OUR BASES - IDEALLY SITUATED TO EXPLORE SOME OF THE MOST BEAUTIFUL CANALS OF THE NORTH WEST

WHALEY BRIDGE AND FURNESS VALE - Upper Peak Forest Canal

Our bases at Whaley Bridge and Furness Vale are on the edge of the Peak National Park and are the perfect starting points for various cruises through what is probably the most beautiful canal scenery in the country.

A popular holiday is a cruise around the re-opened Cheshire Ring, and includes the Rochdale and Bridgewater Canals, and passes the spectacular Anderton Lift. Licence for cruising the Rochdale Canal may be obtained from our office and should be applied for at least 4 weeks prior to your holiday date.

Also within reach of our base on a two-week cruise is the beautiful Llangollen Canal and the famous Pontcysyllite Aqueduct.

The Macclesfield Canal, now a conservation area, is a popular one week cruise for those who wish to spend some of the time looking at the many interesting places to visit along the way.

WIGAN - Leeds and Liverpool Canal

Our base at Wigan is ideally located for cruising the Cheshire Ring or for embarking on a journey along a canal which takes in valleys, hillsides, woodland, moorland, villages and small towns as it traverses the Pennines and Yorkshire Dales. Notable in an impressive variety of canal architecture and engineering on this "wide lock" canal is the famous "Bingley Five", a flight raising or lowering your boat through 60ft.
