith. Under the foregoing circumstances and in accordance with Condition 10 above, if the boat is not re-let you are responsible for the balance of hire; or if the boat is re-let for only part of the period of hire, you are responsible for the remaining portion of the balance of hire.

12 Boarding of Boat Unless otherwise stated in the brochure, the normal time for boarding the boat is 4pm on the hire start date. Motor cruisers are let on the understanding that the boat operator will give you a trial run to explain the controls of the boat and its equipment, after which you are responsible for the boat. If the boat operator is prevented by circumstances beyond his control from making the boat available and cannot provide a suitable alternative, he will refund all monies paid by you but no further liability will be accepted. You should notify the boat operator of any deficiencies in equipment on the boat before the boat leaves the boatyard. Failure to do so may render you liable for payment in accordance with Condition 19. Any shortcomings later discovered should be notified to the boatowner so that they can be remedied for you. No claims can be considered after your holiday for shortcomings not so notified.

13 Return of Boat Unless otherwise stated in the brochure you must return the boat (including all its gear and equipment) in a clean and tidy condition to the boat operator at the boatyard where it was hire by 9am on the final day of hire. The boat operator may make a charge if the boat is not returned on time or if it is not returned in a clean and tidy condition.

14 Minors Bookings from persons aged under 18 years cannot be accepted.

15 Unsuitable Hirers The boat operator reserves the right to decline to accept a booking or refuse to hand over a boat to any person or group where in the opinion of the owner or operator facilities are not suitable for the person or any group member on the grounds of age, ill health, disability, inexperience or any other reason. In such case all sums paid shall be refunded in full and the contract shall be discharged without further liability on either party. The boat operator reserves the right to repossess the boat at any time where a serious accident or damage has occurred or in the opinion of the boat operator is likely to occur because of the unsuitability of the hirer due to age, ill health, disability, inexperience or any other reason. In such cases, the boat operator shall not be liable to make a refund of any portion of the hire terms paid.

16 Hirers Equipment You may not take on the boat, without the boat operator's prior permission, portable heaters of any type, lighting equipment or anything which may cause danger to the boat, its equipment or its occupants.

17 Fuel Unless otherwise stated in the brochure fuel will be charged extra according the amount used.

18 Injury or Damage to You or Your Property The boat operator is not liable for death, personal injury, or loss or damage to you or your property, or any property belonging to or in the possession of the hirer or any member of the hirer's party (including any motor cars parked at the boatyard or their contents) unless it is caused by the boat operator's negligence or wilful default.

19 Damage to The Boat and Its Equipment The boat is insured but you are responsible for it and for its gear and equipment. You are expected to take all reasonable care of it and to report and pay for any damage or for equipment lost, damaged or stolen. All equipment, utensils, etc, must be returned in a clean condition at the end of the hire period. An Indemnity Waiver is normally payable with the balance of hire terms and a guide to the amount charged is shown in this brochure. With the exception of wilful or criminal damage for which you are totally liable, you are responsible for loss or damage to the craft, its equipment or to any Third Party up to this amount.

20 Navigation Restrictions On no account may you: (a) Tow, or be towed by, other cruisers unless with professional assistance. (b) Cruise after dark (your boat is not equipped or insured for night navigation). (c) Permit your boat to be taken out to sea, or (d) Permit your boat to take part in any race. You must navigate in accordance with current bye laws and must observe the speed limits applicable to the waterway. On the Norfolk Broads no boats may be taken below Haven Bridge, Great Yarmouth or through the lock at Oulton Broad. More detailed information will be provided at the boatyard.

21 Accidents You have charge of the boat and are responsible for its safe navigation. No minor may control the boat without the supervision of an experienced adult. In the case of any accident or damage to the boat or to other craft or to waterway property it is your responsibility to: (a) Find out the name of any boat involved together with the names of its owners and hirer, & (b) Report these facts to the boat operator together with full details of the damage as soon as possible. No repairs may be put in hand without the boat operator's consent.

22 Loss of Water You are responsible for any charge made by waterways authorities in respect of loss of water or damage to waterway property caused by you while in charge of the boat.

23 Boat Delays or Curtailment Every boat is checked before the start of each hire cruise so it is unlikely that your boat will suffer a mechanical breakdown. If a breakdown of any kind should occur, you must report it to the boat operator immediately so that steps can be taken to repair and enable you to resume your cruise. Provided that the boat operator is informed, he will take steps to repair the boat and/or its equipment as speedily as practicable in the circumstances. Apart from the above obligations, the boat operator shall not be liable whatsoever in respect of any direct or consequential loss or damage that you may suffer, whether financial or otherwise, as a result of such a breakdown. The boat operator shall not be responsible for the consequences of delays or restrictions of cruising arising from obstructions, repairs or damage to navigation works, flooding, shortage of water, industrial action, fuel rationing, shortage or of non- availability of fuel, or other cause; and the boat operator reserves the right to restrict cruising if unusual or hazardous conditions prevail.

24 Modifications and Descriptions Every effort has been made to ensure that individual boat descriptions contained in the brochure are correct. However, the right is reserved to make modifications to boat specifications that are considered necessary in the light of operating requirements. Layout plans in the brochure are for general guidance and are not to scale. Illustrations of standard production built boats are sometimes used and the exterior colour scheme of your boat may therefore not be identical with the one in the brochure.

25 Disputes Any dispute, difference or question which may at any time arise out of the contract or the subject-matter thereof shall be referred to a single arbitrator to be agreed upon between the parties (or failing agreement to be nominated by the Chartered Institute of Arbitrators on the application of either party) in accordance with the provisions of the Arbitration Act, 1950, or any statutory modifications or re-enactment thereof for the time being in force.
These conditions supersede all previous issues.
