**The BBC Essex Premier Cup Final
Corinthians 3-0 Frenford Dev**

What a night for our club, Brilliant throughout the competition brushing aside very good opposition to make the final. Goals on the night from Matt Brinklow and a brace from our striker Bailey Moss. A player of the match performance from Ricco Brooker who was sensational on the night along with our other young full back Kian Hayter.

“The boys were brilliant tonight,” said Dewberry. “Absolutely fantastic to a man. Everybody got game time. I’m so pleased for all of them: all our fans, all the management, really pleased.”

“I think, after the second goal went in, they noticed that we were probably a little bit too good for what they had. We put the players off the bench as well and everyone played their part, which is the main thing for me, to get everybody involved and enjoy the game.”

CATCH UP WITH CALLUM KING

It's been a great start to the season for team and yourself, you have scored some crucial goals, how has it felt coming into the team?

Yes, it's been great, I feel like it couldn't of gone better for myself when settling in, I think we have a great group on and off the pitch and the results have shown that.

With a talented squad it's difficult but is there anyone you have made a connection with on the pitch, anyone you have been really impressed with this season so far?

Honestly can't fault any of the boys this season all have been great but if I had to pick one of the boys out it would have to be the Jamie skinner. I think he's been so important for us this year and helped us from the back with important tackles, goals and always looking forward which is ideal for myself higher up the pitch as I always want to get in behind.

Who has been the hardest opposition you have played so far?

I think two teams stick out for different reasons and they are Shenfield and ACD. Shenfield was a great match to play, they gave us a battle and was great to come out on top, to do in the last minute was even better. There was some crazy celebrations as the gaffer scored the winner. Playing against ACD, I found challenging more due to the conditions on the pitch and style of football they liked to play.

Where did you play before Corinthians and how is it playing under the leadership of Nathan, Dylan and Luke?

Before Corinthians I was playing for Rayleigh and had been down at the level since secondary school. Then to come in the team under Nathan, Dylan and Luke It's been great couldn't ask for much more. They are really supportive, and I feel trusted to do my job.

What's your ambition in football, do you purely play for the love if it or would you like to play as higher level as you can?

I definitely can say I play for the enjoyment as I love to play and after playing a few divisions below for so long I decided to push myself this season, make that jump up as I do want to play as high as I can and want to play in more competitive games.
