CARIBBEAN CRUISERS 'Holiday Afloat'

ON THE CANALS AND WATERWAYS OF ENGLAND, IRELAND, FRANCE & HOLLAND

CARIBBEAN CRUISERS

for a friendly holiday afloat.

Your friends will tell you how great it was — a 'Caribbean' cruiser holiday afloat—try it and experience two-holidays-in-one — your first starts immediately you board a 'Caribbean' or 'Bermuda' cruiser for it is here that you will enjoy the highest standards of comfort and convenience.

The spacious and luxuriously appointed interior, with central heating, is designed for 'five-star' living, whilst outside on deck the same high standards apply. Up front the deep, seated, cockpit offers safety for the children and the roof becomes a vast sundeck for lazing and sunbathing. Wide, handrailed, non-slip walk-aways run from stem to stern.

The stern mounted engine and hydraulic transmission is quiet, clean and smooth in operation and allows for real 'professional' control of the craft.

For your second holiday experience, 'Caribbean' cruisers offer you the widest choice of selected beauty spots, at home you can cruise the fine waterways of the Norfolk Broads or the picturesque Thames valley.

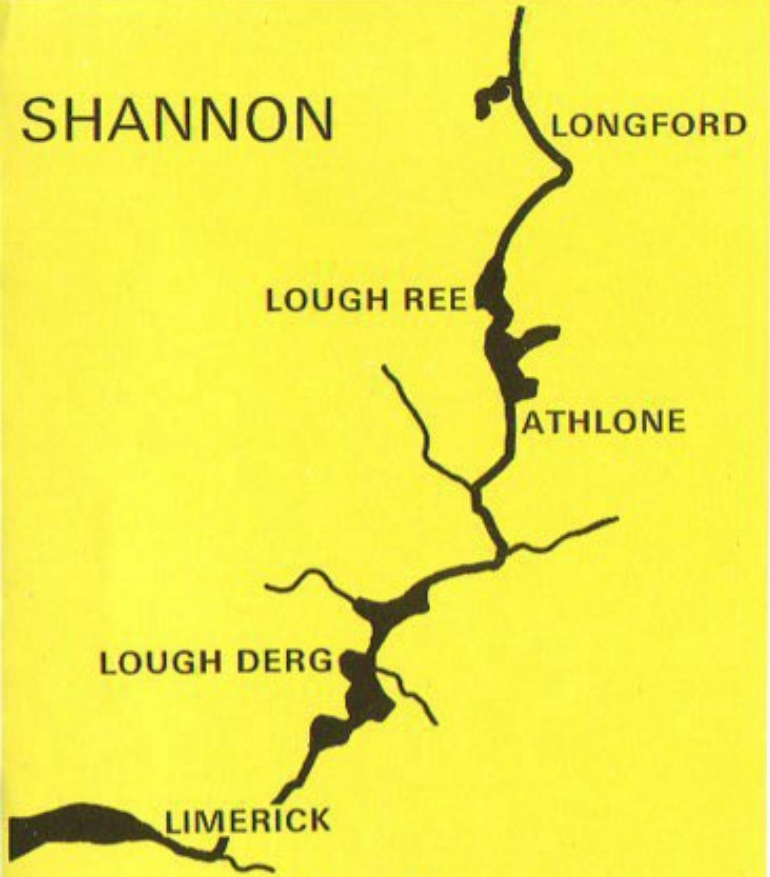

In Ireland the lovely Shannon river is at your disposal or from "Sneek" you can cruise through colourful and traditional Holland.

Further afield in Southern France you can admire the scenic beauty of the 17th Century 'Canal du Midi' from Toulouse to the Mediterranean Sea.

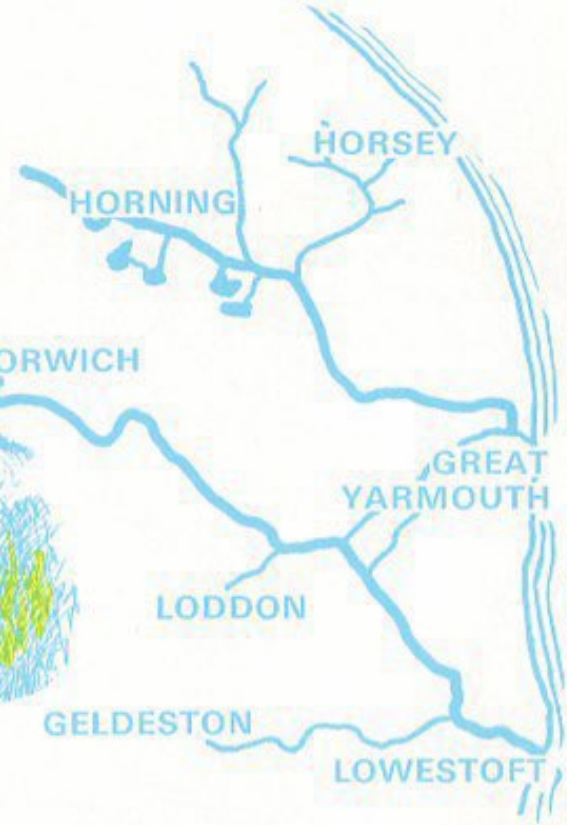

The graceful lines and large picture windows of the 34' 'Bermuda' are well illustrated above.
