Digital Reporting Officer – A ‘men Platform

Receive, review, and process digital reports submitted through the A 'men platform related to non-compliant media content and digital advertisements on social media platforms.

Monitor and analyze digital content (videos, images, advertisements, and posts) to ensure compliance with UAE Media Law No. 55 of 2023 and approved media content policies.

Classify reports based on violation type and risk level and prepare detailed assessment reports supported by digital evidence.

Verify influencer advertising compliance, including licensing requirements and mandatory disclosure of paid advertisements.

Collect, preserve, and document digital evidence (screenshots, links, archived content) in accordance with regulatory standards.

Provide recommendations on appropriate enforcement actions, including content removal, warnings, fines, or legal escalation when required.

Coordinate with internal teams and relevant authorities to ensure effective resolution of reported cases.

FREELANCER

2020-2025

GRAPHIC DESIGNER

I have worked on many projects and one of them was re-designing reports for many corporations, such as Mohammed Bin Rashid College of Government Administration, General Authority for Audiovisual Media, Dubai Customs, Ministry of Foreign Affairs and International Cooperation of the United Arab Emirates, and General Pension Authority, and working on creating many other designs for many clients.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
