Lesson Theme: Shining for Jesus

Main Texts: Matthew 5:14-16; Philippians 2:14-15; John 1:5

“CHINEDU AND THE NEW BOY”

Chinedu was in Primary 5, and everyone in his class knew he was funny, smart, and kind. His teacher often said, “Chinedu is a light in this class”. One day, a new boy named Wasiu joined the school. He came from another village and didn’t speak English very well. He wore torn sandals and sat alone during break.

Some boys laughed at him and called him names. Chinedu noticed this.

At first, he wanted to ignore it so that people wouldn’t laugh at him too. But during morning devotion, the memory verse was: “Let your light shine before others...” (Matthew 5:16). Chinedu felt a tug in his heart. So during break, he walked over to Wasiu and said “Hello. I’m Chinedu. Do you want to play with us?” Wasiu smiled shyly and nodded.

From that day on, Chinedu made sure Wasiu felt included. He even gave him one of his extra notebooks and taught him some English words. Other children began to follow Chinedu’s example, and soon Wasiu was no longer alone.

One afternoon, their teacher said, “Class, who can tell me what it means to shine for Jesus?” Wasiu raised his hand and said slowly, “It means... to be like Chinedu.” The whole class clapped.

Questions to Discuss:

1. What did Chinedu do that showed he was shining for Jesus?
2. Was it easy or hard for him to do the right thing?
3. How can you be a light in your class or neighborhood?

LEGION IRON GYM

Legion Iron Gym is a place where people lift heavy weights and train to be strong.

When they practice every day, their muscles grow, and they look almost like superheroes!

But there's something even more important than muscles.

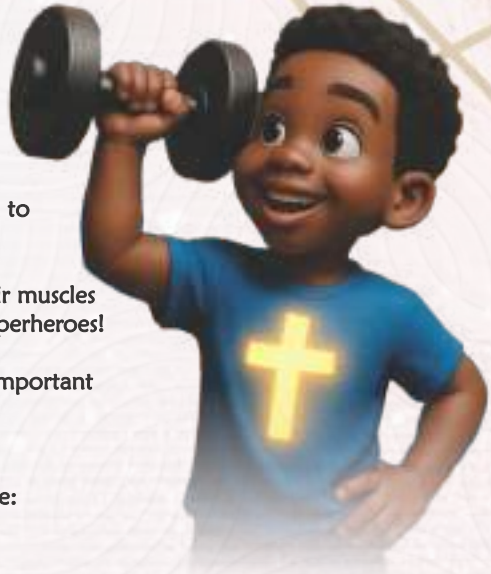

It's our HEART and SPIRIT.

We make our spirit strong when we:

- Pray to God
- Read the Bible
- Show kindness
- Help others

These are like special exercises for the heart.

Just like the gym makes our body strong and fit, training our spirit makes us SHINE BRIGHT FOR JESUS.

Safe Structure Designs makes special tools and equipment that help people do their jobs safely.

Imagine when someone has to fix a big airplane, a ship, or even a train. It's very high and can be dangerous. So this company builds strong ladders, platforms, and seats that make it easy and safe for the workers to climb, stand, or sit while they fix things.

Just like workers need safe structures to keep them from falling, people need Jesus to keep them safe in life. And when we shine our light, we help others see that Jesus is the safest foundation.

So children shine your light, tell people about Jesus love for them.
