

Dr. SMITA KUMARI

U G C N E T J R F

PROFILE

I am a dedicated Ph.D. awardee, immersed in the dynamic realm of Teacher Education. With a passion for advancing knowledge, my research focuses on guidance and counselling areas, aiming to contribute valuable insights to the academic community. Having successfully published several pivotal research papers in esteemed journals, my work delves into research process, from formulating hypotheses to conducting rigorous experiments. As a Ph.D. candidate, I am committed to pushing the boundaries of understanding in my field and aspire to make a lasting impact through my contributions to the world of knowledge.
