GRAND CHANCELLOR NETWORK DIRECTIVE N.4A - GINO SANDRI - SUMMONING BEFORE THE PRIORAL COURT OF JUSTICE, COUNCIL OF THE 13 ROSE-CROIX, September 3rd, 2020.

GRAND CHANCELLOR NETWORK DIRECTIVE N.4B - CONVENING OF THE COUNCIL OF THE 13 ROSE-CROIX, September 5th, 2020.

FINDINGS

Per the above mentioned issues, yesterday Saturday 19th September 2020 the Council of the 13 Rose-Croix met on Ordinary Session.

The Chairman appointed a Secretary who took note of the voting within the Council.

At the Council were present 10 members over 13 high ranking brothers and sisters of the Order from Europe, South America, UK and Africa. This gave to the Council the legal number to procede with the Justice Session.

Of the remaining 3 members, two were excused for personal motivations, one was not excused.

Brother Gino Sandri, despite being duly Notified of the action against him did not show up in front of the Council.

The Order's Prosecutor read the Accusations as stated in *GRAND CHANCELLOR NETWORK DIRECTIVE N.4A - GINO SANDRI - SUMMONING BEFORE THE PRIORAL COURT OF JUSTICE, COUNCIL OF THE 13 ROSE-CROIX, September 3rd, 2020.*

The Order's Prosecutor entered in the Council a member of the Order who testified confirming the data of the accusations and giving more relevant data about the matter.

Per the data and evidences given to the Council, behind this plot of creating another Prieuré of Sion approved by Gino Sandri there are two former members of the Order, known because they have been already duly expelled in the past.

The first one is the former Italian Regent, D [REDACTED] G [REDACTED] expelled with dishonor in 2019 for proclaiming himself senior to the Most Serene Grand Master and for trying to give to the Prieuré de Sion a fake and illegal Free Masonic identity, when the Prieuré of Sion is NOT a Masonic association.

Recorded evidences of this are at records and can be produced legally if necessary.

Per the data given to the Council, G [REDACTED] was apparently operating to create this coup d'état in Romania creating a Fake Prieuré de Sion, involving a local Romanian person who could be not aware of G [REDACTED]'s position, and so this last person is not mentioned in this issue.

Within the data the testimony produced to the Chancellery there is also a picture of this Romanian person not belonging to the Order: he is wearing some fake Regalia featuring our symbols, symbols who cannot be worn by people not legally part of the Prieuré de Sion.

The other person Invested by Sandri as the "Grand Master" of the Prieuré de Sion, this time for United Kingdom, is another member expelled from the Order, former UK Regent A [REDACTED] T. C [REDACTED]

In a recent Investigation covered by GRAND CHANCELLOR NETWORK DIRECTIVE N.2a, c and C UK - INVESTIGATION SURVEY starting on June 3rd 2020, A [REDACTED] C [REDACTED] came up responsible of a bad situation in the UK. He tried to establish a personal Regime within the UK where people not wanting to follow his directions had to be legally hit by the Order. But after a throughout investigation, innocent blamed brothers were saved by his dictatorial spree, as they were not to blame, and so A [REDACTED] who felt powerless left the Order, receiving right after a formal Expulsion Document at his name.

It is therefore evident that this attempt to build a parallel and fake Prieuré de Sion was caused by former members who despite being recognized and expelled because they acted against the Order, did not want to recognize that they were spotted and declared unworthy of being in the Order, so having no rights at all within the One and Only Prieuré de Sion.

About Gino Sandri, on 11 March 2017, he transmitted the initiatory powers of Grand Maître of the Order to the current Most Serene Grand Maître Bro Marco Rigamonti.

Since Marco Rigamonti was regularly invested with the office of Grand Maître of the Order, he assumed a position protected by the Statute of the Order as inviolable and sacred.

Brother Gino cannot act against the legality of the Order, specially because he is a member of the Order, so he is to follow its Statute.

From the Statute of the Order, in Article 5 we read:

"Article V

The Grand Master is the highest spiritual authority and the sovereign of the Order, consequently his final decisions cannot be overturned in any way. "

Therefore Brother Gino had no rights at all to undermine the Powers of the Most Serene Grand Master of the Order while he was the Patriarch.

...

"Betrayal of the Grand Master is punished with direct expulsion for dishonor."

Brother and sisters of the Council discussed accurately on every aspect of this data, trying to find a resolution that could be fair and just, for the Order and all the members involved.

Every single member spoke and expressed his/her own opinion and recommendations about these facts.

After the resolution was agreed upon, it was voted Democratically, as it follows:

RECOMMENDATIONS

The following where the Recommendations that were voted unanimously by the 10 present Members of the Council of the 13 Rose Croix (11 favorable Votes with the vote of the Grand Master Counting twice):

Gino Sandri is expelled from the Order with dishonor and all his Initiatic Powers are therefore cancelled. He can no longer speak or act for the Prieuré of Sion in whatsoever manner or form.

He has 7 days time to come back to his senses and recant, and if he desires to have an appeal can write directly to the Most Serene Grand Master bringing his sincere excuses and evidences that can be used to re evaluate his position.

At this point this issue could be suspended and reviewed accordingly to the clemency of the Most Serene Grand Master.

Passed this period of time, if no appeal will be presented, this issue is to be inserted in the Website of the Order so that his position can be cleared world wide to everyone needing to know.

Attached to this issue within 7 days from the date of publication there will be the original issues expelling D [REDACTED] G [REDACTED] and A [REDACTED] T [REDACTED] C [REDACTED], so no one can be anymore fooled by their fake claims about the Order.

FURTHER LAW

The Position of “Patriarch of the Order”, that was an honorary position created for Gino Sandri, is therefore cancelled, so to not introduce a possible misunderstanding where someone could think that in the Order exists a position which is senior to the one of the Grand Master.

As the Grand Master is and always will be “the highest spiritual authority and the sovereign of the Order” as stated on the Statute of the Order.

There is NO position senior to this, and never will be.

No one will anymore use the term “Patriarch” or give such title to anyone inside the Sacred Merovingian Order of the Priory of Sion (Prieuré de Sion).

This is a decision of The Sacred Council of the 13 Rose-Croix and so it is made into internal Law.

Light won over darkness.
