1. OUR COMMITMENT

Liée is committed to ensuring that our website and digital services are accessible, inclusive and usable for all individuals, including persons with disabilities.

We strive to provide an online experience that is accessible to the widest possible audience regardless of technology or ability.

As an international organisation operating across Côte d'Ivoire, South Africa and the Netherlands, we recognise the importance of equal access to information and digital services.

2. ACCESSIBILITY STANDARDS

We aim, where reasonably practicable, to align our website and digital content with internationally recognised accessibility principles and standards, including relevant aspects of the Web Content Accessibility Guidelines (WCAG).

Our objective is to ensure that our website is:

- perceivable;
- operable;
- understandable; and
- robust

for users across different devices, browsers and assistive technologies.

3. ACCESSIBILITY FEATURES

We aim to support accessibility through measures including:

- clear and consistent website navigation;
- readable font styles and sizing;
- responsive website design;
- compatibility with commonly used browsers;

- structured content and headings;
- keyboard accessibility where possible;
- alternative text where appropriate;
- colour contrast considerations;
- simplified user experience.

4. CONTINUOUS IMPROVEMENT

Liée is committed to continuously improving the accessibility and usability of its website and digital platforms.

We regularly review our website and may make updates, modifications or improvements to enhance accessibility and user experience.

5. THIRD-PARTY CONTENT

Certain areas of our website may contain third-party content, integrations or links to external platforms.

While we encourage accessibility standards among our partners and providers, Liée cannot guarantee the accessibility of third-party websites or systems not under our direct control.

6. FEEDBACK AND ACCESSIBILITY SUPPORT

We welcome feedback regarding the accessibility of our website and digital services.

If you experience any difficulty accessing content, require assistance, or wish to report an accessibility issue, please contact us and we will make reasonable efforts to assist you.
