Blue Lake Conservancy District February 5, 2023 Board Minutes

The February 5, 2023, Board of Directors meeting of the Blue Lake Conservancy District (BLCD) was called to order at 7:01 pm by President Lisa Waterman with all board members present including Randy Dunn, Steve Shrock, Vince Simmers, and Darlene Ramus. Support persons including Maintenance Superintendent (MS) Rick Hamilton, Finance Clerk Amy Goodwin, and Legal Counsel, Andrew Grossnickle, were also present. The BLCD also welcomed presenting guests Steve Henschen of JPR Engineers and Jeff Rowe of Baker Tilly Municipal Consultants. No freeholders were present.

A motion was called for approval of the minutes from the January meeting. Motion by Director Shrock, Seconded by Runn, to accept the minutes as presented. Motion passed, Minutes accepted.

Waterman then moved to the presenting guests with Jeff Rowe, of BakerTilly, presenting first. His responsibility to the BLCD is the calculation of the new rates needed to cover the increased costs of processing charged by the Town of Churubusco. Rowe informed the board that his calculations, after consulting with Waterman and Ramus, show the new Freeholder rate will be \$107.35, consisting of \$102.02 for processing and \$5.33 in billing charges. Further, the debt service-only payment shall increase to \$65.55 including \$60.22 base with \$5.33 billing charges. Rowe relayed the process of reviewing the increased capital replacement costs and other improvements needed and stated the debt service must increase given the across the board increases in all costs associated with operating the systems.

At this time, Grossnickle relayed the need to send a letter to all Freeholders who own unimproved land within the BLCD. Letters must be sent via USMail per state statute notifying them of the pending rate change and public meeting. Ramus relayed there were 16 such Freeholders. Goodwin will sent out the notice. Grossnickle relayed the new ordinance must be available at the office for Freeholder inspection.

Ramus then made a motion to introduce "Ordinance 2023-01, "Ordinance Amending and Restating Sewer Rate Ordinance," and tp suspend the reading of the ordinance. Seconded by Shrock. Motion passed. Final approval will be reserved for the Public meeting set to occur on February 20, 2023. Grossnickle then relayed he had carefully monitored the timing of the notices placed within the Columbia Post N Mail and the Churubusco News to ensure full compliance with the law.

Steve Henschen was then called to discuss the Capital Improvement Plan and the status of the Arrowhead Housing Division. Henschen first started with a daily flow review of gallonage processed by the Town on behalf of the BCLD and noted a few days over the past few years that were over daily flow limits. Fundamentally, we operate well within the limits of our InterLocal agreement; however, due to I&I and increased usage and users, Henschen stressed it is extremely important that we monitor the gallon flows on a daily basis.

Henschen then turned his focus to the Arrowhead Division and stated he had reviewed the plans for the sewage system and infrastructure. While there were a few minor things to correct, overall the plan was sound. He suggested that the board authorize Waterman to sign the agreement once all is resolved, but prior to the next scheduled BLCD meeting. Motion by Dunn, seconded by Shrock, to allow Waterman to approve the design plan and sign the capacity certification upon receipt of the final review fees from Arrowhead. Motion passed.

Henschen also made note of the "inspection Fees" which are to track homes as they come into the system. He suggested Hamilton prepare to track the hours for each visit.

BLCD Board Meeting Minutes February 6, 2023 Meeting Page 2 of 3

Treasurer Darlene Ramus presented the financial reports. The Accounts Payable (A/P) Voucher Register was presented with a total of \$42,295.87. Motion by Dunn, seconded by Shrock to accept the A/P Voucher Register. Special notation made for the purchase of 6 air release valves at a cost of \$8385.16 was made as part of the continued Capital Improvements Project. Also notable was the increased payment to the Town of Churubusco Utilities for \$13,806.23, evidencing the significant increase in charges for sewage processing.

The Monthly Recap report showed an opening balance of \$204,293.31 with \$32539.73 in receipts. Deucting the disbursements from the account balance, the ending checking account balance was \$230,456.89. Adding the checking account balance with the CD held at F&M Bank of \$102,732,.02 – gives a total balance of current funds at \$333,188.91 Motion by Shrock, Seconded by Simmers to accept the Monthly Recap report as presented.

The 2023 Disbursements Report was then presented. A budget disbursement total of \$492,200 was shown with just \$446,800 expected in receipts. This amount for receipts was taken from reports provided by Baker Tilly to evidence the correct billings of the BLCD and was handwritten into the report. Corrections as noted, Motion to accept made by Simmers, seconded by Dunn.

Ramus mentioned she is reviewing all payments as several Freeholders are paying incorrect amounts. She will notify them with a letter written by Waterman of expected satisfaction of unpaid balances and correct payments going forward.

Waterman asked status of getting higher rate Certificates in place. Waterman Ramus and Goodwin will work together to seek higher earnings on BLCD savings this month.

Waterman then asked for Hamilton to present the Maintenance Superintendent report. Hamilton had a busy month with a few electrical problems, one violation, and a new pump installation, SI#091222B, at 13-8. Plenty of bugs were added into the lift stations and operating systems. Locates were down considerably and inventory reasonable with just one 2 HP keen Pump on order. Motion by Ramus, seconded by Shrock to accept the Maintenance Superintendent's report.

OLD BUSINESS – Lift station – There is still need for a fly wheel to be fixed along with WIFI connections to be completed. Simmers to review and complete

Maklofka matter - no update.

Rate Increase - see above.

Election and Upcoming Annual Meeting – shall be held in the open section of the Blue Lake Association Building on the fourth Tuesday of February, February 25, 2023. No election as neither Ramus nor Simmers is running opposed. Grossnickle to provide the OATH of office.

Capitalization Improvement Plan – see above. Work with Henschen with ARV's.

Arrowhead Development – see information above.

BLCD Board Meeting Minutes
February 5, 2023 Meeting

There being no further business, motion to adjourn made at 950 pm, by Simmers, with second by Shrock. Motion passed.

Respectfully submitted,

Accepted this 6th day of March, 2023, by it's Board of Directors:
