

The World is Our Neighborhood

Hospital Ruth Paz and Hermanas De Jesús Buen Samaritano
San Pedro Sula, Honduras

Dr Gustavo Vásquez An Angel to the Children of Honduras!

The dedication of a surgery room in honor of a life well served!

The World is Our Neighborhood (TWION.org) is grateful to have TEAMED up with Hospital Ruth Paz of San Pedro Sula, Honduras to dedicate a surgery room to an angel of the children of Honduras. During the Covid crisis, Hospital Ruth Paz went from being a children's hospital to the only hospital serving all non Covid patients in San Pedro, Sula. This meant that they were now not only just a hospital for children but for adults too! Quite a task to undertake during a crisis. Dr. Vásquez kept on serving but unfortunately, he himself ended up losing his life. We bless and honor his work with the dedication of a surgery room for a life well served. Thank you Dr. Vásquez!
