

Andrew Joseph Maxey Memorial Scholarship

Mission Statement:

The Andrew Joseph Maxey Memorial Scholarship exists to honor a young man who loved the game of baseball, loved his teammates, and showed up every day with quiet toughness and loyalty.

The purpose of this scholarship is to recognize . . .

The competitor who plays because he loves it.

The teammate who stays late.

The player who works hard even when no one is watching.

The friend who shows up.

The young man who values loyalty, grit, and service over recognition.

Andrew carried these qualities from the baseball field into his life and ultimately into service as a United States Marine. His legacy is one of commitment, humility, brotherhood, and hard work. The scholarship seeks to recognize a student-athlete who reflects that same spirit.
