

English language training course

- 1- Log in using email address. After completing registration, a link to start the course will be sent to the email.**
- 2- Placement Test: This is a multi-part test lasting one hour and fifteen minutes. It consists of several main sections, including grammar, listening, and reading. Each question has multiple-choice answers; select the correct answer. After completing the test, the results will be sent to your email address.**
- 3- The course consists of 6 units.**
eating out -technology and electronic devices-health and fitness-
trips and holidays-clothes and accessories- going green
Each unit consists of :interactive content _ forum _URLs _quiz
- 4-At the end of the course there is a comprehensive test on everything that was learned during the course**

In each unit of this course, you will listen to a video, repeat what they say, read some material related to the topic, and then take a short quiz. Each unit has a specific number of lessons, but not all units have the same number; they vary depending on what you need to complete the topic.

This course will help you develop your English in areas such as pronunciation, reading, writing, listening, and vocabulary
