## ★ THE GAFFER ON OLD SOUTHENDIANS

“Looking forward to meeting Old Southendians for the second time this campaign, since the opening game of the season which was a brilliant game ending in us sharing the points.

We of course would love to go one better & take all 3 points this time, we also know we have a big task in front of us against a strong & well drilled side. We’re looking forward to the challenge.

A win for us Saturday will really put us in a good position going into the short break over Christmas”.
