KEY TO TABLES

At the top of each table you will find a series of initials, these indicate:

C	SF	V	RC	CD	M	T	S
Carpet	Soft Furnishings	Video Player	Radio Cassette	CD Player	Microwave	No. of Toilets on board	No. of Showers on board

BERTHS Under this heading the type of sleeping accommodation is indicated, ie: 2xD, 1xS means 2 doubles and 1 single berth.

PRICE BAND Each individual boat has its own price band indicated. Turn to pages 26 & 27 where you will find tables where you can look up the price for short breaks or a 7 day break.

CHOOSING YOUR HOLIDAY BOAT

Boats available for short-break periods at just two thirds of prices as shown on page 27. Choose from a 4 night break Monday to Friday or Tuesday to Saturday; or a 3 night break Friday to Monday or Saturday to Tuesday. See page 26 for further details.

For each class of boat an exterior picture is shown which is one of the boats named and is similar to all the other craft listed in each particular class section. This also applies to the interior photographs that appear throughout this brochure.

STEP 1 Review your holiday area. Pages 2 and 6 describe the Norfolk Broads area, showing details of the different boatyards, maps of the waterways and a list of the standard fixtures and fittings, as well as optional extras, available for each area's craft.

STEP 2 Choose your boat. The photograph, plans and table shows a typical entry in our holiday section listings which run from pages 7 - 24 for the Norfolk Broads. The key shows you what details to look for.

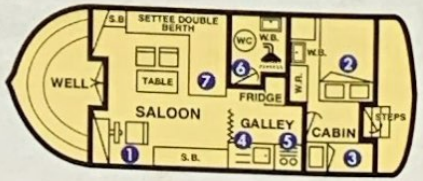

STEP 3 Decide if there are any optional extras that you will require. The list on page 28 can be used as a check list and also has pricing information for these items.

STEP 4 You are now ready to book your holiday! Use the booking form which is the back cover of this brochure to list all the relevant details required. At this point it may be wise to have a second choice of boat just in case your first choice is unavailable when you ideally require it. You may then book your holiday over the telephone, by post, or by fax. The booking form gives full details of what to do in each case. We have also made payment easier. Your initial deposit payment can be made by credit card or cheque. Details of initial payments are shown on page 29.

UNDERSTANDING YOUR BOAT PLAN

Every boat in our brochure is accompanied by a interior layout plan to help you decide exactly which vessel you would like to spend your New Horizon holiday on.

The plans indicate the position of the driving seat ❶, the number of single or double berths ❷ & ❸, facilities found in the galley (sink unit ❹ & cooker ❺), bathroom facilities ❻ and saloon area layout ❼ .Wardrobes are indicated by the initials W.R., sideboard - S.B., wash basin - W.B., work top - W.T. and dressing table - D.T.

WELCOME TO THE NORFOLK BROADS

The whole area is looked after by the Broads Authority which keeps the waterways open and safe for navigation. As well as also acting as the planning authority for the area, the Broads Authority ensures that the natural wildlife and habitat is conserved.

There are a number of important nature reserves situated in the Norfolk Broads and a trip through these are a must for interested visitors. Full details on the 28 reserves on the Broads can be obtained from the **Norfolk Wildlife Trust - Tel: (01603) 625540 and the RSPB - Tel:(01603) 661662.**

WHAT TO LOOK OUT FOR

Some of the most famous landmarks on the Broads are the numerous windmills which were once used for drainage purposes in the nineteenth century.

Four of these restored mills are now open to the public during the summer season; Berney Arms Mill is situated on the west bank of the river Yare about half a mile south-east of the railway station. Stracey Arms Mill is on the river Bure between Stokesby and Great Yarmouth. Horsey Mill can be found between Horsey Mill Staithe and the coast road and is maintained now by the National Trust.

Thurne Mill is the fourth of the restored open mills and is situated alongside the river Thurne in the village of Thurne about one mile west of the B1152 Acle - Martham road. However it is only open on Sundays during the summer.

FINALLY...

...if your idea of enjoyment is the peace and tranquillity that a quality fishing spot can offer, then the Broads is an Aladdin's cave of treasure just waiting to be discovered. As well as the two main tidal rivers that are fished, the Broads themselves present a huge variety of challenges to the ambitious angler, and with numerous tackle shops throughout the area, you will never be short of advice and help.

The Norfolk Broads are one of England's most unique areas and offer attractions to all who visit.

When you collect your boat at the beginning of your holiday, ask about the guide books that are available, and you can be sure to get the best out of an area that has so much to offer to everyone.

Since Victorian times, the Norfolk Broads have been a popular holiday destination for many thousands of visitors - there really is nowhere quite like it for simply messing about in boats!

There are five rivers which flow through the Broads - the Bure, the Yare, the Ant, the Thurne and the Waveney.

The Broads themselves are basically 40 or so shallow lakes which are the result of flooding the remains of mediaeval peat diggings.

Altogether there are some 125 miles or 200 kilometres of lock-free navigable waterways to explore.

Britain's finest boating location!

THE NORFOLK BROADS

The Norfolk Broads are Britain's finest and best-loved holiday boating location. For decades, this beautiful part of East Anglia has provided holidaymakers with unique scenery, access to wild birds and flowers not normally seen, some of the region's finest stately homes, as well as an abundance of thatched cottages, watermills and windmills that have become the Broads trademark.

The Broads are popular with first time visitors and 'seasoned' boaters alike. Being the Country's largest inland waterway system, there are always new areas to explore year after year, and the added attraction of not having to negotiate locks is welcomed by some.

A Broads cruise means waterside pubs, restaurants, easy and abundant mooring places and a peacefully relaxed atmosphere that is the essence of every good holiday. If that appeals to you, the Norfolk Broads will not disappoint.

THE BROADS AREA

The beauty of a Broads holiday is its flexibility. The historic City of Norwich is well worth exploring. Two magnificent cathedrals, several excellent museums and the new Castle Mall shopping development are all waiting to be discovered. To the East of the Broads are the famous golden sands of Gt. Yarmouth with its exciting seafront packed full of attractions and entertainment. Both Gt. Yarmouth and Norwich offer plenty of nightlife for those with plenty of energy left at the end of the day, with a host of restaurants, clubs, pubs and cinemas to suit everybody.

NEW HORIZON BOATYARDS

The New Horizon Boatyards are ideally situated in the very heart of the Norfolk Broads with easy access to the main cruising areas of all of the major Broads.

NORFOLK BROADS STANDARD CRUISER FACILITIES

All cruisers on the Norfolk Broads are equipped as standard to the following high specification:

- **Colour TV • Fresh Water Toilets • Showers • Duvets**
- **Bedding • Fridge • Cooker (Gas with oven)**
- **Warm air or Space Heating • Hot and Cold Water**

Remember there are a full range of optional extras available. See page 48 for details.

NB. Many also have a Radio/Cassette Player, Soft Furnishings, Carpets, Video Player and 240 Volt Power System.

RICHARDSONS, STALHAM

Based at Stalham, just 14 miles from both Norwich and Gt. Yarmouth, this site covers some 20 acres and is the largest Norfolk Broads base. The site itself is on the A149 between Wroxham and Potter Heigham. If you are travelling by train, the nearest station is Hoveton and Wroxham. Taxis are available from the station forecourt during the season. The site boasts a shop, restaurant, showers and a very large outside and undercover vehicle parking area. Pre-ordered grocery packs are also available at Stalham.

HORNING PLEASURECRAFT, HORNING

This boatyard is situated in one of the prettiest areas on the Broads. Horning village itself is an attraction for many of the visitors to the area. Access by road to Horning is via the A1062 from Wroxham. Norwich is just 11 miles away with the nearest railway station being that at Wroxham just 2 1/2 miles down the road. Taxis are available from the station forecourt during the season. Undercover vehicle parking is available at Horning boatyard.

HORIZON CRAFT, ACLE

Situated directly in the centre of Broadland, Acle boatyard is situated on the Bridge at Acle, a mere 1/2 mile from Acle village itself which is just off the A47 on the A1064 Caister road midway between Norwich and Gt. Yarmouth. For those arriving by train, there is a station in Acle, and there is a shuttle service available to and from the boatyard by prior arrangement.

You can book a Horizon Holiday knowing that New Horizon's special Cancellation Protection provides real peace of mind! If you do not wish to take advantage of this cover evidence that acceptable alternative cover has been arranged must be provided at least 14 days before the commencement of your holiday.

Loss of water: You are responsible for any charges made by Waterways Authorities in respect of the loss of water or damage to waterway property caused by you.

9. YOUR FUEL & SECURITY DEPOSIT New Horizon operate one of two fuel and security schemes. Details will be shown on your Hire Invoice. You must pay your waiver or deposit with your balance-of-hire ahead of your holiday. (See Condition No.3.) Any deposit refund will normally be made to you by a cheque payment.

Option 1: Security Waiver Scheme: Damage Waiver payment scheme: You make a one off non-refundable Damage Waiver payment of £25. This gives you full cover in the event of loss of or damage to your craft, it's equipment and / or third party liability in lieu of the Security Deposit described below except in the event that we consider that the loss or damage has been caused deliberately or by negligence or carelessness when we reserve the right to make a charge for such deliberate, careless or negligent loss. You will also be asked to pay a fuel deposit from which only the cost of any fuel used will be deducted.

Option2: Fuel and Security Deposit Scheme: You pay a refundable Security Deposit of between £75 and £100. This deposit, less charges for fuel, will be returned to you when you have finished your holiday, providing you return the boat and its equipment on time, undamaged, clean and tidy, and without Third Party claim against you. Any damage, loss and/or breakages to your boat that are in excess of the returnable deposit, will incur no extra penalty (except where caused negligently, wilfully or in breach of these Conditions of Hire), but in these cases fuel will be charged separately. Any damage, loss and/or breakages less than the value of your Security Deposit will be deducted and the balance of the deposit will be returned less the cost of fuel used.

Additional Deposits: You may be asked for an additional deposit (of up to £50 per head) at the discretion of the boat owner for certain parties or for very large and/or valuable boats. This is payable on your arrival at the boatyard. If additional cleaning of your boat is required on its return, an extra charge will be made.

10 LINEN/TOWELS Towels are not supplied with the boat linen except for overseas visitors.

11 ACCOMMODATION No boat may normally carry more persons than advertised in our brochure. Any change of crew during a holiday must be authorised by the boat operator.

12 LAYOUT PLANS of boats in this Brochure are for general guidance. They are not to scale and alteration to accommodation during building or refitting may occur. Some boats within classes have minor variations. Some boats have steps which may not be shown on the plan. If you have infirm or disabled members in your party you should enquire as to the suitability of your boat when booking.

13 PRODUCTION BOATS Photos of standard production boats are sometimes used for a class group of boats. As production boats are not always finished in identical colour schemes, this means your boat may be different in colour from the photograph.

14 OBEYING THE WATERWAY RULES You must observe the Navigation Authorities byelaws, including in particular, the rule that you must not navigate after sunset, or before dawn and your speed must not be such as would or may inconvenience or endanger other users of the waterway.

15 RESTRICTIONS On no account may you tow or be towed by other craft, unless you have professional assistance as towing can be a hazardous operation if incorrectly undertaken.

Under no circumstances may your boat be taken out to sea or downstream of Teddington Lock on the River Thames. Boats may not be entered in races or used for business purposes. No minor may control your boat without the supervision of an experienced adult.

No portable heaters of any type, bicycles, lighting equipment, TV sets or electrical appliances (other than an electric razor) may be taken or used aboard your boat without the express prior permission of the boat operator.

16 AVAILABILITY Unfortunately, this is occasionally not possible. If your confirmed boat is not available as agreed, this will almost always be due to events beyond the companys control (see condition 17 below). If your booking has to be cancelled we will offer you the choice of an alternative boat for the same holiday period (at no extra cost) if available. Should this alternative not be suitable we will make a refund of all monies paid.

Where any cancellation or change results from events from beyond our control, our liabilities are limited to offering you an alternative boat (where available) or full refund as set out above. We regret we cannot pay any compensation or meet any expenses or costs you may incur as a result of any such cancellation or change.

We and the boat operators have the right to refuse to hand-over a boat to any person who, in our opinion or in the opinion of the boat operator, is not suitable to take charge.

In such cases all hire charges paid shall be refunded in full but neither we nor the boat operator will have any further liability. In addition, we and the boat operator have the right to repossess a boat at any time if in the opinion of ourselves or the boat operator, you or any member of your party is unsuitable to remain in charge because of their age, ill health, disability, inexperience, suspected or actual influence of alcohol or drugs or any other reason, or because of the irresponsible behaviour likely to cause danger to themselves, other persons or property. In this situation we and the boat operator will have no further responsibility or liability and no refunds, costs or expenses will be made or met.

17. EVENTS BEYOND THE BOAT OPERATORS CONTROL Unfortunately, events beyond New Horizon control occasionally affect booking. When references made to such events in these Conditions of Hire, this means any event(s) or Circumstance(s) which New Horizon could not, even with all due care, forsee or avoid. Such events include:

- Destruction or damage of your boat (which cannot reasonably be remedied to a satisfactory standard before the start of your holiday) due to fire, flood, explosion, storm or other weather damage, accident, break-in, criminal damage or any similar cause.
- Mechanical breakdown or other mechanical or technical problems affecting your boat (which cannot reasonably be remedied to a satisfactory standard before the start of you holiday).
- Flooding, shortage of water, obstruction, repairs, damage or similar event affecting any waterway, waterway structure or facility such as a lock or bridge or navigational equipment which prevents or affects your taking your confirmed holiday.
- Adverse weather conditions and tides (which may restrict navigation and passage through bridges/locks).
- Shortage or non-availability of fuel for the boat.
- Late return by previous hirers.
- Industrial action, riots, civil strife, natural or nuclear disaster, fire, war, threat of war, actual or threatened terrorist activity and all similar situations.

We regret that New Horizon cannot accept responsibility or pay any compensation, cost or expenses where the performance of your contrast is prevented or affected or otherwise suffer any loss or damage as a result of events beyond New Horizons control. This includes any delays to and or restrictions in cruising to which you may be subject (New Horizon or the waterways authority are entitled to impose restrictions in the situations mentioned above). However if your booking has to be cancelled as a result, we will of course offer you an alternative boat/date or if this is unacceptable a full refund of monies paid.

18. YOUR PET You are normally allowed to bring your cat or dog with you. The charge is £30 per pet per week. You must tell us that you are bringing your pet when you make your booking.

- You must bring your pet-blanket or pet-basket as pets are allowed only on the clear understanding that in no circumstances may they lie on the bedding or on chairs.
- Your pet must not be left unattended in your boat or elsewhere.
- If subsequent to making your booking you decide you wish to take a pet with yo (or you want to bring more than one pet), then you must contact the boat operator and get permission for this.
- If extra cleaning of your boat is required after your holiday because of your pet a charge may be made.
- In the interest of visitor's safety, and following recent government legislation, we are sorry we are unable to accept the following types of dog: American Pit Bull Terrier, Japanese Tosa, Fila Barsileiro and Dogo Argentino even where these types of dogs are muzzled as required by government legislation.

19. ANY SHORTCOMINGS You must notify any shortcomings with your boat to the operator of your boat immediately so that remedial action, if appropriate, can be taken. Neither New Horizon nor the operator of your boat can accept any liability in relation to any shortcomings or claim of whatever nature if you fail to notify the operator of the boat of any complaint or claim during your holiday and write to us within 28 days of the end of your holiday.
