Digital visa application platform for travel agencies, consultants & tour operators

A VISA PLATFORM BUILT FOR TRAVEL BUSINESSES

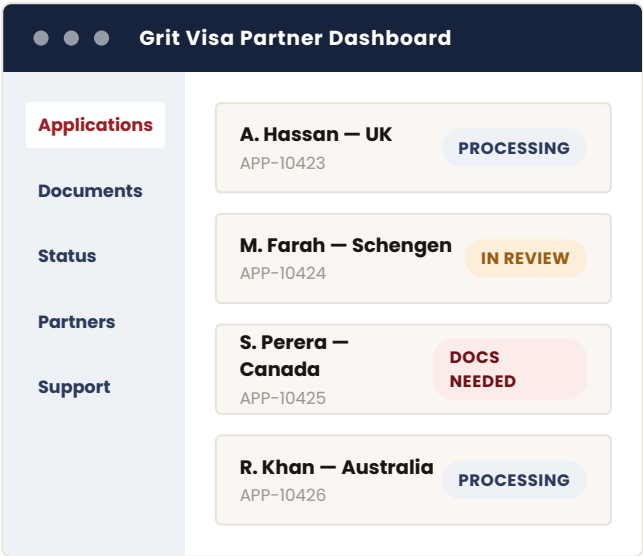

Grit Visa gives your agency an online way to submit and manage visa applications — instead of relying entirely on email, WhatsApp messages or physical document handovers.

ONLINE APPLICATIONS

Partners submit applicant information and required documents directly through the Grit Visa platform. Each application is created, organized and tracked in one place — built for agencies that process visa applications regularly and need a faster, more structured workflow.

YOUR PARTNER DASHBOARD

- Create and submit applications
- Enter applicant information
- Upload documents securely
- Keep applications organized
- Track application progress and status
- Identify missing or required documents
- Manage multiple applications at once
- Receive relevant updates

Illustrative dashboard view — access your visa-processing workflow from one place.

HOW IT WORKS

A simple online application journey — from free onboarding to a processed application, with human support at every step.

01

JOIN FREE

Create your Grit Visa B2B partner account. No onboarding fee.

02

SUBMIT ONLINE

Create an application and enter the applicant's details.

03

UPLOAD DOCUMENTS

Upload the required documents securely through the platform.

04

WE REVIEW

Our team checks the application and flags missing or inconsistent documentation.

05

PROCESS

Once the application is eligible and processing begins, the applicable B2B service fee applies.

06

TRACK

Monitor the application through your partner dashboard and receive relevant updates.

07

SUPPORT

Need help? Contact the Grit Visa team for human assistance throughout the process.

08

PASSPORT RETURN

Where applicable, passport/document collection and delivery can be arranged.

DIGITAL PLATFORM + HUMAN SUPPORT

Your agency can manage most of the visa workflow online through Grit Visa. When a case needs human attention, our team is available to help.

DIGITAL WHEN YOU WANT IT. **HUMAN WHEN YOU NEED IT.**

Real People. Real Support.

The application workflow is online — but partners are never left alone.

- Visa and documentation questions
- Application guidance
- Document review
- Missing-document clarification
- Application preparation
- Processing support
- Partner questions, answered

Offline Support, Still Available

The online platform is the primary workflow — offline support remains available where required.

- Passport / document collection
- Pickup from the agency or client
- Passport / document delivery
- Offline assistance when required

Use the platform for speed and organization. Contact the Grit Visa team when you need expertise.
